THE LONG AWAITED RAIN

The long awaited rain is here;
And watered all the flowers.
And all the people gladly cheer,
They're thankful for the showers.
It settled the dust on many roads,
And watered all the fields;
It gave a drink to all the toads
And washed all car windshields.

"BLOOD...TOIL... TEARS and SWEAT"

This is a war for existence. It is war to the death. It is a war to win or to lose.

There can be no half way—no compromise. It is a war to WIN.

Money is the fourth arm of the service.

Whatever you are called on to pay or to lend, it is little compared to the lives that our sons offer.

There have been many and heavy calls upon Canada already.

There will be more.

Let us face the truth and the truth will make us free.

It is freedom we are fighting for, British freedom, the freedom of body and spirit that makes life worth living.

If we fail, we fall.

Be prepared for sacrifice.

Great Britain has set us an example on a scale of heroic magnificence history doesn't record.

Let us FIGHT!

Canada has the resources. Let us spare nothing. When our soldiers offer their lives, let us be willing to share our livelihood.

Presently the Government of Canada will call for money.

The money is here.

We are spending billions. We are already heavily taxed. But most of these billions and those taxes are being spent in Canada. That money comes back to you. Keep it rolling. Keep putting it back into the war effort, so that it may be spent again and again and again until Right prevails and the world is free.

FIGHT...WORK...PAY

Canada must be Free
