

To the Citizens of Vaughan Twp. Support the Victory Loan

Resolute and fired with the true spirit of patriotic endeavour men and women throughout the length and breadth of Canada welcome the Victory Loan as a personal opportunity to do something in this war to preserve our "way of life".

As a demonstration of our patriotism, loyalty and our determination that this Loan will be fully subscribed, we ask that citizens of Vaughan Township co-operate by decorating their homes and places of business for the duration of this campaign.

Let us all take this opportunity of speeding Victory by getting behind the Victory Loan campaign.

R. W. SCOTT, Reeve of Vaughan.

Richmond Hill

Public School Raises \$110. For War Victims

The Richmond Hill Public School staff and pupils are exceedingly grateful to all those citizens of Richmond Hill and vicinity who so generously gave their support towards our effort in connection with the "Toronto Evening Telegram's British War Victims' Fund" booth which was put in operation at the Fair Grounds on May 24th last.

While the names of those who helped are too numerous to mention I nevertheless feel constrained to refer to the many donations of home-made candy, sandwiches and cake as well as the loan of coal oil stoves and other necessities, not to mention the free use of lumber and the help given in constructing the booth.

Money donations were offered and received as well as a large box of roses. Several outside firms gave donations and others gave us special consideration as regards supplies. We also wish to extend our thanks to those who so considerately took charge of the transportation of said supplies.

I feel the public will be glad to know that we are able to send to the Toronto Evening Telegram's War Victims' Fund a cheque for one hundred and ten dollars. It is the second donation forwarded during the school year making a grand total of one hundred and sixty-two dollars for this worthy cause.

I might also mention that over and above the sum already stated the "School" War Fund is gradually climbing and we have hopes that another hundred dollars will be raised by the end of the school year, namely, June 30th.

Citizens of Richmond Hill and vicinity I am writing this on behalf of the staff and scholars of the Public School all of whom are very appreciative of the support rendered us by so many of the people. We trust our small contribution will bring at least a measure of relief to a few people in that noble but war ravaged land fighting alone the battle of freedom for all mankind.

Thornhill News Items

At the regular meeting of the Y.P.U. held on Monday evening the president, Mr. Gordon Weedon, who has been called for service in the Air Force, was presented with a lovely black and gold pen and pencil set on which his name was engraved. The presentation was made by Miss Mary Morton and the accompanying address, read by Miss Geraldine Wesley was as follows: Mr. Gordon Weedon, President of Thornhill United Church Young People's Union.

Dear Sir:— I feel happy to be one of the members of a Young People's Union presided over by yourself. At each Young People's meeting like the present, it is essential for the well being and order of the evening's program that a good chairman should preside, so that order, harmony and good temper are maintained, and so that the business of the evening may be conducted in such a manner as will give us credit and respect with the rest of the church.

The success of a Young People's Union is in the hands of the President. You have performed the duties appertaining to this office in a manner which deserves our warmest thanks.

We have always found that you have tried to render yourself both agreeable and useful to your fellow men. You are deserving of all honour at our hands for the manly, straightforward and upright conduct that has governed all your actions. Deeply regretting that our connection must be severed, we shall gratefully remember our association in the past, and hope always to be held in pleasant remembrance by you. We trust that this will only be a temporary parting. We shall endeavour to continue our fellowship through correspondence. Though you may be far away we will remember you in prayer.

As a slight token of the very high esteem in which you are held by the members of Thornhill Young People's Union as a Christian gentleman and friend, we ask you to accept this small gift. Trusting that its acceptance will afford you

as much pleasure as it has given us in the presentation.

The Women's Institute are very pleased to be in receipt of a letter from Mrs. W. R. Willard of West Toronto Kiwanis Club, in which she on behalf of her club, expresses sincere appreciation for the four beautiful layettes completed by the Institute members to be forwarded to Great Britain where they will serve a very useful purpose. The letter is high in its praise of the lovely work done by the ladies and will no doubt be an inspiration to them in their future work.

The many Thornhill friends of Mr. Robt. Scott extend their most sincere sympathy in the loss of his father Mr. W. D. Scott.

On Monday evening last a meeting of the Trinity Women's Club was held at the Parish Hall. There was a good attendance and plans were made for a baking sale on Saturday, May 31st at the home of Mrs. W. Fitzgerald.

On Friday last the following were guests at a birthday party given by Master Glen Jamieson: John Edwards, Leonard Campbell, Marilyn Clapham, John Wesley and Marilyn Wesley. Excitement ran high for the youngsters and after an afternoon of fun and games, topped by a lovely supper the little folk made their way home, happy but oh so tired.

During the last two weeks, Miss Mary Morton, who will be married on June 7th in Thornhill United Church, was entertained at two delightful showers. The first of these occasions was held at the home of Lorraine Davidson where the bride and many friends were entertained at a lovely supper and later attended an interesting radio program in Toronto. The bride was the recipient of a sandwich toaster.

Ang again on Tuesday evening Evelyn Dean entertained at a linen shower at which Mary received an assortment of useful gifts. A dainty lunch was served by the hostess who was assisted by Jean Hicks.

"ON TO THE END"

The following is an extract from a letter received in Richmond Hill from England this week: "Our little island is getting pretty well battered, but every one is marvellous. How the men do their own job by day and fire watch by night and still keep fit beats me. To go to Liverpool or Birkenhead is a tonic — people just go on and that is what we shall all do — go on to the bitter end. Days are dark just now, but ahead there is the sunshine — just as in 1914-1918 — only it seems pretty grim now."
