

### To the Citizens of Richmond Hill

Next Wednesday, June 11th, enumerators will commence the task of taking the Census in Canada, and we make this appeal to all our people to extend a full measure of co-operation.

We ask all citizens to answer completely and accurately all questions put to them by the census enumerators, who are sworn to secrecy as regards the facts given them by any individual. It is provided by law that information given to the census enumerator may in no case be used against the individual who supplies it, either as a basis of taxation or as evidence in a court of law.

We ask all to give every possible assistance in facilitating this important national undertaking.

T. H. TRENCH, Reeve Richmond Hill.

### KING CITY

More than forty family relatives were entertained at the home of Mrs. Pearce, Miss Mary Walkington and Mr. Alex Walkington, Hillsdale Ave., Toronto, for their niece, Miss Annie Walkington, daughter of Mr. and Mrs. C. E. Walkington of King. Many beautiful shower gifts were received by the prospective bride. The Walkington family of King, Mr. and Mrs. Walter Rolling, Mrs. Ed. Kyle, the Misses Walkington and Miss Laidlaw of Maple were present from this district.

On Tuesday evening a large gathering of local friends attended a shower for Miss Walkington at her parents' home.

Another miscellaneous shower of interest was held at Maple Avenue farm for Miss Annie Ferguson on Wednesday evening. Eversley congregation and community were represented in many lovely gifts.

Rev. Douglas G. Davis, minister of King-Laskay-Toston United Church circuit for eleven years has accepted a call to Stouffville. The location of one appointment is quite desirable after eleven very busy years in a 3-point charge. But the community regret his removal, nevertheless, Mr. and Mrs. Davis and family have made a worthwhile and lasting contribution to the United Church and the community life, the results of which are evident in numerous ways. During his ministry here Mr. Davis had held responsible offices in the Presbytery, which fits him for richer and wider experiences to come. Realizing a happy ministry at King, we trust that the new appointment will be excellent in another term of continued excellent service. Mr. Davis will leave King the latter part of June.

On May 29th, a son was born to Mr. and Mrs. Bill Gillham, (nee Florence Dutcher), of Winnipeg. Mr. Gillham was transferred in February from Nobel to Winnipeg as a steam fitter in a war plant.

## The UNEMPLOYMENT INSURANCE PLAN

### To the Employer . . .

Contributions to the Unemployment Insurance Fund become payable as from July 1st, 1941.

Contributions are made by the employer and the employee, and are paid by the purchase of Unemployment Insurance stamps by the employer from the Post Offices.

The employee's contributions are deducted from his wages by the employer.

Stamps will be affixed to a special book, called the Insurance Book, by the employer. The book is the employee's record of contributions, and when he becomes unemployed it forms the record from which insurance benefits may be paid. Full details will be sent to you when you have returned the postcard attached to a form which is now in the mails.

The plan of procedure has been adopted after consultation with employer and employee associations and is one which has been based upon thirty years' experience in Great Britain.

The Dominion Government adds 20% to the combined employer-employee contributions, and in addition, pays the administration costs which include the operation of a National Employment Service for the convenience of employers and employees.

Contributions are payable by all persons while in employment and by their employers, with the exceptions listed in the panel below.

The first duty of every employer will be to REGISTER WITH THE COMMISSION by completing the postcard attached to a form which is now in the mails, and obtaining and issuing insurance books for all his employees. If there is doubt as to whether employees, or any of them, are insurable, ask for instructions when you return the postal card. If you do not receive a form through the mail go to the nearest Post Office and ask for one. All employers must complete registration prior to June 14th, 1941.

The Commission feels that it can be assured of the full cooperation of all employers. Nevertheless, attention is drawn to the fact that registration is compulsory and any failure to register is an infraction of the law and is subject to penalties.
