Of special interest to S.S. 4 King is the purchase of \$161.11 of War Savings Stamps since Jan. 20, 1941 by the pupils who also brought in regularly and collected from house to house magazines and books that were sent to the Military Hospital at Camp Borden. Kinghorn School No. 23 also added to the magazine collection.

Miss Jean McClure who has been teacher of S.S. 11 Vaughan was tendered a social evening and presentation at Purpleville school on Friday evening by the pupils, parents and section residents. The secretary, Mr. Peterman, was chairman and a very fine program was given by the pupils, including a treasure trail contest. Mr. Walter Rolling spoke of the ability and successful teaching of Miss McClure as he had observed in her as a pupil of his at S.S. 23, King, and from frequent visits to her school. The school board expressed appreciation of her work and good influence at all times. The following presentation address was read:

At the close of six successful years as teacher of S. S. No. 11 Vaughan, we, your pupils and friends, have gathered here this evening to express our appreciation of your splendid services and bid you adieu. Your wholehearted interest in each child, your untiring efforts and the fairness of your discipline have won for you the high regard and the sincere affection of the pupils. The fine standard of teaching that you have achieved has been appreciated by the parents and friends of the children as well as meriting the commendation of the Inspector. The appreciation of beauty and the love of good music that you have endeavored to develop while teacher of this school, will remain to bless the young lives. Truly we are grateful for the enrichment of the child life of this community.

We, your friends, Miss McClure, wish you success and happiness in your future life.

In appreciation, we present you with this gift of crystal.

Miss McClure was also the guest of Laskay Y.P.U. at Mr. James Watson's last week.

Large congregations in each of the churches at Laskay, King and Teston were present on Sunday for the farewell sermon of Rev. Douglas G. Davis of the United Church. Not only have his congregations gained much from his ministry during the past eleven years, but many in other denominations over a wide area have also known his good works and kindly influence. Mr. Davis has been in and out of so many homes in the district and has ministered in so many ways throughout the entire community that his departure calls forth appreciation for his services and sincere wishes for his future health and success.

Mrs. Davis' ministry has been one of a mother's devotion to her family and a steady power behind her husband's active life. It would seem as if the children had grown up among us here, and we look forward to fine and noble lives in the family.

We wish them all God speed and every happiness at Stouffville.

To the in-coming minister, Rev. Harold Anderson, the community extends a most hearty welcome.

The Presbytery Publicity Convener, Hilda Patton, announced the Presbytery Ball Tournament at Mus-selman's Lake on July 15th.

The Presbytery, Toronto Centre North, Y.P.U. picnic will be held at Ahshunyoong Camp site on August 27th.

A miscellaneous shower was held for Miss Frances Ross at her home on Thursday last. Frances has been a favorite in the community. Her musical talent, her efficient services as an operator in the telephone exchange for two years, and her readiness to take part whenever or wherever her services were needed won her many friends.
