SOFTBALL NOTES

Having had a week's lay-off the Richmond Hill Softball Club took on the Barrie Collegians in a league fixture in Barrie last Thursday night in what proved to be the best game of the season to date. It was a ding-dong battle all the way with the northerners having a slight edge over the Hill.

Richmond Hill started off with a bang in the first inning and pounded the offerings of pitcher Harry Couse for three runs on four hits. Barrie in their half managed to get one of these runs back on a single and a double.

The visitors were able to get two hits in the second with one runner being trapped at second and the other left on base. Barrie came back strong in their half of the second frame and out of four hits were able to score two runs and tie up the game at 3 all.

The remainder of the game developed into a pitcher's battle between Bennett and Couse, the two ace hurlers of the league. Barrie collected 3 hits and had four men left on base. The Hill were less fortunate and went down in order for six innings.

Lady luck favored the Barrie crew in the eighth inning when with a man on third base a low ball got past Annette, the Hill catcher, allowing the runner to score, Barrie winning the game 4-3.

On Tuesday night of this week the Hill played hosts to Aurora and came out on the long end of a 6-5 score. The first two innings were scoreless but Richmond Hill took a three run lead in the third and added two more in the fifth. Aurora pushed across two runs in their half of the fifth with the sixth inning scoreless.

The seventh was the big inning for Aurora when with two men on Bill Buchanan pounded out a homer to tie the game at 5-5. In their half of the seventh the Hill substituted H. Young for Steve Young and he was safe on an infield error by the shortstop. Cummings was sent in to pinch hit for Annette but popped up to the infield. Young advanced to second on a pass ball at the plate and scored on a texas leaguer by Jimmy Crean to win the game 6-5.

The final home game of the schedule will be played next Tuesday night against Barrie. These two teams are playing in top form at present and the fans are sure to witness a good game, so turn out and support the boys.
