Three Cash Prizes Offered By Lions For Ticket Sales

"Victory" the Lion Horse has made a real hit throughout the district and from far and near have come requests for tickets on this horse which is going to work for the Lions British Child's War Victims' Fund. "Victory", a four year old bay gelding, donated to the War Victims' cause by Mr. George McNair of Vaughan Township will go to the holder of a lucky number ticket on August 13th, the night of Richmond Hill Lions' Club Street Dance. Tickets are now on sale by members of the Lions Club, at practically all Richmond Hill business places and by scores of volunteer workers who are helping in this good cause. If you want to buy a ticket on "Victory" and you live out of town you may secure one by writing The Liberal Office. If you want to help along the fund for British Child War Victims by selling tickets a book may be secured here or from J. A. Greene, chairman of the Street Dance committee.

A letter was received from a lady in Toronto this week who sent a dollar and said: "Send me four tickets on 'Victory'. I am an elderly lady and I don't know what I'll do with the horse, but it's a wonderful cause and I want to help." A Liberal subscriber in Western Ontario sent a half dollar with the request, "send me two tickets on that Lion horse. If I win him have Reeve Trench feed him for me until I get down for him. Hundreds of others are buying tickets with the hope not only of winning a fine horse which should be worth at least \$100 in cash, but also in helping along a worthy cause.

Lucky number admission tickets, and tickets on the doll and wardrobe also are in big demand and present indications are that this year's Lions Carnival will be the biggest and best in the history of the event. "We have so much more to do this year that we are hopeful a record amount will be realized for community welfare and war work," stated Lion John A. Greene, chairman of the activities committee. At the same time the committee chairman announced three cash awards to persons selling the most tickets.

The Lions Club will give three prizes for ticket selling. The first will be \$5.00 cash, second \$3.00 cash and third \$2.00. The competition is open to everyone and it doesn't matter what kind of tickets are sold. Sale of the regular lucky number admission tickets, on the doll's wardrobe and on "Victory" the Lion Horse all count. Three cash prizes to those selling the largest number of tickets. Boys and girls this is your chance to earn some extra cash and at the same time boost a worthy cause. Books of tickets may be secured from J. A. Greene, chairman of the committee at Richmond Tailors, Yonge Street.

The committee met this week and are planning other features and attractions in addition to those announced last week. Reserve the date now, invite your friends wherever they are to come to Richmond Hill on the night of August 13th, and buy tickets which are now on sale.

GOOD NEWS FOR THE PHEASANT HUNTERS

One hundred and fifty pheasants were let loose in Vaughan Township last week. The birds were supplied by the Ontario Department of Game and Fisheries and were let loose in various parts of the Township by Constable DeFerrari and Constable Ireland. With the exception of about 25, all were hen birds.

MASONS ELECT NEW D.D.G.M.

At Grand Lodge A.F. & A.M. session in Toronto Wednesday W. Bro. George Varty of Golden Fleece Lodge, Toronto, was elected D.D.G.M. for Toronto district "C" and W. Bro. William Cannon of Caledon East D.D.G.M. for Toronto district "D".

CLOSE ENOUGH

Lightning struck the large elm tree close to the residence of Mr. J. Gilbert, Markham Road, Wednesday afternoon.

Village Seeks More Abundant Water Supply

The International Water Supply Company of London, Ontario have their equipment set up and today start drilling a test well at Richmond Hill waterworks property in an effort to locate additional water supply for the municipality. For many years the problem of augmenting the present water supply has been considered and this year the members of council felt that action could be postponed no longer. Richmond Hill's main industries, the greenhouses, are large consumers of water and are very dependent on an adequate and satisfactory supply. In the dry weather this year the supply was so threatened that householders were requested to refrain from using water for lawns and gardens.

Thieves Break in Maple Garages

Scared Away Before Loot Loaded

Thieves who broke into Frank Robson's garage and Les Laver's garage at Maple early Monday morning were caught and arrested in Toronto a few hours after the alarm was given. Mr. Laver was awakened by the noise and his rising scared the thieves away before they had time to load their loot. Mr. Laver fortunately secured the car license number which was telephoned to neighbouring and city police by Constable DeFerrari and in less than two hours three men were arrested in Toronto charged with the theft. When apprehended the accused were in a Dundas Street garage starting to duco the car which it is claimed was used in the robbery. The three appear in court today. At Frank Robson's a number of spark plugs and some small equipment was taken, and were found with a pile of about \$200 worth of tires which had been removed from Laver's but which were left in the thieves hurried escape. It is thought the same gang were responsible for an attempted break-in at Cain's garage, Nobleton the same morning. County Constable Sergt. S. A. Barraclough and Constables DeFerrari and Ireland of Vaughan Township answered the alarm and took part in the early morning chase.

Jersey Breeders Tour York County

About 125 members and friends of the York County Jersey Club had their annual outing on Wednesday of last week when a tour was made of some of the outstanding places of interest in the county. The day's program proved a welcome change from the usual picnic and everyone including several Jersey breeders from Peel County as well as the editor of the Times Packet of Orillia remarked it was one of the most enjoyable days experienced.

Meeting at Eaton Hall Farm, Eversley at 9.30 the group was shown through the very fine barns, dairy and greenhouses by the Assistant Superintendent, Mr. Bruce Beer, before driving through the woods to Lady Eaton's gorgeous villa which overlooks her forty-five acre lake and the rest of her 780 acre estate.

The stroll through the beautiful grounds including the Japanese garden will be remembered for some time. The procession of cars then proceeded up the third to Mulock's sideroad stopping at the look-out point overlooking the marsh and Lake Simcoe before continuing east through the Mulock orchards and on to Vivian.

At the County Forest trucks were used to drive the guests through about five miles of the 1400 reforested area under the direction of Mr. Fred Holledge, the caretaker. The cars then continued east through the tunnel of trees in the McCormack forest and down to Cedar Beach Park at Musselman's Lake for lunch.

Going by way of Ringwood, Gormley and Victoria Square the party arrived at Donalda Farm just at milking time. Here was to be seen the last word in cleanliness in the stables, calf pens, piggery and poultry houses — truly the show farm of America. Dr. Jenkins, the geniat manager, very kindly escorted those interested (and who wasn't) through the magnificent grounds surrounding the home of Mrs. Dunlap overlooking the Don. Many a youngster went home with his nose flat from peeping through the greenhouse windows at the huge bunches of luscious grapes while others were tempted to dive into the artificial swimming pool without the conventional attire. Men and women alike commented on the wonderful setting for the rock garden, the sunken rose garden and spacious lawns. President W. L. Clark, of Gormley was overheard remarking to his secretary, Moff Cockburn, that this was the best outing the club ever staged.

VICTORIA SQUARE

Prof. Leonard Klinck, President of the Agricultural College in British Columbia and Mrs. Klinck, who are on their honeymoon, took part in the service on Sunday. Mr. Klinck is a brother of Mr. R. Klinck of this community.

A few from here attended the Centre North Presbytery Baseball Tournament at Musselman's Lake on Wednesday.

Mr. Marritt of Keswick is spending a few days with his brother-in-law, Mr. Bert Sanderson.

About one hundred attended the Sunday School picnic held at Woodland Park, Markham, last week.

A number of pupils received prizes for regular attendance at Sunday School last year at the regular session on Sunday.

Rev. McKay will take holidays during the month of August for which time Victoria Square and Headford will unite, two Sundays at Victoria Square and two Sundays at Headford.

NEW SIDEWALK BUILT

The village has completed a section of new sidewalk on the north side of Richmond Street, just west of Yonge Street. The new walk will fill a long-felt need in the district. The work was carried out under the supervision of Mr. Wilfrid Booth.

BOWLING NOTES

Skip A. E. Glass who has won many trophies and honors on the bowling green, probably never had better success than last week, when he won three trophies in three starts. A win at Withrow Park, and another at Agincourt was followed by the winning of the Trophy at the Dovercourt tournament in Toronto last Saturday afternoon. The rink Saturday was: Walker Hall, E. T. Stephens, Garfield Yerex, A. E. Glass skip. Individual prizes Saturday were blankets. We'd like some day to see a collection of prizes won by Skip Glass since he started bowling "away back in the Liberal files" Sometime he might be persuaded to put on such a display, and while it hardly could be called a trousseau tea, an admission fee might be charged and proceeds donated to the Red Cross.

Rain held the crowd down to eight entries at the men's doubles tournament here last Friday evening. There were six local entries and two from Newmarket. Prize winners were: 1st, G. Yerex and J. E. Smith; 2nd, W. Trench and R. Casement; 3rd, Norman Chatterley and Russell Lynett.

Weather was ideal for the regular mixed games Monday evening and forty players participated. The winners: R. W. Hall, Ross Casement, Mrs. Chatterley, George Fuller skip.

Mimico Bowling Club members will pay a visit to Richmond Hill Club tonight, Thursday, and join in the mixed games. President Norm Chatterley urges that local members turn out in large numbers to extend a welcome to the visitors. Games start at 7.30 p.m.

Richmond Hill annual Tournament for the Hon. W.-P. Mulock Trophy will be held Wednesday, July 30th. The competition will be for men's rinks, and the entry fee will be \$5.00 per rink.

Memorial Service in Tribute To Sgt. Donald Graham of the R. A. F.

"The tragedy of the twentieth century is the loss of so many of the finest of our young men who started out on life with high ideals, only to find that there were men and influences in the world who would use the good things of the earth for evil purposes," said Flight-Lieutenant Hedley, R.C.A.F. Chaplain at the memorial service held in Richmond Hill United Church Sunday afternoon for Sergeant-Gunner "Don" Graham. "Don" Graham is Richmond Hill's first casualty of the war, and Sunday the community expressed its tribute to his heroic sacrifice and sympathy for the bereaved family.

It was last Wednesday the telegram was received telling the sad news, and Friday a second cable arrived advising that "Don's" funeral would be held Saturday at 12.30 British Standard Time, and that he would be buried in the Churchyard, at Foré in Sussex. The Memorial Service was then arranged for Sunday afternoon, to coincide as nearly as possible with the service in Britain. The United Church was filled to capacity for the service and was attended by a group of R.C.A.F. men from Toronto. The local Veterans and the Trumpet band of which Don was once a member attended in a body. The impressive service was in charge of Rev. C. B. Brethen, Minister of the Church, and the sermon was delivered by Lieut. Hedley. Capt. John Wilson and Aircraftmen Harry Sayers, "Mac" Cooper and Norman Mabley of the R.C.A.F. acted as ushers.

Rev. Brethen who recently assumed his work as Minister here, said as practically a stranger in the community he was impressed by the feeling of sorrow which permeated the entire district as a result of the sad news contained in Wednesday's telegram. Visiting at the Graham home, reading Don's letters, talking to his friends he had caught at least something of the radiant sunshine of Don's personality and he understood why the passing of such a fine example of young Canadian manhood meant so much to this community. He referred to Don's pleasing personality, his prowess on the athletic field as a High School student, as a member of Trail Rangers and Tuxis groups, as a cheerful leader at summer camps. In 1938, long before the outbreak of hostilities he went overseas, probably said Mr. Brethen, inspired by some intuition that the call of duty for him lay in the service there, and that the time was coming when he could render service to his country. Trained and ready at the outbreak of war he had with courage, skill and daring taken a prominent part in the air defence of Britain, in the very critical days of the past summer. To the members of Don's family he extended the most sincere sympathy of the community.

"There are ideals in life worth fighting for, and worth dying for," said Lieut. Hedley of the R.C.A.F., "and we of the Air Force are honored to have this opportunity of paying tribute to our brother, who has given his life for his country." The speaker whose duty it is to bring comfort and consolation to many of

those who suffer the loss of loved ones in the war said that it was the highest and finest thing in life to give one's life for others. It was high and noble and not in vain as long as we don't break faith with those who die. Their sacrifice challenges us to go on and build the finer and better world for which they make the supreme sacrifice. He quoted the great Cecil Rhodes who on his death-bed said, "So much to do—so little done." He commended these words to the people of Canada today. So much we could do in the way of helping the boys in the Navy, the Army and the Air Force, and we are doing so little in the way of real sacrifice. We go on thoughtlessly he said wasting our time and spending our means on ourselves. Men down through the ages in all walks of life and human endeavour had thought ideals and causes worth giving their lives for, and today brave men are doing it to preserve our way of life, our freedom to live our individual lives our freedom to worship God as we choose.

The service opened with the singing of the Hymn, "Unto the Hills Around do I Lift Up My Longing Eyes", followed by a scripture reading by Lieut. Hedley, the hymn "My Faith Looks Up to Thee", prayer by Rev. Brethen, the sermon by the Air Force Chaplain, a period of silent prayer and the clear heart-touching notes of the Last Post sounded by a member of the R.C.A.F. The National Anthem brought to a close the impressive service.

ORANGE CELEBRATION AT FAIRBANK

Empire Ladies' Lodge Win Trophy

Ideal weather and a carefully planned route made the celebration of the 251st anniversary of the Battle of the Boyne at Fairbank, sponsored by L.O.L. 2261, an outstanding success. Children of the L.T.B. and O. Home, as guests of the local Lodges, travelled by special car and after the walk enjoyed the generous meal and treats provided for them. Bro. Lance Zuefelt on guard duty in Northern Ontario left a vacancy in the Pipe Band that could not be overlooked. Empire Ladies' Lodge again brought home the trophy awarded best Lodge on parade for marching and appearance. In sports events the Beatty family won 5 prizes: Tots race, Frances Beatty; single ladies' race, 2nd, June Beatty; three-legged race, June and Jim Beatty; married man's race, Lloyd Beatty.

KING CITY STREET DANCE WEDNESDAY, JULY 30

Reserve Wednesday, July 30th for the big Street Dance at King City in aid of the British War Victims' Fund. "Rus" Creighton and his popular orchestra will be on hand to provide music for the dance and there will be features and novelty numbers galore. Ken Soble and "Doc" Linsey will be on hand with their radio feature "Did I Say That" and a number of King City people will be on the air for the first time.
