## GENERAL NEWS AND VIEWS

Fall wheat now pretty well har-  
vested through the district is re-  
ported to be an average crop.

Austin Yake of Lemonville has  
been appointed constable for Whit-  
church Township and Robert Wind-  
sor, constable, was named as chief  
for the municipality.

A small "ad" in The Liberal  
brought excellent results, I sold the  
articles the next day," said a satis-  
fied customer to us last week. Small  
"ads" will work for you too.

Help the Lions Child War Vic-  
tims' Fund by boosting the sale of  
tickets for the Richmond Hill Lions'  
Club Street Dance, Wednesday, Au-  
gust 13th.

Last Saturday the village of Bol-  
ton reverted to Standard Time.  
Council cancelled the Daylight Sav-  
ing By-Law on a petition from the  
local merchants.

If you are a subscriber to The  
Liberal, and any member of your  
household is serving in Canada's Ac-  
tive Service Forces, this paper will  
be mailed free to that soldier, sailor  
or airman for the duration of the war.

The opening of several new roads  
in the Holland marsh district is  
contemplated by King township  
council. According to Reeve Thomas  
McMurphy the provincial govern-  
ment will share in the undertaking  
on a dollar-for-dollar basis.

"Victory" the Lion Horse, a fine  
four year old bay gelding may be  
yours for a quarter. If you don't  
need a horse, you can always sell  
him. What's he worth? Well we  
don't pose as a horse judge, but he  
should be worth a hundred dollars.

Lightning early last Friday morn-  
ing struck the residence of Miss  
Harrison, Richmond Street. It knock-  
ed plaster off the wall and started  
a fire which prompt action quickly  
extinguished. The "close crack"  
was very noticeable in the district.

A relic of the last Great War, an  
18 pounder artillery gun which has  
been mounted as a souvenir in Au-  
rora since 1926, has been turned over  
to the authorities for service in the  
present war. Many similar guns in  
many municipalities have been turned  
in as salvage.

The Aurora Building Company has  
the contract for building the resi-  
dence of Mr. J. A. Pickett, form-  
erly of Kitchener, on Baker Avenue,  
Richmond Hill. The new residence  
will cost in the neighborhood of  
\$5000.

Census enumerators in this dis-  
trict have almost completed their  
work. Commissioner for North York,  
E. A. Bomick, reports that the work  
has gone along smoothly and in the  
main the public co-operated well.

Are you a regular subscriber to  
The Liberal? Last week many who  
just buy copies each week were dis-  
appointed as the demand for copies  
was so great available copies were  
all sold by Saturday. Avoid disap-  
pointment by having your name  
placed on our mailing list.

District barbers recently agreed on  
a general fixing of prices, and the  
prevailing rate in all shops now is  
35c. for a haircut and 20c. for a  
shave. Stouffville barbers have pe-  
titioned the council for 7 p.m. Mon-  
day closing and every Wednesday  
at 12.30.

Aurora merchants have asked the  
council to do something about the  
parking problem, and one hour park-  
ing regulation is suggested. One  
regulation Richmond Hill needs bad-  
ly is a ban on parking on Yonge  
Street close to intersections. We  
have seen many "near accidents" at  
Yonge and Lorne Ave. when vision  
is blocked by a parked car or truck.

Members of York County Jersey  
Club enjoyed an organized tour of  
York County spots of interest last  
week. The party started out at  
Eaton Hall Farm, visited the Mu-  
lock Orchards, the Museum at Shar-  
on, Musselman's Lake, the County  
Reforestation grounds at Vivian and  
Donalda Farms. Councillor W. L.  
Clark of Markham Township is the  
president of the Jersey Club.

Stouffville Village tax rate has  
been set at 36 mills, the same as  
last year.

Markham Women's Institute made  
112 pounds of strawberry jam for  
the Red Cross.

A sign on a farm post near Bal-  
lantrae reads: "Bull dog for sale.  
Will eat anything. Fond of child-  
ren."

If you appreciate a good home  
weekly newspaper, pay your sub-  
scription promptly, and patronize  
our advertisers.

The district enjoyed the proverb-  
ial "million dollar" rain last Friday.  
It was a fine downpour and was  
very welcome to gardeners and farm-  
ers.

The Quinlan Manufacturing Co.,  
largest manufacturers of hassocons  
in the Dominion will start opera-  
tions in Newmarket this week. While  
some men will be employed most of  
the work will be done by girls.

North York Plowing Match usual-  
ly held in either Whitechurch or  
Markham Township will this year be  
held on the farm of Grant Sedore,  
North Gwillimbury Township, near  
Belhaven.

Constable Ben Gayman of Mark-  
ham has 75 cases in court already  
for the month of July. They in-  
clude reckless driving, speeding,  
driving without a license and having  
liquor in an illegal place.

A drive through Ontario reveals  
that this section of York County is  
highly favored. No better crops  
are seen anywhere than in the town-  
ships in this district. However that's  
to be expected as there are no bet-  
ter farmers anywhere than in York  
County.

The Provincial Government is  
considering the advisability of aug-  
menting the strength of the Volun-  
teer Civil Guard. The Guard organ-  
ization was launched in June, 1940,  
and now must be, 42,000 in 24 cities,  
55 towns, 17 townships, 10 counties  
and 81 villages. Primarily the  
guards were organized to meet the  
possible danger of alien sabotage.  
Attorney General Conant is of the  
opinion that the guards are more  
justified or even necessary now and  
for the future than in the past.  
"The development in the War and  
particularly during recent weeks,"  
he said, "makes it advisable to re-  
consider the whole situation with a  
view to the possibility of future  
emergencies and the need for Vol-  
unteer Civil Guard."

## WAY BACK IN LIBERAL FILES

### FORTY YEARS AGO

From our Issue of July 18th, 1901  
The Village Lacrosse team played  
a match at Bradford on the 12th of  
July and were defeated by the team  
of that town by a score of 6 to 2.

The C.P.R. is running a Farm  
Laborer's Excursion to Winnipeg  
and other parts of Manitoba for  
\$10.00.

A meeting of the Board of Edu-  
cation was held Monday afternoon.  
The Board passed a resolution to  
ask for an assessment of \$1,400 for  
the Public School, but it was thought  
there would be enough from fees  
and other sources for High School  
purposes. The Board decided to  
place a double Ideal Heater and  
Ventilator in the two west rooms of  
the Public School at a cost of \$175.

There was a large crowd at Bond  
Lake at the annual picnic and dance  
of Gormley football club Tuesday  
evening.

Mr. N. Sliney has purchased a  
new engine and thrasher. It comes  
from Sarnia and will be ready for  
work early in the week.

Monday was the last day for ap-  
pealing against the Village Voters'  
List, and none were entered. The  
assessment roll as returned to the  
clerk was a credit to the assessor.

### THIRTY YEARS AGO

From our Issue of July 13th, 1911  
Rev. E. H. Toye and Mrs. Toye,  
who returned from their honeymoon  
were serenaded by the Village band  
at the residence of Mrs. Glass Mon-  
day evening.

A barn on the farm recently sold  
by Mr. O. D. Bales, near York Mills,  
was struck by lightning Tuesday and  
burned. Mr. Bales who had reserv-  
ed this year's crop, lost the hay off  
40 acres.

The funeral of the late Simeon  
Kelly took place from his brother's  
residence, 4th con. Markham, on  
Saturday. Interment in Brown's  
Corners cemetery. Mr. George F.  
Kelly, V.S., and Louis Kelly are  
brothers. Two sisters also survive.  
Deceased was a prominent member  
of the Orange Order, and was a  
member of the Presbyterian Church.

Alexander Fleury, 87 years of age  
died at the residence of a son at  
Walkerville Friday last. The re-  
mains were conveyed to Aurora, and  
the funeral took place from the  
residence of his son, Milton Fleury,  
to the Aurora cemetery on Sunday.  
Deceased was at one time a partner  
with the late Joseph Fleury in Au-  
rora. He afterwards carried on the  
manufacture of farm implements at  
Markham, and afterwards at Stouff-  
ville.

### FIFTEEN YEARS AGO

From our Issue of July 15th, 1926  
Richmond Hill girls' softball team  
defeated Thornhill Saturday after-  
noon last at the Presbyterian church  
Garden Party by a 22 to 18 score.

The play was somewhat marred by  
the wet grounds and as would be  
expected there was plenty of errors  
on both sides. N. Sparks of Rich-  
vale and E. Burns formed the batt-  
ery for Richmond Hill and W. Irish  
and G. Hooper for their opponents.

In one of the best games of the  
season Richmond Hill baseball team  
defeated Stouffville, the leading team  
in the York Simcoe league, here on  
Wednesday evening. The final score  
was 7-5 and was a fair indication  
of the play. The local team made  
the best exhibition of the season and  
played good ball throughout the  
whole seven innings. Blanchard did  
the pitching for the home team and  
both Lehman and Cook were put in  
for Stouffville in an effort to stop  
the local hitters. The home team  
lined up as follows: C. Mylks, c.;  
K. Blanchard, p.; B. Cook, 1b.; G.  
Sloan, 2b.; B. Ross, s.s.; B. Sharp-  
less, 3b.; H. Horton, cf.; B. Grant,  
lf.; E. White, rf.

Lansing girls' team defeated the  
local girls last Friday evening by a  
score of 21-8. The Richmond Hill  
team showed up very well for the  
first few innings but without the  
aid of several of their regular line-  
up they went to pieces and at no  
time in the last few innings were  
dangerous. In the absence of Fran-  
ces Batty from the mound Daisy  
Hart did the pitching and turned in  
a very good game. May Plewman  
in centre field was probably the star  
of the game for the locals, making  
some brilliant catches.

Two ladies' bowling rinks attended  
the gala day of the North Toronto  
Club on Wednesday afternoon and  
the rink skipped by Mrs. N. J. Glass  
was successful in winning first  
prize, a pair of silver candlesticks.  
About 25 rinks were in attendance  
and there were many close and ex-  
citing games. Mrs. Glass' rink had  
a score of 26 and the second rink  
from here skipped by Mrs. Kerswell  
21. The rink which won second  
prize had a score of 24. The rinks  
from Richmond Hill were: Mrs. E.  
T. Stephens, Miss McLean, Mrs.  
Greene, Mrs. N. J. Glass skip; Miss  
Gibson, Mrs. J. E. Smith, Mrs. W. A.  
Trench, Mrs. Kerswell skip.

The people of Croydon, England,  
recently experienced another air-  
raid, but not from the Nazis. The  
town was invaded by a great cloud  
of flying ants. Traffic was disor-  
ganized and walkers covered their  
faces with handkerchiefs.

### Quaker Calf Meal

QUAKER CALF MEAL is a balanced  
ration, scientifically compounded to take  
the place of whole milk after the first month.  
Thousands of alert Canadian dairymen have  
proved that Quaker Calf Meal costs less to  
feed, gives results that compare most favour-  
ably with natural whole milk feeding, and  
permits selling the maximum of milk from  
the herd while raising the calves into strong,  
lusty heifers.
