FEDERAL BUREAU OF INVESTIGATION

The F.B.I. (Federal Bureau of Investigation) is the Scotland Yard of the United States. It has a central bureau for fingerprints and the prints filed there now number more than eight and a half millions. If a finger-print is received, within five minutes the officials can know whether a similar print exists among the files. It does more than all other agencies put together to track down and secure punishment of desperate criminals in the United States. The name "G-Men" was given to the officers by a desperate criminal nicknamed "Machine-Gun Kelly". The G stands for government.

Guest: Listen waiter, my bill for my party comes to \$13, not \$14. What's the difference for?
 Waiter: Sorry, sir, I thought perhaps you might be a bit superstitious.

SOFTBALL NOTES
BARRIE PITCHER HURLS NO-HIT GAME

The final series to decide a champion in the Simcoe County Softball League was started last Thursday evening when Richmond Hill journeyed to Barrie for the first game. The result was not so favourable to Richmond Hill as Harry Couse let the Hill crowd down with three scattered hits and no runs while his teammates hammered the offerings of big Bob Miller for a total of nine runs.

On Tuesday night of this week Barrie made the standing in the series 2 to 0 in their favor when Harry Couse again handcuffed the Hill boys and pitched a no-hit game for his club. This is the only no-hit game registered in the league this year and as far as we know any previous year. Richmond Hill were able to get only one man on base that through an error to the first baseman. Barrie were able to get four runs off Ted Bennett to register their second straight shut-out in the final series.

The two teams hook up at Barrie tonight in what may be the final and deciding game of the series (we hope not). If Barrie wins they will take the cup and the season will be over, but should the Hill win the fourth game will be played in Richmond Hill on Tuesday night of next week.

The winners of the lucky draw which was made at Tuesday night's game are: 1st, H. Brown; 2nd, W. C. Savage; 3rd, Leonard Lunau, all of Richmond Hill.
