## GENERAL NEWS AND VIEWS

Schools open next Tuesday, Sep-  
tember 2nd.

Eighty-two applied for the posi-  
tion of town electrical foreman in  
Aurora.

Exhibition time is here, which  
means that winter cannot be far  
away.

Whitchurch township taxes are  
down this year one half mill, due to  
the reduction in the levy for County  
purposes.

Now that Prime Minister King  
has flown to England we are just  
waiting for the Toronto Telegram to  
say that by so doing he is neglect-  
ing his work at home.

Stouffville council has passed a  
by-law providing that all barber  
shops will close every Monday at 7  
p.m. and every Wednesday at 12.30  
noon.

Rev. N. Clark Wallace, son of the  
late Hon. Clark Wallace, one time  
member of the House of Commons  
for West York, now serving over-  
seas as a chaplain has been pro-  
moted to the rank of a major.

Miss Dorothy Zuefelt of Belleville  
has been engaged as French teacher  
at Markham High School for the  
coming term. Her salary will be  
\$1400 per annum. She was chosen  
from 95 applicants.

Special reflector warning signs  
will be erected several hundred feet  
from each side of the railway cross-  
ing on eighth avenue, Woodbridge.  
The council has on many occasions  
asked the railway to install a wig-  
wag.

Many people in this district have  
relatives in the old land with whom  
they correspond. The Liberal would  
welcome the privilege of printing  
letters received from Britain telling  
of conditions and the spirit of the  
people over there.

The Stouffville Tribune reports  
that Ross Hood of Ballantrae has  
dug and sold over 500 bags of early  
potatoes. Some of the tubers were  
so large they had to be sold to fish  
and chip stores as the regular mar-  
ket did not like them so big. Mr.  
Hood averaged better than \$1.00 per  
75 lb. bag.

Newmarket Council has by resolu-  
tion asked that C.N.R. train oper-  
ators be asked to reduce whistling  
to a minimum when passing through  
the town. While whistles no doubt  
are essential for safety some engi-  
neers do seem to just love blowing  
the whistle loud and long in the  
early morning hours.

Reeve F. A. Lundy of Newmarket,  
a veteran in York County municipal  
life at a recent meeting urged the  
appointment of an independent Court  
of Revision to pass finally on the  
municipal assessment. "I have been  
of the opinion for a number of  
years," said Reeve Lundy, "that it  
is not good business for a municip-  
al council to appoint an assessor  
and then sit in judgment on his  
work."

Last Wednesday evening we at-  
tended the Lions' Carnival at New-  
market in company with a number  
of other Richmond Hill Lions. There  
were games and attractions galore  
but what impressed us most was to  
see Mrs. Brice, a 77 year old New-  
market resident enjoying a ride on  
a pony. The ponies were on the  
grounds to give rides to the young-  
sters and Mrs. Brice received loud  
cheers as she joined the other  
youngsters in the fun.

"I reckon," said the farmer, "that  
I get up earlier than anybody in  
this neighborhood. I am always up  
before 3 o'clock in the morning."  
Another farmer said he always had  
part of his work done by that time.  
The first farmer thought he was not  
speaking the truth and decided to  
test him. A few mornings later, he  
got up at 2 o'clock and went to  
the neighbor's house. He rapped at  
the door and the neighbor's wife  
opened it. "Where is your hus-  
band?" asked the farmer, expecting  
to hear that he was in bed. "He  
was around here early in the morn-  
ing," answered the wife. "but I  
don't know where he is now."

Dr. J. H. Wesley, Medical Health  
Officer of Newmarket, has complet-  
ed fifty years of medical practice,  
forty-six of which he has spent in  
Newmarket, his first four years in  
the medical profession having been  
at Keswick.

"As I have rented my house sat-  
isfactorily will you please not put  
my 'ad' in your classified columns  
next week. The number of people  
from far and near that I had en-  
quire about the house both times I  
inserted an 'ad' in The Liberal shows  
that your's is a real valuable adver-  
tising medium." Thus writes an-  
other satisfied user of advertising  
in The Liberal. Have you something  
to sell, or is there something you  
want to sell. A small "ad" in The  
Liberal will get you satisfactory re-  
sults.

## ADDRESS SOLDIERS' MAIL IN INK

Postmaster General William P.  
Mulock has always shown a keen  
personal interest in providing a safe  
and expeditious service for mail to  
our overseas troops. One frequent  
cause of delay — a direct fault of  
the sender — is illegible addresses  
on mail matter.

It has frequently been found that  
pencil written addresses become  
smudged and unreadable during  
course of transmission, with the re-  
sult that it is very difficult for the  
Canadian Postal Corps to effect deli-  
very.

When INK is used there is less  
danger of the address fading or be-  
coming obliterated and persons  
sending letters and parcels to sol-  
diers overseas can help ensure their  
safe and speedy delivery by always  
having care taken to see that the  
address is written in a clear and  
legible manner in INK.

All mail should be fully prepaid  
and a return address given in the  
upper left-hand corner. Letters,  
parcels and newspapers for our  
troops overseas should be addressed  
in INK as follows:

Regimental Number, Rank and Name,  
Name and Details of Unit (i.e.  
Company, Section, Squadron, Bat-  
tery, Holding Unit, etc.)

Name of Regiment or Branch of  
Service,  
Canadian Army Overseas.

If the soldier is still in Canada,  
mail should be addressed to him  
giving the:

Regimental Number, Rank and  
Name,  
Name and Details of Unit. (as  
above),

Name of Regiment or Branch of  
Service,

Name of the Place in Canada where  
the Unit is stationed.

## WAY BACK IN LIBERAL FILES

### FORTY YEARS AGO

From our Issue of August 29, 1901  
Last week's Aurora Banner gave  
an elaborate description of an elee-  
gant sideboard with glass cupboards  
and plate glass mirrors, placed in  
the bar of the Royal Hotel by  
Messrs. L. Innes & Sons of this vil-  
lage.

Corn is attaining a wonderful  
growth this season, and stretched up  
greatly since the recent rains. There  
are many heavy crops in this sec-  
tion of country, but Mr. Thos. Lud-  
ford's is the highest we have ob-  
served. A stalk pulled up indis-  
criminately in Mr. Ludford's corn  
patch measures 12 feet 6 inches.

Six very fine rigs were on Mon-  
day shipped from Trench's Carriage  
Works to add to the display of car-  
riages at the Toronto exhibition.  
With the exception of one buggy the  
rigs were sold, and consisted of a  
delivery wagon for the Eckardt Cas-  
ket Company, Toronto; a heavy  
spring wagon for Wm. Clarkson,  
Aurora; a butcher's cart for Thos.  
Bartrem, Toronto; a purveyor's cart  
for Raybould Bros., Toronto; a  
Gladstone, and a piano box buggy.  
The buggies were supplied with  
rubber tires.

A sample of Russian barley is at  
The Liberal Office grown on Mr.  
Comisky's farm, 2nd con. of Mark-  
ham, formerly known as Rennie's  
Silver Medal Farm. The grain is  
plump; and that the yield was good  
may be judged from the fact that  
Mr. John Wice threshed for the pro-  
prietor 1300 bushels in ten hours.  
The barley averaged 45 bushels to  
the acre. With the exception of  
Wild Goose Wheat, Mr. Comisky's  
other grains were equally good, his  
oats, timothy and clover being par-  
ticularly heavy.

### THIRTY YEARS AGO

From our Issue of August 24, 1911  
Mr. M. Patton who recently pur-  
chased the Dominion House is mak-  
ing improvements, inside and out.  
The improvements include a wide  
verandah erected along the whole of  
the east side of the residence.

Mr. Brook, civil engineer, of Tor-  
onto, has been up staking property  
recently purchased by Messrs. E.  
Lefeuver and J. C. Hayes, from Mr.  
D. W. Clubine. A number of lots  
have recently been sold, hence the  
necessity of having "Brookside"  
staked out. A road 66 feet wide  
will run east and west through the  
centre of the property, and lots will  
face this road north and south.

A town bell has been purchased  
at Maple and put on Mr. J. Rose's  
hardware store to be rung regularly.  
The Band gave a good musical  
programme in the Park Saturday

evening, but the weather was too  
cool to stimulate the appetite for  
ice cream.

Mr. Calvin Victor Campbell, Prin-  
cipal of one of the New York City  
High Schools came up a few days  
ago and visited the cemetery. His  
object was to locate the grave of  
his great grandfather, Hugh Camp-  
bell. This he found on the north  
side of the roadway. The marble  
slab bears the date, July 20, 1835.

### FIFTEEN YEARS AGO

From our Issue of August 26, 1926  
Workmen have commenced the  
construction of a new concrete side-  
walk on the east side of Yonge  
Street from the Standard Bank  
southwards to Baldock's garage. This  
was one of the worst stretches of  
sidewalk in the town and with the  
completion of the new walk the very  
bad stretches of the Village will be  
eliminated.

A very pretty and quiet wedding  
was solemnized on Tuesday, August  
24th at the home of Mr. and Mrs.  
W. Lowery, Richmond Street, when  
their daughter Edna Luella became  
the bride of Mr. Horace Wade, son  
of Mr. A. Wade of the Village. Af-  
ter a wedding dinner Mr. and Mrs.  
Wade left amid showers of best  
wishes for Wasaga Beach and on  
their return will reside on Milver-  
ton Blvd., Toronto.

Six Richmond Hill rinks partici-  
pated in the tournament which fea-  
tured the official opening of the Un-  
ionville bowling green on Monday  
last. A downpour of rain in the af-  
ternoon interfered with the games  
but the remainder of the schedule  
was played on Tuesday evening. The  
first prize for three wins was won  
by the Richmond Hill team compos-  
ed of Jas. McLean, Armand Savage,  
Miss McLean and Miss Hazel Swit-  
zer. The Richmond Hill rinks were:  
Mrs. E. T. Stephens, George Glenn,  
Mrs. George Glenn, E. T. Stephens;  
Mrs. C. Kerswill, Chas. Kerswill,  
Mrs. Jackson, F. J. Mansbridge; Mrs.  
J. E. Smith, A. A. Eden, Mrs. Boyle,  
G. Willis; Miss I. Wiley, C. Wiley,  
Mrs. Paterson, G. Moodie; Mrs. N.  
J. Glass, J. A. Greene, Mrs. J. A.  
Greene, George Gee.

In the Elgin Mills park last Fri-  
day night Brookside boys visited the  
Elgin Boys and played a splendid  
game of ball. The score was a tie  
8-8. They will play the game off  
later.

Jimmie's father had found a paper  
with much scribbling on it. It  
contained the words, "Blow-blow-  
draw-draw-blow-draw."

"What's the meaning of all this?"  
demanded the father.

"Oh that! Why, Dad, that's the  
music for my mouth-organ!"
