RED CROSS NOTES

The following is an excerpt from a recent news bulletin:—

THEY MUST HAVE BLANKETS

About a year and a half ago, the people of Canada were asked by the Canadian Red Cross Society for blankets. They came in by the thousands — blankets that in the months that followed provided warmth for women, children and old men in cold air-raid shelters in Britain. They were used in emergency hospitals, in ambulances, in hastily-erected hospital centres where the victims of brutal enemy air-raids were cared for.

More blankets are needed. Thousands upon thousands more. This cry cannot be ignored. Branches of the Red Cross are asked to launch appeals in their own areas IMMEDIATELY. Ask everyone to do his or her part to help relieve suffering in Great Britain. New or "Good as New" blankets are acceptable. If the blankets are not new, they should be cleaned or washed before shipment.

The Red Cross regrets having to announce the cancellation of their games night arranged for November 7th. Owing to the fact that the Red Cross ladies have undertaken to furnish the town banquet in honor of Flight Lieut. Dick Patrick, D.F.C. on Friday evening, October 31, the games night will be postponed until later in the season.

Owing to the sewing being carried on by the Tuesday evening Branch of the Red Cross, sewing will not be prepared in the Red Cross Room for Friday afternoons. Quilting will proceed as usual. Everyone is urged to make a special effort to be in the work room on Wednesday afternoons.
