JUNIOR DIVISION

- Section 1—Special advertising feature.** One Art Poster 12 x 18 inches advertising the Richmond Hill Hobby Show, March 28, 1942, Public School 4.00 to 9.30 p.m. — Prizes: 1st, 30c.; 2nd, 25c.; 3rd, 20c.
- A. Open to High School Pupils.
 B. Open to Public School Pupils grades 6, 7 and 8.
- Section 2—Collections.**
 Prizes: 1st, 30c.; 2nd, 20c.; 3rd, ribbon.
- A. Coins, mounted and under glass or cellophane.
 B. Scrapbooks.
 C. Woods, named and mounted to show grain, ten specimens
 D. Stamps, British collection.
 E. Canadian collection.
 F. General collection.
 G. Other hobby collections.

- Section 3A—Graphic Arts.**
 Open to High Schools
 Prizes: 1st, 30c.; 2nd, 20c.; 3rd, ribbon.
- A. Pen and ink sketch.
 B. Pencil drawing.
 C. Poster design.
 D. Water colour.
 E. Charcoal or crayon drawing.
 F. Cartoon, pencil or charcoal.
 G. Oil Pointing.
 H. Patriotic Poster.
 I. Comic Strip.
 J. Local Caricature. No name, guess who.

- Section 3B—Graphic Arts.**
 Open to Public Schools
 Prizes: 1st, 30c.; 2nd, 20c.; 3rd, ribbon.
- A. Pen and ink sketch.
 B. Pencil drawing.
 C. Poster design.
 D. Water colour.
 E. Charcoal or crayon drawing.
 F. Cartoon, pencil or charcoal.
 G. Oil Pointing.
 H. Patriotic Poster.
 I. Comic Strip.
 J. Local Caricature. No name, guess who.

- Section 4—Models.**
 Prizes: 1st, 30c.; 2nd, 20c.; 3rd, ribbon.
- A. Aeroplane, flying model (kit).
 B. Aeroplane, solid model (kit).
 C. Sailboat.
 D. Model, clay or plasticene.

- E. Model, soap carved.
 F. Automobile.
 G. Any original model.

- Section 5—Woodwork and Industrial Craft.**
 Prizes: 1st, 30c.; 2nd, 20c.; 3rd, ribbon.
- A. Wren House.
 B. Robin House.
 C. Any other type of bird house
 D. Garden or lawn ornament.

ADULT DIVISION

- Section 10—Hobby Collection.**
 A. Ladies.
 B. Gentlemen.
- Section 11A—Handicraft, Gentlemen.**
 A. Metal.
 B. Wood.
 C. Fibre or other material.

OPEN DIVISION (open to everybody)

- Section 13—Photographs and Camera Craft.**
 A. Snapshots (six) Various subjects.
 B. Snapshots (Two) representing exhibitors' effort in developing and mounting.

Secretary — Alice M. Unger, Richmond Hill

York Soil Map Completed and Now Available

Another milestone was passed last week by those working for betterment of agriculture in York County when a Soil Map of the county was presented by Professor G. N. Ruhnke of the Soils Department of the Ontario Agricultural College through the agricultural committee to County Council. The map which is the result of almost two years examination and testing of soils by a field staff and their co-workers in the soils laboratory shows in detail the various types of soil and subsoil, topography, drainage, lime content, present land use and fertility needs. Many will recall the unannounced inspections of fields by a couple of young men particularly in the summer of 1940 when they were frequently reported to local police as suspected enemy agents or fifth columnists.

Professor Ruhnke, introduced, to Council by Agricultural Representative W. M. Cockburn as one of the outstanding soil authorities on the continent pointed out some of the many uses of the map in such matters as adaptation of crops, guide to soil treatments, location of demonstrations, mineral deficiency areas, choosing of farm locations, and even perhaps arriving at assessment values. A somewhat similar map was provided also for the use of the agricultural representative, for use in his office and at agricultural meetings. Mr. L. Webber of the field staff also spoke briefly explaining some of the findings.

Warden C. C. Downey in accepting the map thanked Professor Ruhnke for the splendid work accomplished by his staff and complimented the agricultural committee for having had the task undertaken. He expressed his hope that every effort would be made to make the information available to and made use of by the farmers of the county. Chairman R. W. Scott of the Agricultural Committee pointed out that the map would no doubt be of considerable value to the Agricultural Representative in the survey and study that is now being made of the occurrence of bloat on so many alfalfa pastures of recent years.

Operations of the Canadian Farm Loan Board to March 31st, 1941

Since the year 1929, the Farm Loan Board has been loaning money to bona fide farmers on a twenty-five year plan in a number of the provinces of Canada and in the Province of Ontario since 1935.

To the end of the last fiscal year, March 31st, 1941, the Board had loaned in all provinces a total of \$45,697,415.76 of which \$35,947,883.17 was outstanding at the above date. The Board also holds real estate to the value of \$326,567.98 and agreements for sale to the amount of \$443,566.24.

In the last fiscal year, the Board loaned a total of \$2,727,507.15. Collections in the last fiscal year totalled \$3,840,950.80, consisting of \$2,056,974.16 of principal repayments and \$1,783,976.64 of interest payments. Since the inception of operations borrowers have repaid \$8,782,169.48 of the principal of their loans.

The Board operates as a self-supporting agency of the Dominion Government and provides for its administrative costs and reserves for losses from its revenues after paying interest on monies borrowed for loaning purposes. The cost of operation for the year ending March 31st, 1941, is less than 1% of the value of the assets under administration.

In the Province of Ontario, the Board has loaned a total of \$5,387,548.98 to date and of this amount \$4,646,785.28 was outstanding at the close of the fiscal year.

While there are a comparatively small number of borrowers whose accounts are in arrears, she record of repayment on the whole by the borrowers in the province of Ontario since loaning was instituted has been satisfactory. During the fiscal year the Board received payment from borrowers in the province amounting to \$203,892.40 on account of interest and \$262,057.91 on account of principal. Interest over six months in arrears on First Mortgage loans amounted to \$8,978.46 and principal over six months in arrears on First Mortgage loans amounted to \$20,624.13 as at the close of the year. Out of a total of 2608 First Mort-

Crop Experiments To Benefit Farmer

722 farmers and junior farmers conducted 246 projects on 1590 acres in 44 counties and districts.

There will be a lot of interesting and valuable crop information released for the benefit of Ontario farmers when the 44 county and district branches of the Ontario Crop Associations hold their annual meetings. During the past summer, 722 farmers and junior farmers have cooperated with County Crop Improvement Associations in conducting 246 projects on 1,590 acres.

It has been found, for example, that no one variety of oats or barley can be recommended for all Ontario. A variety which does particularly well in one county may not prove adaptable nearby as a result of soil and climatic conditions. Therefore in order to determine the best varieties for each county and district, these branch Associations have conducted their own tests.

These 722 energetic crop association members provided land on their farms. They prepared the seed bed, and planted, cared for and harvested the crop. In many projects two or more varieties were sown side by side for comparison purposes. Field meetings were held and records kept. Data regarding each project is prepared for distribution for members. That is why every farmer, if he is not already a member, should join his county crop improvement association. He will be given the results of important crop experiments in his own district in black and white. This information should help him increase crop production next year is vital to Ontario's agricultural war effort.

In addition to tests with wheat, oats and barley, projects included tests with hay-pasture mixtures, early and late cut hay, fertilizer tests, potato, hybrid corn and soybean tests, weed control demonstrations and tests with summer and fall pasture mixtures.

Plan to attend the annual meeting of your county crop association. Bring your crop problems to the meeting and secure the latest information on crops and fertilizers as revealed by tests in your own county.

Winter Fair Sponsors Cattle Show and Sale

Will be held at Union Stock Yards, Toronto, Nov. 27, 28 and 29 — Many entries received.

The show and sale of commercial live stock at the Union Stock Yards, Toronto, Nov. 27, 28 and 29 sponsored by the Ont. Provincial Winter Fair (Guelph Winter Fair) in co-operation with the Union Stock Yards Co. and the Ontario Department of Agriculture, promises to be much larger than last year, according to L. E. O'Neill, secretary of the Fair.

In addition to the cattle groups of Shorthorns, Herefords and Aberdeen Angus, there will be group classes for pens of five bacon hogs and five market lambs. There are five cattle classes, weights ranging from 750 to over 1,100 pounds.

All cattle, sheep and swine will be judged Friday, Nov. 28 with sale of market lambs, Nov. 28 and hogs also on Friday. All market cattle will be sold Saturday.

This will be third show and sale of its kind since the beginning of the war and gives an outlet to prize beef offerings that in pre-war years was sold on the last day of the Guelph Winter Fair, the oldest winter exhibition in Canada.

SLATE WON'T BURN—

That's why it is economy for you to buy good coal, "blue coal", the kind we sell. Phone 10, I. D. Ramer & Son.

Father: "Hullo! Where's Alfred gone to?"
 Mother: "If the ice is as thick as he thinks it is, he's gone skating; but if it is as thin as I think it is, he's gone bathing."

gage loans made in the province of Ontario the Board has acquired only 5 securities under foreclosure proceedings.

ANTIQUE FURNITURE and other Furniture, Tools

The Property of the Estate of the Late Mrs. M. ARNOLD

4197 YONGE STREET
 York Mills at Hogg's Hollow

Saturday, November 29

TOWNSHIP OF VAUGHAN

TAKE NOTICE that the Council of the Corporation of the Township of Vaughan intends to stop up and dispose of a narrow highway in the Village of Maple in the Township of Vaughan which highway has an approximate width of twenty-nine feet and runs from Railway Street northerly approximately parallel with the Fourth Concession of the Township of Vaughan, a distance of approximately three hundred feet, more particularly described as that road-way between lots 9 and the rear of lots 5, 6, 7 and 8, plan 72 registered in the Registry Offices for the Registry Division of the East and West Ridings of the County of York. The proposed By-Law and plans showing the lands to be closed may be seen at the Clerk's Office in the Police Village of Maple.

The Council will hear in person, or by his counsel, solicitor or agent any person who claims that his land will be prejudicially affected by the By-Law and who applies to be heard.
 J. M. McDONALD,
 Clerk of the Township of Vaughan.

November 7th, 1941.
 It is intended to consider the said By-Law at a meeting of the Council to be held in the Clerk's Office, Maple, in the Township of Vaughan on the 15th day of December, 1941 at 2 o'clock p.m., Standard Time.
