King City District News

Pte. Floyd Burger of Nova Scotia with his wife Eleanor Burger of Barrie, spent New Year's Day with their parents, Mr. and Mrs. Arthur Wellesley.

Mrs. Wells McDonald spent a few days during holiday season with her mother Mrs. Edwards of Toronto. Mr. and Mrs. Emerson Thorpe of Wick, Mr. and Mrs. Thorpe Sr. of Bradford were New Year's guests of Mr. and Mrs. Bob Riddell and Donald.

Pte. Garnet Ash of Toronto and Mr. Leo Cull of Newmarket collided motor cars on the fourth of King during a heavy mist one evening last week. It was impossible for safe driving, they stated, as the fog was so dense. Neither of the drivers was injured. Miss Bertha Ferguson, occupant of one of the cars, sustained injuries and was attended by Dr. Devins of Aurora.

Miss June Brown fell on the icy sidewalk in front of Mustard's store hurting her hip quite badly. She had to be driven home and has since been confined to the house.

Miss Marian Kelley, youngest daughter of Mr. and Mrs. A. E. Kelley, finished off her Christmas holidays in a most unfortunate manner. She had just returned from a pleasant day in Toronto last Saturday and was engaged in her favorite pastime, that of skating on the wide expanses of ice fields near the house. She fell and the damage was done — a broken left arm. Going to Aurora she was administered treatment by Dr. Boulding.

Dr. S. W. Armitage and Mrs. Armitage are enjoying the company of their two sons, Seaman Harry of Winnipeg and Sergeant George of the R.C.A.F. Miss Phyllis Coiles of Toronto has also been a holiday guest.

One hundred and seventy dollars was realized for W.I. general work. Community prayer meetings are being held all during this week at King and Schomberg. Invitations have been extended to all Township churches to attend services at either point, or at Aurora.

The funeral of the late John Jennings of Temperanceville, held on Saturday, January 3rd in the United Church was one of the largest of that district. Rev. W. A. Wescott, the local minister; Rev. G. S. Lynd and Rev. T. R. White, former ministers, were in charge. A very large number of floral tributes from family members, friends, the church and local ladies, proved the affection and

esteem held for deceased. Mr. Jennings, ill only a matter of hours, passed away at one o'clock a.m. on New Year's morning at the age of 73. He was a man of very fine character and an asset to the communities in which he had lived.

Surviving are his wife, three sons, Ray, Wilbert and Wallace; three daughters, Mrs. Bert Andrews, Mrs. Alvin Wideman and Miss Mabel Jennings. There are eleven grandchildren.

The funeral of the late George Howard of King was held from All Saints' Church on Tuesday, January 6th. Mr. Howard passed away on Sunday in York County Hospital from pneumonia at the age of 73. He was born in England coming to Canada in 1908 and spending a year in Vaughan Township. The following year he removed to King Township where he lived the most of 32 years in King village. Mrs. Howard predeceased him 4 years ago. Surviving are two daughters, Mrs. Ernest Cummins of King, Mrs. Oliver Diceman of Maple; one son, Bert Howard, R.C.O.C., England; sixteen grandchildren and three great grandchildren.

Deceased was a faithful member of All Saints' Church, rarely missing a service as choir member. He was a member of 1824 Orange lodge and for fifteen years a former employee of the C.N.R.

On Sunday, January 4th Miss Elizabeth W. Gellatly of Eversley passed away after a lingering illness in her 79th year. She was the daughter of the late Peter Gellatly and was born at Eversley, where she resided all her life. She was of a quiet, refined nature. Surviving are two sisters, Mrs. Thomas Marshall and Miss Margaret Gellatly. All three sisters latterly made their home together. The funeral was held from the residence on Tuesday, Jan. 6th, Rev. Harold Anderson officiating with interment in King Cemetery.

The third burial in King Cemetery on January 6th was that of the late George Atkinson, 72 years old, farmer on lot 19, con. 9 King Township, who passed away on Sunday, January 4th after an illness of some weeks. The fact that John Gould, 74, of Schomberg, died as a result of an accident on Mr. Atkinson's farm recently — the shock was very hard on Mr. Atkinson's none too good health. Deceased was the tenth of the eleven children of the late Robert and Sarah Atkinson of West King and had lived all his life in King Township as a farmer. He was a member of St. Andrew's Presbyterian Church, Strathroy. Surviving are his wife, Katharine Sutherland; two daughters, Gertrude at home and Mrs. Ella Stewart of Nobleton; and one grandson. One brother, John Atkinson, of ninth line, is the only remaining member of his father's family.

The funeral was held on January 6th from the residence, Rev. Mr. Cranston of Tottenham conducting, with burial in King Cemetery.

Rev. John Galloway has vacated his pulpit of the Baptist circuit and is engaged in war industry. Mr. Galloway saw active service during the years of the last great war. He was actively interested in the Victory Loan campaign. His deep concern for the present conflict led him to conscientiously change occupation for the "Duration". Church circles wish him success and look forward to his return to active ministry. Mr. and Mrs. Galloway will continue to reside in King and in that we are all very happy. They will move into Doc Gordon's new house by the end of January.

Rev. Carmichael occupied Presbyterian pulpits for the last couple of Sundays during the holiday absence of Mr. Atkinson.

Some gulls were following a ferry boat.

An Irishman said. "Nice flock of pigeons."

A tourist insisted: "Those are gulls."

"Well," said the Irishman, "gulls or boys, they're a fine flock of pigeons."

Slow Payers' Doom

While no one's ears have as yet been deafened by the chorus of merchants in praise of the Wartime Prices and Trade Board, one provision of the newly-announced regulations may appeal to the Board's most vehement critics. That is the sharp restriction imposed on retail credit.

Certain types of charge account have for many years been a headache to credit managers. They are the accounts of families who are so prominent in their communities that the stores hesitate to sue them or even to press them for payment, because of the loss of goodwill that would follow any energetic attempt at collection. For the same reason the stores are afraid to cut off credit privileges. The accounts are allowed to increase while the care-free debtors flourish like the green bay-tree.

Now the Wartime Prices and Trade Board has ruled that if any charge account is more than ten days in arrears no further merchandise may be charged to the account until the arrears are settled. The credit manager is given a means of graceful exit from his predicament. "We're so sorry to close your account, Mrs. Uppington," he will say. "Of course your credit is absolutely good, but Ottawa says we mustn't let you charge any more purchases, so there is nothing we can do about it... Of course, I agree that it's utterly preposterous... May I suggest that you write about it to your Member of Parliament?" — Printed Word.

The annual W.I. dance held on New Year's Eve at Nobleton Community Hall was attended by 450 from Toronto and all sections of the county. Already an institution, the attendance increases each year. The midnight frolic and favours interested the crowd. Lunch was served to all.

NEW WEAPONS FOR CANADIAN SOLDIERS

Canada's newest and lightest weapon is shown, at right, in the hands of a Canadian soldier. The Sten sub-machine carbine, an all-metal gun used in a similar manner to the American Thompson sub-machine gun, weighs only seven pounds and is designed specially for parachute troops. Small Arms Limited, a Crown company, is now tooling up for the production of this "tommy gun" and it is expected that by mid-summer monthly output will reach the four figure mark. The same company turns out the Lee-Enfield rifle and bayonet held at the attack position by soldier at left. The bayonet is the new type adopted by the Canadian Army. Much shorter and slimmer than the 1914 version it is easier to handle and every bit as efficient. It is triangular in shape.
