York Holstein Annual Meeting

The annual meeting of the York County Holstein Club held in the Masonic Hall, Richmond Hill on January 28th brought out the largest attendance of members for the morning session in the history of the club. The morning program, presided over by President Roy Barker, of Woodbridge, included registration and presentation of reports by the Secretary Treasurer, and county salesman with the appointment of a nominating committee. Treasurer, Frank Ramsay, of Sharon, reported a slight increase in the balance in spite of a small drop in memberships. Jos. Darlington, club salesman reported the largest sales in the history of the club, with a large part of these going for export.

With lunch provided by the club, the members enjoyed a social hour at noon when the directors did the honours with the coffee pots and lunch baskets.

Following the lunch hour the nominating committee presented its report and invited further nominations from the floor. Following the balloting for directors, C. D. Graham, of Brantford, Director of the Ontario Field Services for parent association discussed the work of the Canadian Association and presented a technicolor film showing Holstein herds in the various provinces and some of the prize winners at the C.N.E.

Prof. Geo. E. Raithby of the Ontario Agricultural College, Guelph in a very practical manner discussed some of the disease problems of the dairyman pointing out that he is particularly interested in herd hygiene as treatment lies in the field of the veterinarian. The members asked the speaker many and varied questions which he answered in a very pleasing manner.

Jos. Darlington, having withdrawn his nomination on account of being Salesman for the Club, the following directors were elected: Cameron Boake, Downsview; Ray Clarkson, Weston; Archie Cameron, Woodbridge; Rankin Kellam, Weston; Roy Livingston, Woodbridge; George W. Henry, Oriole; David McKie, King; E. F. Ramsay, Sharon; Earl Risebrough, Woodbridge; Russell Snider, Nobleton; Lloyd Turner, Stouffville; J. S. Watson, Woodbridge; S. B. Watson, Agincourt; Ed. Whittaker, Downsview; Geo. C. Jackson, Downsview; Roy Barker, Woodbridge, and unless otherwise advised also Joseph Darlington, Todmorden.

In addition to these, Geo. C. Jackson as Vice-President of the Canadian Association and past president Roy Barker are by virtue of their offices directors of the club.

At the Directors' meeting which followed, the following officers were elected: Hon. Pres., Roy Barker; President, Archie Cameron; Vice-President, Roy Livingston; Secretary-Treasurer, E. F. Ramsay; Auditor, W. M. Cockburn; Salesman, Jos. Darlington.

Brown's Corners United Church

The February meeting of the W. M. S. was held Wednesday afternoon, February 4th at the home of Mrs. Glendenning, Buttonville.

This meeting was under the leadership of Mrs. Walter Craig, Mrs. Glendenning and Mrs. Craig Sr., the latter being in Leaside at present was unable to attend the meeting. Mrs. Jas. Russell, 1st Vice-President, took charge of the meeting in the absence of our very faithful and energetic president, Mrs. R. L. Stiver who is critically ill. The good wishes and prayers of this meeting go out to her at this time.

The minutes of the previous meeting were read by Mrs. Walton. Each member answered the roll call by a Bible name.

The local meeting of the World's Day of Prayer will be held in the church on Friday, February 20th at 2.30 p.m. Prayer is so needed in these critical times. We sincerely hope that all ladies of the community will find time to attend this most important Day of Prayer.

A quilting was arranged to be held at the home of Mrs. Stotts on Tuesday, February 17th.

Mrs. Walter Craig introduced the call to worship by reading a hymn while Mrs. English, pianist, played very softly. Mrs. Wiggler then gave a very beautiful prayer and especially remembered our president. Bible readings were given by Miss Rhea Scott, Miss Mary Rodick, Mrs. Fuller and Mrs. D. Hood.

A devotional reading was then given by Mrs. Norman Reid on Christian Faith.

Mrs. Stephenson sang a very appropriate hymn as a solo and all joined in at each last line.

The topic was taken by Mrs. Walter Craig from the study book China, "Serving with the Sons of Shuh", chapter four. She developed her subject particularly well, showing the Chinese appeal for Christian help from Britain and America, and their refusal started a growth of Communism and the serious loss which resulted in all parts. A temperance reading was given by Mrs. Patterson.

An attendance of thirty enjoyed a cup of tea and social time.

REV. ROBERT MANNING, R.H.H.S. GRADUATE CONTRIBUTES ARTICLE TO STUDENT PUBLICATION IN NEW YORK

"The Nature and Task of Theology" was the subject of an article in the December issue of "The Union Review", the student publication of the Union Theological Seminary, New York City by Rev. Robert Manning. The "Review" is a publication outstanding in its field. Manning is a graduate of Maple Public School, Richmond Hill High School and the University of Toronto. He is a graduate student at the Union Seminary and also assistant at the Riverside Church, New York, whose pastor is Dr. Harry Emerson Fosdick.

This is the 106th academic year of the Seminary where Rev. Manning is a graduate student. Students at the Seminary pursue a three-year course of preparation for the ministry, leading to the bachelor of divinity degree, or are enrolled in the School of Sacred Music which instructs organists and choir directors. Twenty-two different religious denominations are represented in the 283 members of this year's student body. They include Presbyterians, Methodists, Episcopalians, Congregationalists, Baptists, Evangelical and Reformed, Lutherans, United Church of Canada, as well as fourteen other denominations.

Divided geographically, the students come from 37 states, six foreign countries and the Territories of Hawaii and Puerto Rico. This last group is represented by 26 students from Canada, China, Brazil, Hungary, Japan, Puerto Rico, and Hawaii.

Under the presidency of Dr. Henry Sloane Coffin, the faculty embraces such prominent American churchmen as Dr. Harry Emerson Fosdick, Dr. Reinhold Niebuhr, and Dr. James Moffatt, translator of the version of the Bible which bears his name.

Are you a War Saver? If not, why not?

GENERAL NEWS AND VIEWS

Daylight Saving is now everybody's time.

The district had the heaviest snow-fall of the winter on Saturday.

The snow resulted in a heavy "ski traffic" on Yonge Street for the week-end.

The hunting season for foxes in this district has been extended to March 15th. The extension does not apply to rabbits.

The bear saw his shadow on Candlemas day and crawled back in the hole for another six weeks. Walking to church Sunday morning we decided he made a wise decision.

It is both selfish and foolish, comments the Trenton Courier-Advocate, for anyone to hoard sugar. It has been made plain that there is no scarcity of sugar in Canada — the purpose of rationing is to conserve the supply so there will be no scarcity. The surest way to create a scarcity is to purchase large supplies that are not needed.

A "go-to-church" campaign is now under way in North Toronto. Every community could stand one. There were a lot of people who weren't in church last Sunday, who if they died today would want the minister to preside at their funeral.

An Orange celebration will be held this year in Woodbridge.

Newmarket council at its last session passed a by-law providing that members of the municipal council be paid. The Mayor will receive \$300 per annum and the members \$5 per meeting to an amount not exceeding \$125.00.

A. Gordon Nairn was the guest speaker at the North York Victory Loan committee dinner at Pickering College, Newmarket last Friday evening. "Buy a Share in Victory," said Mr. Nairn in urging an "all out" support for the second Victory Loan.

Hon. P. M. Dewar, Ontario Minister of Agriculture, has issued a warning that rationing of bacon may be expected within the next few months.

Andrew Murdison of Richvale has bought the Newmarket residence of Miss Annie King. The new owner gets possession May 15th.

A resident of North Gwillimbury will appear in Newmarket Police Court February 17th charged with infractions of the Wartime Price and Trade Board. It is charged the party bought 300 pounds of sugar the day following announcement of the new regulations. If guilty the penalty should be severe.

Townships of Ontario this year must confine their expenditure to maintenance work. The province will not pay any subsidy on new construction.

Reeve Ross McMillan of North Gwillimbury has recovered after an attack of pneumonia which kept him from attending the January session of York County Council.

Among the prize winners in the \$15,000 worth of fur coats given by the Retail Furriers' Association was Mrs. Betty Jackson of Bradford, who won a con coat, and Mrs. W. H. Lunney of Woodbridge a white ermine jacket.

County Clerk R. W. Phillips was the recipient of a beautiful bouquet from members of York County Council Wednesday, February 4th, the occasion of his 82nd birthday. He has been clerk for the past 30 years.

A tremendous Snowy or Arctic Owl weighing eight pounds, and with a 6½" wing spread, was shot near Queensville recently by Harvey Smith of Toronto.

Ratepayers of Whitechurch Township will tender a complimentary banquet to Warden Earl Toole tonight, February 12th.

Mr. Stanley Hotchen, formerly of Aurora, is the new owner of Stone's Bakery, King City.

Two women, Mrs. C. J. Devins and Mrs. Vivian Wilcox are members of Aurora High School Board.

North York Township Public School principals who receive \$1800 per annum have asked for an increase to \$2000.00.

Not many municipal councils can boast a father and son as members. J. E. Coombs is reeve of Bradford and his son Victor is a councillor.

Up in Kincardine an issuer of radio licenses was fined \$5 for not having bought one for himself.

Elton Armstrong has been elected president of the Aurora Horse Show for the fourth year. The Horse Show will carry on this year.

York county council raised its grant to the Canadian National Institute for the Blind to the pre-depression figure of \$1,000. Last year the grant was \$600 and during the depression \$400.

The Institute is caring for 178 county blind persons, the councillors were told.

The annual convention of the North York Temperance Federation will be held at Newmarket Friday, February 13th. An address will be given by Dr. DeMille, secretary of the Ontario Temperance Federation.
