There is one beauty about writing a letter to a relative. A man never bothers himself to look up a word in the dictionary.

County Seed Fair At Woodbridge on Friday, March 13

York County's annual Seed Fair is being held this year at Woodbridge on March 13 under the sponsorship of the county Crop Improvement Association. This is the first time that the Seed Fair has been held there and this show along with the fact that Woodbridge has one of the most up-to-date cleaning plants in the province should interest farmers in better seed in that district.

The secretary of the association, W. M. Cockburn, urges exhibitors to have their entries to the Orange Hall early. A short tour of the seed cleaning plant will be arranged, and in the afternoon Professor J. E. Howitt will give an address on grain rusts and show slides on how the presence of the common barberry bush increases rust damage.

The prize lists will be mailed to all interested farmers in the near future announcing \$200 worth of cash prizes. Special prizes are being given by A. E. McKenzie Co. of Toronto to the two exhibitors with the greatest number of prizes.

The Woodbridge Agricultural Society is working to make this fair a success. John Kellam, Nashville, is the Crop Improvement Association President and Bruce Beer, King, Vice President.

Letters From Boys On Active Service

January 17, 1942.

Mr. Jack Smith, Editor, The Liberal:—

Hello Jack, thanks a lot for sending The Liberal. I have had two copies so far and enjoyed them very much. It is good to get news from home.

We have winter weather now, it has been real cold and right now where I am stationed there is about three inches of snow, but it is a relief after the rainy season.

Most of the fellows in the hut read The Liberal but one in particular asked to be remembered to you, Cpl. Ken Prentice of Markham. He knows nearly everyone in that part of Ontario.

I have just come back from a 48-hour pass to London. I took in nearly all the sights that I had heard so much about. It is sure a big city.

Thanking you again Jack, and I wish the paper and staff every success for 1942. I remain

Yours truly,
Bill Innes.

The Temperanceville community packed ten Christmas boxes for local boys serving in the army. The following interesting letter was received by one of the ladies recently:

January 13,
Army Service.

Dear Mrs. Phillips:— I received your most welcome parcel that you ladies sent us. We would like to thank you all so very much. It came January 12, a little after Christmas, but it is never too late for us. The night I got the parcel the boys and I sat around the fire, made tea and ate cake. We got some bread from the cook and made some toast.

Your parcel was in good condition when it got to us; the canned goods, cake, chocolate and cigarettes. So I would like to thank you all again for the parcel on behalf of the boys and myself. We wish you all the best of luck for 1942.

Cheerio to all the ladies, from boys and myself.

Gunner P. Geddes, B1964,
11th Bty. B.H.O.

12th Field Regiment,
Royal Canadian Artillery,
Canadian Army Overseas.

Apparently the soldier boy shared his parcel with his buddies and we say, "God Bless Them Everyone."

COME ON CANADA!

There has been no profiteering in this war; the government is skimming off the excess profits due to war activities; extremely heavy taxes have been laid upon us—taxes such as we never dreamed of before the war; but still money is needed. In such times as these it is good for the country that there are moneyed men and moneyed companies and corporations who come forward and take large blocks of the new loan.

But even this will not meet the need. The great mass of the people must come forward with their money to equip our forces and pay for the sins of war, for modern war is expensive.—Simcoe Reformer.

Buttonville

For a good game of Euchre and a chat with your neighbour come to Buttonville Hall on the night of Monday, February 23rd. The Institute are having a euchre and freeze out and the usual good prizes are offered.

We are glad to report that at time of writing Mrs. C. Burr who has been quite ill, is slightly better.

The Red Cross Tea originally planned for Saturday, February 14 was postponed until the following Saturday, February 21st. It will be held at the home of Mrs. Newson just north of Buttonville; an exhibition of work, a baking sale and a white elephant sale are features of interest. A splendid program (Mrs. S. English and Mrs. A. Stephenson are in charge) will be provided. Time 3-6 and 7-10 afternoon and evening.

The Red Cross Euchre held Monday night in Buttonville Hall was quite a success in spite of the bad roads and fog. Prize winners were: Ladies, Mrs. J. McQuay, Mrs. A. Cox, Mrs. E. Hill; Men, Mr. R. Glover, Mr. B. Nichols, Mr. K. Stotts. In the freeze out first prizes went to Mr. C. Hooper and Mrs. B. Nichols and second prizes went to Mrs. J. McQuay and Mrs. C. Hooper. The running prizes went to Mrs. Wm. Clarke and Mr. Hill.

In the death of Mrs. R. L. Stiver (Laberta Duncan) the communities of Buttonville and Unionville have lost a leader and friend. Her death occurred on Wednesday, February 11 in Lockwood Clinic, Toronto, where she had undergone an operation. Mrs. Stiver was in her 61st year and a lifelong resident of the district. She was a leader in church work and had been the continuous, faithful and energetic president of Brown's Corners Women's Missionary Society for 27 years. On the day before her last illness she entertained the ladies of the congregation for the annual meeting of the W.M.S. as she had done for many years. She was again re-elected president. Her Sunday School class held a very special place in her heart and her teaching and influence has inspired the lives of many young women who have been going out from this church and community. Being an active member of Buttonville Red Cross Unit and Women's Institute, she was also a member and had been president of Unionville Institute as well. President of the Unionville Horticultural Society last year and in previous years, she will be greatly missed by that organization. Mrs. Stiver also took great interest and was a helper in the work of the Children's Aid Society. Her beautiful gardens were a delight to the community. The annual garden party of Brown's Corners United Church for years past was held at her home.

DANCE AT VELLORE

The annual Dance and Euchre of the Vellore Senior W.I. will be held in the Memorial Hall Friday, February 27th commencing at 8.30 p.m. D.S.T. Art West's Orchestra; Ernie Evans, floor manager. Lunch will be provided. Admission 50c. Mrs. J. Watson is president of the Institute and Mrs. E. Harris is secretary.
