**Raise Chicks Early
Says Poultry Expert**

Buy February or March chicks rather than late May or June, says J. H. Pettit, O.A.C., Guelph.

Plan your poultry program this spring to raise your chicks early says J. H. Pettit, Poultry Department, Ontario Agricultural College, Guelph. Order your chicks at least a month in advance. If hatching your own chicks start as soon as possible. Buy February or March chicks rather than late May or June, he advises.

It is not possible for everyone to raise chicks early in the season but it is an established fact that late hatched chicks do not grow as fast as early hatched chicks. Records have shown the mortality rate is lower for early hatched chicks, than those hatched later in the season. They have the advantage of starting their brooding period under more ideal climatic conditions. Chicks do not grow as well during the hot summer months.

The early hatched chick is able to make the best use of the tender nutritious green feed. This helps to lower feed costs. Stronger, healthier pullets are placed in the laying houses from the early hatched chicks. They start to lay earlier and this insures larger eggs during the fall months when the higher prices prevail.

Cockerels hatched early in the season can be marketed during the summer or early fall. More prolific gains can be obtained because of the faster growth. Marketing can be carried on in an orderly manner over a longer period of time. The early pullets will come into production soon enough to help fill the 1942 egg contracts for Britain, Mr. Pettit states.

**Vegetable Seeds
Arrive in Britain**

Federated Women's Institutes of Ontario send two tons to British Women's Institutes for early spring planting.

A large shipment of the two tons of vegetable garden seeds being sent by the Federated Women's Institutes of Ontario to the British Women's Institutes for early spring planting, has arrived safely in Britain, according to the officials of the Women's Institute Branch, Ontario Department of Agriculture, Toronto. The seed cost \$2,000 and will augment to a considerable extent Britain's fresh vegetable output this year. Several Horticultural Societies, including Welland and those in the Ottawa Valley, contributed generously to the fund.

Recently the Federated Women's Institute of Ontario have presented \$500 to the Chinese War Relief fund, the money going direct to Mme. Chiang Kai-Shek for distribution.

Final figures show that the Ontario Red Cross Society has shipped 233,232 pounds of jam overseas, the result of a joint effort of the Women's Institutes and Red Cross. The total for Canada was 460,588 pounds.

Reports of local Women's Institute Branches show that \$97,024 was raised for war work. Branches are working through the local Red Cross, the Navy League, the Salvation Army or local patriotic organizations. Members have sewed 107,466 garments for civilian and hospital use, and have knitted 124,724 articles.

Every district has its special local undertakings. Included in these was the pickle shower for Camp Borden by Grey County Institutes through which 3,000 pounds of pickles were sent to grace army dinner tables. Peel County members mend and sew for a school of British war guests, while Kent county members sent two canning machines to Kent, England. Eastern Ontario sent a generous supply of maple sugar to the Navy League while Kenora members turned in enough old woollens to have 120 blankets made for shipment to Britain. South Renfrew County Women's Institutes have raised \$521 for a Spitfire-fund in England.

Two mobile kitchens contributed for overseas by the Women's Institutes of Ontario have been doing magnificent work in two large British centres, according to Col. Scott of the Red Cross Society, overseas. There are 40,000 rural women who are members of Women's Institutes in Ontario.

Teston and District

A meeting was held in the church recently for the purpose of organizing a Young People's Union.

Everyone in this district were deeply sorry to hear that George Davis was killed in action overseas. His parents, Rev. D. and Mrs. Davis received word on February 12. Mr. Davis was pastor on the King-Teston-Laskay charge for 11 years. He left this charge for Stouffville last July. Everybody extends their deepest sympathy to the Davis family.

Judging from the number of sales around this part of the country there is going to be a large amount of vacant farm land this year or else a number of new neighbours.

The Sr. Institute are holding a euchre and dance in Vellore Hall on February 27. Art West's Orchestra, Ernie Evans, floor manager.

Mrs. J. Ireland of Aurora is visiting her daughter Mrs. Wm. Bryson. Miss Agnes Bryson has returned home from the General Hospital after undergoing an operation.

Vellore Red Cross Unit are holding a euchre party at Mr. and Mrs. D. Julian's home on February 23rd. Come one and all to help a good cause.

KEEP 'EM ROLLING

VICTORY BONDS

To us as individuals and to us as a nation there is nothing more vital than our war effort. Upon a successful outcome of the struggle is based all our hopes and plans for the future. No other investment therefore, that we can make with our money, holds promise of rewards so rich in security and happiness as does the Victory Loan.

This space donated by MASSEY-HARRIS CO., LTD.

Newtonbrook

A number from here attended the funeral last Tuesday of the late Mr. W. O. Duncan at Emery. We extend to his widow and relatives our heartfelt sympathy.

Miss McCutcheon is a guest this week of Miss M. Alexander.

Among those who attended the North York Temperance Convention at Newmarket United Church last Friday were Rev. A. H. Halbert, Mr. A. W. Galbraith, Mr. and Mrs. Murdie Campbell, Mr. H. Smith, Misses Dorothy and Reta Hurd, Miss Hazel Campbell and Wilma Adair.

Miss Jean Lockhart has recovered sufficiently to leave St. Michael's Hospital after an appendix operation and is convalescing at the home of her aunt in Toronto.

Mrs. Clarence O. Bales was hostess to the Auxiliary of the W.M.S. last Tuesday afternoon at her home, 20 Avondale Ave., Lansing. Mrs. A. W. Galbraith presided and led in the devotional exercises, the theme being "The Bible". She stressed the need of the study of the Bible in the home. Mrs. Stuart Saver sang a solo very acceptably. The study book chapter on China was very ably reviewed by Mrs. C. O. Bales. Mrs. A. H. Halbert closed the meeting with prayer. The next meeting will be held on March 17th.

The Girls' Mission Circle held a St. Valentine Social on Tuesday evening at the Parsonage.

The Newtonbrook Group will meet on Thursday at 1.30 p.m. to quilt for the Red Cross.

The Earl Haig Collegiate Institute students will present an operetta on March 11, 12, 13 and 14.

The Y.P.U. of Newtonbrook United Church will present a play some time during March.

Rev. A. H. Halbert and Mr. A. W. Galbraith attended a meeting of Toronto Centre Presbytery at Leaside United Church last Tuesday.

Mr. Allan Smith of Emmanuel College gave an inspiring talk of his work on his summer Mission Field at Fort Stuart in Hastings County, about 150 miles north of Belleville, at the evening service at Newtonbrook United Church last Sunday evening. Mr. Hickson Smith, the Y.P.U. president, assisted him in the service. The people in this area have church services only four months in the year when it is served by students from Emmanuel College.

The Mission Band met last Saturday in the church school room with almost 40 in attendance. The opening exercises were conducted by the president, Jean Lippett after which Margaret McMillan, vice-president, took charge of the rest of the meeting. Billy Skelly assisted in the worship service. The study chapter was reviewed by Isabel Allard who told the story in her own words, which made it very interesting. Mrs. Halbert told the life story of "Kinjiro", the hero of peace, which was illustrated by beautifully colored lantern slides. The story of Saint Valentine was read by one of the members. Irene Cockels and Faith MacKay gave recitations. There was a post office and every member received a gaily colored Valentine. There were eight new members. After the meeting games were played and refreshments served. The next meeting will be held on Saturday, February 28th.

The Young People's Union met last Monday evening with a good attendance. The meeting was in charge of Ronald Johnstone and Harold Schmidt, the Citizenship Convenors who conducted the worship service. The meeting was then handed over to the Social Convenors, Misses Gladys and Thelma Riddell and Mrs. R. Round. Contests and games were enjoyed, followed by lovely refreshments.
