HITLER'S MARCH TO MOSCOW
When Hitler struck for Moscow,
The trek was hard indeed;
The mud bogged down his men and tanks
And somewhat slowed his speed.
So he waited till it froze,
Then massed his men and tanks
For great and mighty battles
Upon the Russian flanks.
Then just as he neared Rostof
From across a vast terrain,
The mighty Russian forces
Drove him back again.
The Russians, they were coming
Just like a solid bank,
So Hitler began to run
As his heart within him sank.
He did not think that Russia
Could put up such a fight,
But he really found out different
When it came to men and might.
Now Hitler knew 'twas best for him
To make a sudden flight;
'Twas time for him to count his dead
Which was an awful sight.
But now that he had turned for home
He left there in despair,
At first it was the mud, then cold
And then the Russian Bear.
And as he left that cold bleak place
His ears did really sting,
But he just thought he'd wait awhile
And come back in the Spring.
—Louise R. Elliott.

STOP THIS MENACE

THE MENACE of a hateful way of life casts its shadow across our homes. Victory Bonds will raise up a shield against it.

So buy Victory Bonds to the limit. We cannot be half-hearted while this danger threatens our very shores. Let us go full out now and give such vigor to our country's effort as to speed the day of victory.

This is the *least* we can do—to lend our money for our country's defence. Buy a share in victory today—buy Victory Bonds.

HOW TO BUY—Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000, and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.
