## SAVE FOR VICTORY

If every one of Canada's new army of wage-earners saves more, the country's effort toward winning the war will be greatly helped.

Every dollar you save means more labour and materials freed for making the war goods so urgently needed.

These savings, lent to the country in the purchase of War Savings Certificates or Victory Loan Bonds—lent to intensify Canada's war effort—will bring victory—and peace—nearer.

*To Save is Practical Patriotism*
