The Ladies' Aid met this week at the home of the President, Mrs. Rowland Keffer, when three new members joined the society. The president and Mrs. E. Huenergard furnished the program.

Rev. E. Huenergard last week attended the Spring Conference of the Synod held at Kitchener, Ontario.

The most important day of the coming week is Monday, April 27th, and the most important duty of every citizen of Canada on that date is to cast a vote.

The simple question asked the voters of Canada in the plebiscite is this:

"Are you in favour of releasing the Government from any obligation arising out of any past commitments restricting the methods of raising men for military service?"

This is no time to argue about the advisability of holding a plebiscite. The Plebiscite is a reality. The voting takes place next Monday.

This is no time to talk about the expense of holding the plebiscite. There is a decision involved in Monday's voting which if it goes the wrong way will be far more costly than the expense of the plebiscite.

The Plebiscite is one of the most momentous questions ever put before the Canadian people.

The enemy—a ruthless and powerful enemy—is at our door. Are we going to tie the hands of the administration charged with the responsibility for the defence of our country and the winning of the war? Make no mistake about it, that's what a "no" vote would do, and every vote not cast, is ultimately a "No Vote".

Some sections of Canada will be strongly organized for a "No Vote". It is therefore the Anglo-Saxon communities throughout Canada that must create the national majority. This is the responsibility of a riding such as North York. This is the responsibility of every voter in this community.

In the face of the known danger and activity that is detrimental to the war effort it is the duty of every citizen to vote. Volunteer workers are needed in every community. Get every voter in your community to vote and get him to vote "Yes".

A simple majority or the confidence that your community will register a "yes" majority will not do. The "yes" vote must be overwhelming if our war effort is to receive the momentum that our present peril demands.

Let's face the facts. Too often we hear: "I don't think I'll bother to vote, I'm busy that day." "I don't think I'll vote, I don't think a plebiscite is necessary." "I won't vote, I want to protest against the expense of the plebiscite." "I won't vote, it's too much bother." "I won't vote unless someone comes after me." "I won't vote, I don't want to get mixed up in this thing."

Citizens of York County, AWAKE TO THE CHALLENGE AND THE DANGER OF THE HOUR. Think of France, Norway, Holland, Belgium and the rest of an unprepared and indifferent world.

In Monday's voting Democracy is on trial. There is a polling booth in every polling division in Canada and all that is asked of the citizens is that they mark a ballot. Don't let Democracy down, don't let Canada down, don't let your home community down. Don't let apathy, prejudices or a soothing indifference prevent us in Richmond Hill and every community in this County of York from meeting this challenge as true and loyal Canadians.

May the voice of North York be heard next Monday with a "Yes" majority that will resound throughout all Canada. Vote on Monday, April 27th — and Vote "YES".

VICTORIA SQUARE NEWSY NOTES

On Thursday evening the Cemetery Board met with the church board to discuss business matters, at which meeting Mr. Robert Hopper handed in his resignation as treasurer of the cemetery board. Mr. Hopper has held this position for 18 years and only those who have had anything to do along this line know the time and trouble it takes. Mr. Robert Gee and Miss Bessie Hagerman also handed in their resignations. While these two have not been on the board as long as Mr. Hopper, they will be greatly missed just the same.

Will those who have pyjamas, etc. out belonging to the Red Cross please have same finished and handed in by May 6th at the work room. There have been several who have suggested that they were going to donate a few small articles. The committee in charge would appreciate these small gifts any time.

The Red Cross are planning on having a tea at Mrs. Reid Brumwell's about the middle of May. There will also be a showing of articles made up to the present time. Therefore the committee are asking for these articles so they can have a little time to arrange things for the best showing.

On Friday evening the W.A. held their supper in charge of Mrs. (Rev.) McKay. An excellent supper was provided and the play was well received by the large gathering present.

The regular monthly meeting of the Goforth Mission Circle will be held Friday evening, April 24th at the home of Miss Carroll Sanderson. All the ladies of the community are invited to attend whether they are members or not.

There were 39 present at the First Aid Corp lesson on Monday night with 34 signing up for the books. We are very sorry our doctor was unable to be with us, but Messrs. Nichols and Collins gave a full evening on bed making for a fractured leg and a person still under the ether.

On Sunday, May 3 the Evangelistic services start in our church, then continuing on through the week, Wednesday, Thursday, Friday evenings and again on Sunday, May 10.

Plan now to be present. The J.F.A. and J.W.I. have postponed their monthly meeting until May 12th owing to the Evangelistic services.

LIBRARY NOTES

The Library Board wish to publicly acknowledge the gift of books given by Dr. and Mrs. M. L. Laidlaw, Toronto, from the estate of the late Miss Page. Amongst this fine collection are two old historical books on York County entitled "York of Old" which will prove very valuable to the Library and community. They also wish to thank Mrs. W. Edmonds, Roseview Avenue, for her donation of books.
