**BUTTONVILLE**

The April meeting of the Buttonville Institute was held last week at the home of Mrs. Wm. Clark. Mrs. Clark and Miss Jessie Thomson were the hostesses. The president, Mrs. Russell Boyington, presided and the meeting opened in the usual way with the Opening Ode and the Lord's Prayer.

Announcement was made concerning the Institute District Annual which is to be held in Buttonville Hall this year. The date is May 26th starting at 10 a.m. On April 28th a work meeting is called for the ladies of the community for the purpose of cleaning the hall.

An interesting program followed. Doreen Stephenson and Doreen Boyington gave a pleasing piano duet and later Doreen Boyington favored, with a piano solo. Mrs. Redpath the district president, was speaker. Her topic was "New Industries of Canada". Refugees from war torn Europe had fled to Canada and have started industries hitherto unknown in our country. These industries are greatly helping in our war effort. Diamond cutting is now being taught to Canadian boys by an expert diamond cutter who is a refugee. Mrs. Redpath stressed the urgency of saving salvage.

Miss Jessie Thomson moved a vote of thanks to those who had helped in the program and after a social half hour the meeting adjourned.

Mrs. James Walker, accompanied by her son Earle, is home for a short visit.

Floyd Pratt of the R.C.A.F., stationed at Galt, was home for the week-end.

Three quilts were completed by the ladies of the local Red Cross at the work meeting held in the hall last week.
