### Lions' Are Busy Planning Events For Street Dance

Davies' Beauty Doll Dressed in Dollar Bills Joins Daisy in Working For Fund

Members of Richmond Hill Lions' Club are busy these days preparing for the big Street Dance and Carnival to be held here Wednesday, August 12th. Tuesday night the committee met and laid out the street for the midway and visitors this year will see some change in the lay-out from former years. All games and midway attractions will be at the south end and in addition to Bingo and the well known popular features there will be several new attractions this year.

"Daisy" the patriotic Holstein and her young daughter Daisy Jr. donated to the club by Lion Len H. Clement is proving a popular worker for the Lions' British Child War Victims' Fund. From everywhere there is a keen demand for tickets and sales are likely to reach large proportions by August 12th. If you want a ticket on Daisy they are obtainable at most Richmond Hill business places or from any member of the Lions' Club. People in distant centres may order tickets by mail from this office or any Lions' Club member.

The Lions' project on behalf of the British Child War Victims' Fund received a boost this week when Mr. William Davies generously donated a beautiful doll, dressed up in ten one dollar bills. Tickets on the Davies Beauty Doll may be obtained at Davies Dry Goods store at ten cents each or three for 25 cents. All the proceeds go to the Lions' British Child War Victims' Fund.

There has been a big advance sale of admission tickets on which there is a lucky draw with prizes totalling \$65.00. The first prize is a \$25.00 order on any store and the other five prizes are War Savings Certificates.

Music and vaudeville entertainment as in past years will be in the hands of Russ Creighton and his popular Variety Orchestra.

### "DAISY" THE PATRIOTIC HOLSTEIN HAS CLEAN BILL OF HEALTH

Just in case there are any doubts about the health and quality of "Daisy" the Patriotic Holstein, the prize in the draw for the British Child War Victims' Fund at the Street Dance Wednesday, Aug. 12th, the donor, Len H. Clement and the Lions' Club wishes it to be known that she is open for inspection at any time.

A couple of weeks ago "Daisy" gave birth to a fine heifer calf weighing 100 pounds at birth, and the calf goes with the cow to the holder of the lucky number ticket. The first advertising which stated "Daisy" was due to freshen in August was in error, as can be verified by her former owner George Street of Newtonbrook whose records show the cow due to freshen in July.

Daisy has been T.B. Tested and Blood Tested and has a 100 per cent clean bill of health. She is a fine quality cow and will be a creditable addition to any herd.

A Quebec buyer looked at Daisy and her calf Wednesday and made an offer of \$125. When he learned she wasn't for sale he bought a ticket in the hope he might win her.

### NEW WHITCHURCH POLICEMAN

George Dewsbury, of Vandorf, has been appointed a constable for the township of Whitchurch. He was sworn in this week by Magistrate W. M. Robinson at Newmarket. A part-time officer, he is the third member of the force. Chief Constable Robert Windson and Constable R. Yake are other members of the township police.

### TORONTO MAYOR OFFERS HELP TO YORK FARMERS

Hundreds of Civic Employees To Go Out on York County Farms To Help in Harvest

Mayor Dr. Conboy of Toronto announced this morning that a large number of Toronto civic employees will be released to help the farmers of York County in harvesting their crops. His Worship the Mayor in making the announcement made it clear to acting Deputy Minister of Agriculture L. E. O'Neil that there would be no remuneration expected from the farmers and that transportation would be provided for the men going to the harvest fields. They will leave the City each day at noon and would be ready to go to work at 1.45 or 2 p.m. according to the distance from the city. In most cases they would be willing to work until dark and all that will be asked of the farmer is to provide supper for the men.

Officials in charge of the farm help question expressed delight with the announcement of the Toronto Mayor and Alex MacLaren, head of the Employment Service and R. M. Duncan, head of the Agricultural Representatives for Ontario have called a meeting of Agricultural Representatives for tonight to work out the details. This meeting will be attended by York's representative, W. M. Cockburn, who has been most active in trying to help the farm help problem.

### BOWLING NOTES

Richmond Hill bowlers advanced into the finals for the Mackenzie King Trophy last Friday evening when they defeated Newmarket by one shot. Two Hill rinks lost by 5 shots, one was a tie and the veteran bowler Gar Yerex did the winning when he came through with a win of 11 over his opponents.

Last Thursday evening 26 members of Mimico club visited the local club and mixed with our members for two friendly games. The prize winning skips were G. Fuller, G. Buyer of Mimico and Mr. Vanzant of Mimico.

Monday evening despite the heavy rain eighteen members were present and the regular games were played. E. T. Stephens' rink was the victor after playing two extra ends to break a tie with G. Fuller's rink. The winning rink: Mrs. J. Martin, Miss M. Carter and E. T. Stephens skip.

Members of the Agincourt Club will be with us this Thursday evening and mix with us in friendly games. Please make a special effort to be on time, 7.45.

The annual tournament for the Mulock Trophy will be held Wednesday, August 5th at 2 p.m. All local bowlers wishing to play please hand their names to the secretary not later than Tuesday evening.

The "75 year olds" who challenged the world to a game of bowls in last week's issue have so far had no takers in Canada, and the gas rationing prevents the playing of games with the many acceptances of the challenges received from the United States and South America. However the 75 year olds skipped by Gid Moodie and coached and trained by George Ball still are hopeful of finding a taker in Canada. To help things along they will spot any challenging rink ten years, which means they will meet any rink of average age of 65 and play a game on the local green. The stakes may be fun, marbles or money.

While there are organized tournaments at the local greens only Monday and Thursday evenings, there is bowling almost every afternoon and evening. Drop down to the green any time and there's always congenial company ready for a game.

### Urge Increased Purchase of War Savings Stamps

North York War Savings Purchases In June \$29,000, An Increase of \$10,000

The people of North York, which includes all of York County north of Steele's Corners, purchased War Savings Stamps and Certificates to the amount of \$29,000 in the month of June, compared with purchases of \$19,000 in June 1941. This was announced at a War Finance meeting in Richmond Hill this week by H. L. Trapp, War Finance Committee organizer for the district. In May the purchases amounted to \$20,000, an increase of \$7,000 over May of the previous year. Figures for other months are, April \$22,500, March \$25,000, February \$28,700.

Organizer Trapp highly commended the local firm of H. J. Mills Ltd. for their splendid record of War Savings. Thousands of dollars worth of certificates have been purchased by firm employees under the generous and patriotic bonus plan inaugurated by the management whereby a bonus of \$1.00 in stamps is given when the employee pledges a like amount from wages. "I don't think there's a firm in Canada with a better record of War Savings activity than the Richmond Hill firm of H. J. Mills Ltd.," said Mr. Trapp.

While purchases in Richmond Hill and throughout all North York have been very gratifying it was pointed out these purchases must be increased if we are to pull our full share in financing Canada's war effort. The local committee will commence at once a campaign to encourage War Savings, and in the effort ask the co-operation of all citizens. It is hoped that every store and business place will have stamps for sale and already at least six local business firms have answered the request sent out by the Central War Finance Committee to co-operate in War Savings sales.

The local committee in charge of War Finance promotion work includes: J. R. Herrington, chairman; Dr. J. P. Wilson, J. A. Greene, Reeve T. H. Trench, James Pollard, P. E. Angle, Walter Scott, James Stewart, W. W. Trench, Rev. C. B. Brethen, Rev. Fr. F. McGinn, Rev. S. W. Hirtle, Rev. W. F. Wrixon, Walker Hall and J. E. Smith.

### HURT THRESHING

Fred Porter of Markham Township was treated in Toronto General Hospital this week for a broken right arm as a result of an accident when threshing.

### GROCERY SPECIALS

Week-end specials at Morley's, Richmond Hill's popular Self Serve Grocery appear on page five of this issue.

### VICTORIA SQUARE

Next Sunday, August 2nd the regular church service will be held at the usual hour of 3 o'clock when Dr. D. G. Ridout will be the guest speaker. The junior choir will lead in the service of song. Last Sunday Miss Connie Rumney and Master John McCague sang a lovely duet. Plan now to attend the summer services and thereby encourage the young folk and their leader Mr. Allan Reid for the time being spent in practice.

We are sorry to report Mrs. Lizzie Boynton is bedfast for a few days.

Dr. Freele gave a very interesting talk on Hemorrhages on Monday evening. Next week, August 3rd, owing to Civic Holiday there will be no class in First Aid. If there is anyone who would like to buy one of the War Emergencies Books for the small sum of 25c., we have a few extras, more than the class needs.

Mr. Donald Boyle, Mr. Bert Sanderson and Mabel visited Mr. and Mrs. Robert Mills in Bloomington last Sunday evening.

Mrs. Meekins and two children of Willowdale are visiting with her sister Mrs. Matheson.

Congratulations to Mr. and Mrs. J. Denne on the birth of a daughter.

We are glad to hear that Rev. McKay's son who is stationed at Montreal for awhile will be able to spend his week-ends with his parents.

A large number gathered at the home of Mr. and Mrs. Donald Pickering on Saturday to show a little of their respect and to extend best wishes to Mr. and Mrs. Gordon Morton (nee Eloise Perkins). As Gordon said in his few well chosen words of thanks, the presents were more like wedding gifts than shower presents. At the close of the regular shower Miss Bertie Forster read an address and Miss Marion Boston presented them with a nice end magazine table on behalf of those who have been attending high school and riding in the school bus. Mrs. Mortson also thanked all present for their gifts. After a hearty lunch the party broke up, wishing the happy couple all kinds of happiness and prosperity.

The J.F.A. will meet in the community hall Tuesday evening, Aug. 4th. Mr. Ewart Stiver of Unionville will be the guest speaker. Everyone welcome.

The Junior Institute will meet in the First Aid Hall Tuesday, August 4th. Dr. James and Mrs. Langstaff will talk on the "Feeding and Care of Infants". Owing to Monday being a holiday the regular first aid course will not be held Monday evening.

Wedding bells are again ringing in the community. Master Barry Collard is spending a few days at the lake.

Mr. and Mrs. Herman Fawcett of Sault Ste. Marie and Mrs. John King of Keswick were visitors at the Mortson shower on Saturday night.
