Forty guests were present. Euchre and other games provided the evening's entertainment. Mr. Jarrett cut the beautiful three-story birthday cake which was decorated with 80 candles. Among the guests were his sister Mrs. Jos. Patton of Tottenham and several nieces and nephews from Toronto, Kleinburg and Maple. Mr. Jarrett was born in Vaughan Township and farmed on the 7th and 5th concessions for many years. Since his retirement he has lived in Maple.

## \$800. War Stamps Sold At The High School Last Term

Immediately after the re-opening of school in Sept. 1941 the War Effort students' committee was formed and a school branch of the Junior Red Cross was organized.

A loan of \$50 from the Lions' Club was used to purchase a supply of War Savings Stamps for sale to students and to the public. Proceeds from the sale of salvage provided the 16th and last stamp to complete a student's book. Stamp sales took place weekly on Tuesday mornings and were so successful that, during the year, 100 free stamps were required for students' completed books and the \$50 loan was turned over often enough to make up a total of nearly \$800 of stamp sales. The loan was repaid with thanks June 1942.

Salvage was collected and sold to dealers. At intervals four loads were disposed of for over \$100 and the money used to send \$4 Xmas boxes to our 14 ex-students at that time overseas, and more recently \$1 cartons of cigarettes to 22 ex-students overseas in June 1942. Requests for a 10c. contribution from each student to the Russian Relief Fund and to the Chinese Relief Fund were met by forwarding \$18 or salvage money to each instead of collecting cash.

At the Xmas "Lit" meeting no gifts were exchanged, as the time-honoured custom is, but the money that would have bought them was collected for the War Effort. Profits from the February skating party were used for the same purpose.

The school Red Cross put on a tag day for the Navy League and realized nearly \$60 for that worthy cause. Local doctors and nurses gave the instruction in the Red Cross home nursing course. Fifty-three school girls completed the course successfully and have been granted official diplomas. Sewing and knitting, with supervision by teachers, was done after school and at home using materials supplied by the local Red Cross and machines kindly loaned by ladies of the village. All together 345 garments were made and turned over to the Senior Red Cross for distribution.

Members of the War Effort committee wish to thank the student body and the public for the willing help that made these undertakings possible. May their successors, next year, enjoy the same support and carry on with more and greater War Effort projects.

(Sgd.) Isabelle Orr, Pres.  
Marion Bowyer, Treas.

## MANY CROSSTIES USED BY CANADIAN NATIONAL

While experiments have been carried out with steel and concrete as railway crossties, wood continues to furnish the standard method of securing rails to the ground. The number of ties per mile of track on the Canadian National Railways rises to 3250 on heavy traffic main line, each 39 foot rail requiring 24 crossties. In an average year the railways of Canada and the United States install about 60,000,000 crossties.

## "DAISY" EARNS \$721 FOR LIONS BRITISH CHILD WAR VICTIMS FUND

Popular Patriotic Holstein Won By Dr. E. J. Henderson of Aurora — "Davies' Beauty Doll" Added \$141.85 to the Fund — Record Crowd Attends Annual Street Dance

"Daisy", the patriotic Holstein, lucky prize in a draw which featured Richmond Hill Lions' Club annual dance Wednesday evening was won by Dr. E. J. Henderson, Aurora dentist, with ticket number 1599. "Daisy" and her four weeks old heifer calf were the centre of attraction at the dance and sale of tickets to the Lions' Club by Len. H. Clement of Richmond Hill amounted to \$721. This (Thursday) morning before seven a.m. Mr. Clement, the donor of the cow called on Dr. Henderson to make good his offer of \$100 in cash if the winner didn't want to keep a cow. The Doctor accepted his offer and immediately made a donation of \$10 to the Lions' Club funds. Once again the owner of "Daisy", Mr. Clement, took her to market where she will go to the highest bidder and all she brings over the \$100 will be given back to the Lions' British Child War Victims' Fund.

Like "Daisy" the "Davies Beauty Doll", dressed in one dollar bills, proved a successful worker for the Lions' Fund, and the total receipts from the sale of lucky number tickets amounted to \$137.35. The winner of the doll was little Miss Muriel Bobyk, who is a proud girl this morning showing it to all her friends. The doll, dressed in ten one dollar bills was donated to the Lions by Mr. William Davies, who also was responsible for the sale of tickets prior to the dance and turned in over \$100. In addition to donating the doll, and making such a fine job of ticket selling, Mr. Davies added 25c. to the fund for every dollar's worth of tickets bought on the doll by those not members of the Lions' Club. This added another \$4.50 to the fund.

The dance set a new high record for attendance and money-making. All the booths and games were well patronized and while it is impossible yet to estimate the net proceeds of the night it is estimated that the profits will be the largest of any year in the history of the street

dance. The refreshment booth sold over 300 pounds of hot dogs, in addition to sandwiches, coffee, hot chocolate, soft drinks, etc.

For the eleventh consecutive year "Russ" Creighton and his band supplied the music for dancing and delighted the great crowd with a fine performance. Sally Miller, Radio's personality girl vocalist, was very popular with the crowd and her many numbers were much enjoyed.

The winners of the lucky number admission ticket prizes were: 1st, \$25 order on any store, won by R. F. Heslop, 19 Bansly Ave., Toronto, ticket No. 2262; 2nd, \$15 in War Savings Certificates, won by Phyllis Swartz, Elgin Mills, ticket No. 952; 3rd, \$10 War Savings Certificate, won by Phyllis Hoyle, Maple, ticket 2514; 4th, \$5.00 War Savings Certificate, ticket 2192, unclaimed; 5th, \$5.00 certificate, ticket 3211, unclaimed; 6th, \$5.00 War Savings Certificate, won by L. Baker, Wright Street, Richmond Hill, ticket 1192. Miss Toronto and Miss War Worker visited the Carnival during the evening on behalf of the War Finance Committee and were introduced to the crowd by J. A. Greene. The beauty contest winners were the centre of much interest and they assisted local "Miss Canadas" in the sale of War Savings Stamps, which were offered to the public in attractive buttonhole corsage designs.

The weather was ideal, the crowd the largest in years and the profits handsome all combining to make the event very successful and satisfactory. The Lions' Club are deeply grateful to the people of the district for their magnificent support of the project, and thank all who patronized the event, helped in manning the games, booths and gates, or in any way helped make it the success that it was. Especial thanks are extended to L. H. Clement, the donor of "Daisy", and William Davies, the donor of the doll. Their generosity and fine ticket selling job made a very substantial contribution to a very worthy cause.

## TRAVELERS BY RAILWAY ARE PARTIAL TO BEEF

As part of the requirements for the 2,269,000 meals served on Canadian National Railways dining cars during a year, 775,000 pounds of meat were requisitioned. Of this total beef in the form of loins, ribs and other cuts represented 360,000 pounds. Other meats cooked in dining and cafe car kitchens totalled 415,000 pounds, headed by chicken which contributed 135,000 pounds of that total. Breakfast bacon obtained from supplies available after overseas requirements had been filled was served to the extent of 80,000 pounds with ham a close second at 75,000 pounds.

## SUMMER COURSE STUDY IN PICTURESQUE TOWN

At any time Trois Pistoles is an interesting community but in summer it dons its Master's cap and becomes a seat of learning. During the holiday months the annual summer school for the study of the French language established eleven years ago by Western University, of London, Ontario, functions with a large number of pupils, many of whom come from points in the United States. Quite apart from that, Trois Pistoles is a pleasant vacation community on the main line of the Canadian National Railways, 142 miles east of Levis. It is also attractive to artists who find a wealth of material in the ancient settlement.

## WAR FINANCE COMMITTEE MEETING

A meeting of the Richmond Hill War Finance Committee will be held in the office of J. R. Herrington, Yonge Street, next Tuesday evening at 8 p.m.

## LOCAL COMMANDOS DOING GOOD WORK

Richmond Hill "commandos" have been busy during the past week answering the call for harvest help from the farmers of the district. About twenty-five local "townsfolk" have taken a turn in the hay and harvest fields and a check-up this morning revealed that to date about 200 acres has been "stooked" in addition to haying and threshing operations. This help, very much appreciated by farmers who with heavy crops are finding it almost impossible to get help, is continuing and gangs are being organized for Friday evening and Saturday afternoon. More help is needed, and all who can help are asked to contact Clerk Russell Lynett, phone 29. These "harvesting festivals" are outings which give real help to the farmers and genuine satisfaction to those who take part in them. Enlist today as a "commando" for the harvest.

## With The Veterans

Masters, Richvale; Jim Hunter, Jack Sanders, Bill Edmunds and Fred Sloan, Richmond Hill; Bill Pollard, Elgin Mills; Pete Waters and Al. Jones, Maple, and J. Varley, Carrville.

Some of the local boys have already answered the Government call for several thousand more recruits to the Veterans' Guard.

Our junior choir will sing. There will be no church service at Victoria Square, just Sunday School and Y.P.U. for the day.

Mrs. Ratcliffe and Miss Gamble had dinner with Mrs. Sanderson and Mabel on Tuesday.

Mr. and Mrs. Cecil Sanderson and family of Hamilton called to see his uncle on Friday evening accompanied by their sister Miss Mae Sanderson of Richmond Hill.

## BOWLING NOTES

Richmond Hill 75-year-olds are receiving so many acceptances to their challenge that it is likely they may soon start playing two games a day. This week the Veterans played a home and home game with an Aurora rink guided by 81-year-old skip Sisman. Twice they were on the short end of the score but enjoyed two very delightful games. Challenge acceptances have come in from North Toronto and West Toronto and every mail brings names of new "takers".

Winners at Monday night mixed games were F. Gilbert, Bert Smith and George Walwin skip. Several Toronto entries have been received for the mixed tournament Saturday afternoon for the Mrs. E. T. Stephens Trophy. A large number of local entries are assured and the tournament committee are hoping for fine weather.

Richmond Hill bowlers will visit Mimico Friday, August 21st. Cars leave the radial station at 7 p.m.

Local officials are planning for elimination games for provincial play-offs in the various events.
