Newtonbrook District News

Palms and pink gladioli formed the floral background at Newtonbrook United Church last Monday evening at 7.30 for a double ring wedding ceremony when Mary Margaret, only daughter of Mr. and Mrs. Glen Shaw of Drewry Ave. became the bride of Lance Corporal James Lorrie Hammond of the Scots Fusiliers of Canada, youngest son of Mr. and Mrs. George Hammond, Highview Crescent, Toronto. The Rev. A. H. Halbert officiated, assisted by the groom's brother-in-law, Rev. W. E. Wing of Toronto. Miss Bertha Smith played the wedding music. The bride, given in marriage by her father, wore a gown of shell pink chiffon over taffeta with insets of lace and a halo of pink rose buds and pink tulle illusion veil and carried a bouquet of red roses. Mrs. Raymond Round, matron of honor, Miss Loretta Dean, bridesmaid, and Miss Edith Mary Lyon, flower girl, wore Dutch gowns of taffeta with matching Dutch caps. Their frocks were in three graduating shades of pink and they carried bouquets of larkspur, rubrum lilies and cornflowers. Pilot Officer Elgin Ireland was best man. Pilot Officer Douglas Snowden and Lance Corporal B. Manson were ushers. At the reception which was held at Haddon Hall in Toronto the bride's mother received the guests wearing a romance blue crepe dress with wine accessories and corsage of gladioli petals in the wine shades. The groom's mother wore a misty gray sheer dress with violet accessories and corsage of gladioli petals. For her trip the bride donned a twinkle blue wool dress with matching hat, burgundy coat and accessories and corsage of gladioli and cornflowers. They left on a honeymoon to Eastern Ontario. The bride and groom are graduates of Toronto Normal School.

Miss Shaw, who is one of our popular young ladies was given several miscellaneous showers by her city and suburban friends prior to her marriage. A large number of her school pupils attended the wedding in the church. We join in wishing her a long and happy wedded life.

Arrangements are being made to hold the North York Horticultural annual Show on August 26 and 27 in Brown School, Willowdale.

At the monthly meeting of North York Horticultural Society held on Monday evening, Mr. Percy Bone of Thornhill and Mr. Ernest Krohler of the George McCullough Estate spoke on "Arranging Bouquets" and gave a demonstration. The monthly show was most interesting with entries for gladioli, basket of mixed marigolds, basket of mixed flowers, mantel vase arrangement, and arrangement of flowers for an invalid tray.

A young life was quickly snuffed out last Sunday afternoon while cycling on Yonge Street. Miss Ann Hyvernon, daughter of Mrs. Ann Hyvernon of Winnipeg was killed instantly at Newtonbrook when the bicycle she was riding was in collision with a motor car, and a girl friend, Miss Hewig Ludwickski who accompanied her on the bicycle was badly shaken up but escaped serious injury. Provincial Officer Howard Jackman of Richmond Hill stated both girls attempted to turn left on the double west lane in front of two cars riding abreast, also southbound. The motor car was driven by Mr. Clifford M. Smith of Spadina Road, Toronto. Coroner Dr. W. J. O'Hara of Toronto investigated. Miss Hyver-

non recently came to Toronto from Winnipeg and was living with a sister Mrs. Harold Duck on Hadley Road, Toronto. She is survived by her mother and sister Mary who live near Winnipeg, a brother Stephen of Parliament St. Toronto and a sister Mrs. H. Duck of Hadley Rd., Toronto. Provincial Officer Maurice Seaman of Thornhill assisted in investigations.

Some of our young people who were spending the week-end at Wilcox Lake witnessed the drowning of Stephen Tymchushyn, an 18 year old young man of Markham St., Toronto. Rowing back to shore in a boat he had rented he decided to jump out and swim to shore. He was seized with cramps and sank almost immediately.

Income Tax is Fair to All

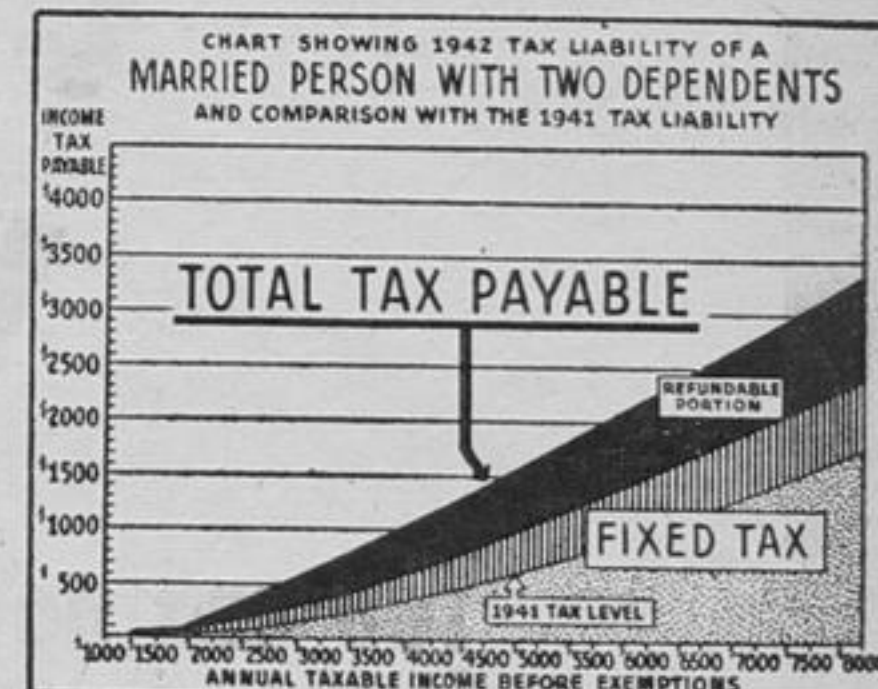

In the fourth year of war, Canada will need almost four billion dollars. This is the equivalent of nearly \$350 from every man, woman and child in the country.

Even with the highest income tax in history, 52% only of the money Canada needs will be raised by taxation. The rest will have to be borrowed by means of War Savings Stamps, Certificates and Victory Bonds.

Starting with the first pay period in September representing September earnings only, your employer is required by law to deduct your income tax from your wages or salary, and send it promptly to the Government. Everybody will pay his share as he goes along.

It's going to be tough . . . but not too tough! Here are some good features:

1. You will pay as you earn, so that you will not be faced with a large lump sum payment next year.
2. The National Defence Tax already deducted during the first 8 months of this year has been taken into account in the Table of Tax Deductions.
3. Though the income tax rates show a sharp increase over last year, a large portion of this increase is actually savings, to be paid back to you with interest after the war.
4. The money you are paying for life insurance premiums, annuities, principal repayments on your home, or into a pension fund may be deducted (up to a certain maximum) from the savings portion of your income tax. In many cases this may be sufficient to make payment of the savings portion of the tax unnecessary.

Unless you are single, without dependents, and not making payments of the types mentioned in paragraph 4 above, you should file Form TD-1 with your employer. Otherwise, you may not be allowed the credits to which you are entitled. DO NOT DELAY. File Form TD-1 with your employer at once so that you may get the full allowances from the start.
