**IN MEMORIAM**

HOOD—In loving memory of "Our Betty" who was called away from us so suddenly on September 3rd, 1941.

—Lovingly remembered by mother, dad, sister and brothers. Come to my heavenly garden And see in perfect bloom, The flower you loved so dearly, And thought that I plucked too soon. Then you will know it not today Why in her promising womanhood I took your darling away. Then the buds from the earth transplanted.

For our coming watch and wait In the upper garden growing Just within the pearly gate Though our hearts may break with sorrow.

By the grief so hard to bear We shall meet her some bright morning

In the upper garden there Always remembering her happy smile.
