## Memorial Service For Pte. Geo. Adams

Citizens of Richmond Hill and district joined in proud tribute to Pte. George Adams, son of Mr. and Mrs. W. J. Adams, Yongehurst Road, reported believed killed in action at Dieppe, at a memorial service held in St. Mary's Anglican Church Sunday afternoon. The church was filled to overflowing and the memorial service conducted by the Rector, Rev. W. F. Wrixon was an impressive community expression of sympathy to the bereaved family, and a fitting tribute to the noble sacrifice of a gallant son. In the service the Rector coupled with the name of Pte. George Adams, the name of Pte. Ernie Goode, a former resident here, also reported killed in action at Dieppe.

Members of York County Veterans Association attended in large numbers, and in addition to members of Vaughan and Richmond Hill branch of which W. J. Adams, father of the late Pte. George Adams, is the president, there were representatives from all other branches in the County. The Rector expressed the regret of Col. the Hon. W. P. Mulock, President of the County Veterans Association on his inability to be present. He had planned to attend but had been suddenly called away, and sent his sincere expression of sympathy to the bereaved family.

The large gathering which was representative of the entire community included Morgan Baker, M.P.P. for North York and Mrs. Baker, Reeve R. W. Scott and Deputy Reeve Boynton Weldrick of Vaughan, Reeve T. H. Trench of Richmond Hill, Ben F. Cox of Toronto, Secretary of the York County Veterans Association and many others prominent in the Veterans organizations of the district.

The ceremony opened with the singing of the hymn "Nearer My God to Thee" after which the Rev. W. F. Wrixon paid an eloquent tribute to the men who gave their lives at Dieppe. "History will show this to be the turning point in the war," he said, "and it is a matter of profound pride that in this important action so many of our North York boys took part." The Rector said that recently someone had remarked that North York was hard hit by Dieppe. "I rather like to think," he said, "that the enemy was hard hit by North York at Dieppe." This is another glorious chapter in the history of Canada, indelibly marked with the blood of Canadians who paid the supreme sacrifice. We are here today and Canada and the Empire lives, and will live because there are young men like Pte. George Adams and Pte. Ernie Goode who are willing to die if need be to preserve the freedom of the world.

The singing of "Abide With Me", the playing of the Dead March in Saul, and the sounding of the Last Post concluded the impressive ceremony.

## Salvage Notes

The committee regret if by collecting at an early hour last Monday any convenience was caused our citizens. We understand some salvage was put out after the collectors had passed and this had to be carried in and held for the next collection on September 21.

On that date the collection will not begin until 9 a.m.

The Happy Thought range has not yet been disposed of. This is a large range in fairly good condition and would be very suitable for a summer kitchen on a farm. The price is only \$3.00. We have been offered this much by purchasers of old iron but we would regret to see it smashed up as useless when we feel it could be of good service to someone for years. If however no purchaser appears before our next shipment of metals it will have to go as old iron as our storing space is crowded and we need the room.

# "SALADA"

Something sings gently thru the din of battle,  
Something spreads very softly rim on rim,  
And every soldier hears, at times, a murmur  
Tender, incessant, dim.

I like to think that soldiers, gaily dying  
For the white Christ on fields with shame sown deep,  
May hear the tender song of women's needles  
As they fall fast asleep.
