## NORTH YORK MEMBER VISITS THE TROOPS

Canada's postmaster general, Hon. W. P. Mulock, this week visited Canadian troops in their southern England camps and was given a ride in a lumbering Churchill tank.

The North York member spent the day travelling from camp to camp after being greeted by Lt.-Gen. H. D. G. Crerar. From a hillside he watched an artillery regiment drilling under a barrage of live shellfire and ended his visit by chatting with some of the men who fought at Dieppe.

## FIRE IN ROSEVIEW AVE. HOME CAUSES EXTENSIVE DAMAGE

A fire which broke out at about ten o'clock Tuesday morning did extensive damage to the home of Mr. Russell Brillinger, Roseview Avenue. No one was home at the Brillinger residence and the fire was first noticed by neighbors who sent in the alarm. When the firemen arrived the flames had gained considerable headway and the rear part of the house was almost completely destroyed. The local brigade did excellent work in saving the structure and in carrying considerable of the furniture from the house. The damage to the house was extensive and much of the furnishings are a total loss. A dog in the kitchen was suffocated before the firemen arrived which gives some indication of the headway gained by the flames. The cause of the fire is presumed to have been from the kitchen stove. The sympathy of the community is extended to Mr. and Mrs. Brillinger in their loss.

## Takes Train Instead Of Plane and Dies In U. S. Rail Crash

Brother of Mrs. R. D. Little of Richmond Hill

Mrs. R. D. Little, Vaughan Road, received word on Sunday last of the tragic death of her brother, John E. Maconachie, who perished in the wreckage of a Pullman at Dickerson, Maryland, last Thursday morning.

Mr. Maconachie had left his home in Hamilton last week to deliver a paper before the National Steel Institute of Pittsburgh. He had intended, after giving the address, to take a business trip by plane to Washington, Montreal and Ottawa before returning to Hamilton. He apparently boarded a Baltimore and Ohio sleeper at Pittsburgh on Wednesday night after his plane reservation had been cancelled in favor of someone of a higher priority rating. Thirty-five miles from Washington, D.C. a Detroit express plowed into the rear Pullman and tossed it into the pathway of a speeding freight on the adjoining track, bringing death to all but two persons in the sleeper.

An Arts graduate of the University of Toronto, Mr. Maconachie was for seven years a research fellow of the Ontario Research Foundation. He had specialized in chemistry and at the time of his death was assistant to the President of the Coal Carbonizing Co. of St. Louis. He was sent to Hamilton four months ago in charge of organizing the installation of a new gas plant, under the direction of the Dept. of Munitions and Supply, and his appointments in Washington were for obtaining the necessary priorities to obtain material for this plant.

Mr. Maconachie was but 34 years old. He leaves a wife and two boys aged 8 and 4. He was the younger son of Rev. Canon and Mrs. G. R. Maconachie of Toronto. The funeral service will be held in Grace Church-of-the-Hill, Toronto, Friday at 12.30 noon.
