NORTH YORK VICTORY LOAN COMMITTEE

From a circular published by the American Government the following is taken: "Britain's armies have fought ten campaigns and garrisoned strategic bases such as Iceland, Malta, Gibraltar, India and the Middle East. Britain's fighting forces have suffered 183,500 casualties, 71 per cent of all the Empire's dead and wounded. Britain's navy,

with never less than 600 ships at sea, has sunk 5,520,000 tons of enemy merchant shipping, and convoyed 100,000 United Nations' ships with loss of only one-half of one per cent of those convoys. Britain's air force fought and won the greatest air battle in history; its coastal command has flown more than 50,000-000 miles."

#### MASQUERADE DANCE AT MAPLE FRIDAY, OCT. 30TH

# SELF DENIAL WILL HELP TO PAVE THE PATH TO VICTORY!

\* The defeat of Axis plans for a "new order" calls for a new order in the manner of living of every Canadian.

Rigid self-denial on our part will mean more and better equipment and greater fighting power for our troops, and fewer lives lost in battle. It will also mean a greater measure of protection for those of us who remain on the home front.

Let us meet this greatest of all National Emergencies with true Canadian courage. Let us, for a while, give up all luxuries, all needless spending. Let us work harder, save more and put every dollar we can into Victory Bonds, to train and equip more and more soldiers, sailors

airmen to shorten the war. Let us practise real self-denial — always remembering that the most we can do is far less than they at the battle front must give.

In everything we plan and do, let us be guided by the knowledge that, "Nothing matters now but Victory!"

### UNIONVILLE

The October meeting of the Unionville branch of the Women's Institute was held at the home of Mrs. F. Atkinson. Attendance, 19 members and one visitor present. The business session was conducted by the president. A copy of the resolutions to be passed on to the Area Convention was received by the secretary and read item by item and voted on by the members. Mrs. A. Hood was appointed delegate to attend convention in Toronto the first week in November. A committee was appointed to look after the ditty bags and have them ready by the appointed time. Mrs. A. Hood, Mrs. C. H. Stiver, and Mrs. H. Stephenson in charge. A post card shower was sent to Mrs. G. Braithwaite who is ill in Brierbush hospital, Stouffville. The euchre, which was held on September 17th was a splendid success, a cake donated by Mrs. F. Atkinson, proceeds of which amounted to \$4.17, admission to euchre and donations, \$18.95, total \$23.12. The members of the W.I. wish to thank all who helped in any way to make the evening a pleasant one. The next meeting will be held on Nov. 4th—a day earlier in order all that possibly can will attend the Convention. A very splendid address was given by Mrs. Russell Brown on Citizenship and was presented in her usual capable manner. A discussion followed which proved very helpful. The meeting closed with the National Anthem. Hostesses—Mrs. Sabiston, Mrs. R. Duffield and Mrs. Lounds.

At great risk the valiant knight had rescued the fair maiden and, now, he was holding her in his arms. "Listen, big boy!" she said. "You're not holding me for ransom, are you?" "Not me!" replied the knight. "Let Ransom get his own women."
