King Township District News

The Orange Hall of King has been sold and the site is being used for a dwelling house. The Hall stood for a number of years and housed proceedings of the King Orange Lodges. Lately it belonged to Howard Egan. A dwelling will be an improvement and adds to the already growing building operations in the village.

Members of the tenth line and East King Presbyterian W.M.S. as well as associated auxiliaries of Section Four, will be interested to learn of the presentation of a Memorial Certificate of the Women's Missionary Society to Miss Georgina Cooper, in memory of her late mother, Mrs. George Cooper of Willowdale. The presentation was recently made at Willowdale Manse by Mrs. John Williams, former Presbyterian President. Friends and co-workers from Toronto, Thornhill, King and other points attended. Mrs. McClure, Sectional Vice-President, and Miss Alice Ferguson, both of King, were among those present. Mrs. Ellen Anderson was chairman. Mrs. Goldwin Smith, B.Th. of Toronto, gave an excellent scripture exposition. Miss Ferguson led in prayer and Mrs. Monroe sang a solo.

For more than 50 years, we believe, Mrs. Cooper served the interests of the W.M.S. in a most exemplary manner. She was formerly sectional vice-president and visited local groups on many occasions. She was president of Thornhill and Willowdale societies, the latter having named their branch as the "Anna Cooper" Auxiliary. Our experience from associations with Mrs. Cooper, and we venture to say it was the experience of her associates for long years, was the deep influence of her spiritual life. She emanated power and strength, and her quiet, gracious manner spoke much where words would oft times fail.

Mrs. Gibbs of Simcoe, Helena Gibbs, missionary to Manchuria, delivered the address of the afternoon.

Bud Rumble, R.C.A.F., of Sentinelior Training Centre spent the week-end with his parents Mr. and Mrs. Norman Rumble of Temperanceville.

Schomberg Women's Institute have donated seven wool blankets to King Township Red Cross Branch. Pieces of wool were turned in by members and manufactured by a textile company into comfortable grey blankets.

Mrs. B. Sinclair of Mount Albert, president of North York W.I. District will address Schomberg Institute Branch in November.

Nobleton W.I. Branch has opened up a Red Cross work room, using the kitchen of the community hall as a start. Two electric sewing machines will be loaned for the time. Thursday of each week will be work day. Mrs. Russell Snider, Red Cross convenor, will be assisted by Mrs. Nora Mayes and Mrs. J. Ballard. Officials feel this move will relieve the sewing heretofore done in the homes, to a great extent.

Temperanceville W.I. heard Mrs. Nelson Thompson in a report of the District Officers' Rally at the monthly meeting. Mrs. Stella Paxton was appointed delegate to the Area Convention at Toronto in November. Plans were made for packing soldiers' Christmas boxes.

King W.I. sent 23 boxes to overseas local soldiers recently. These are the Christmas boxes.

The Ditty Bag Shower at King W.I. was well patronized last week at the third annual birthday meeting. Miss Kitching of Aurora gave a practical lecture on Foods. Misses Donna Wilson and Freda Dent rendered piano solos.

Miss Jean Paxton of Laskay was honoured by a miscellaneous shower held in the Hall on Friday evening. The large attendance and fine gifts speak of the popularity of the bride-elect and her fiancée, Charles Hatley, both well known in the community. Friends from Maple, King, Eversley and other points were present.

Mrs. B. Badger of King, Mrs. L. Boys and Miss Helen Hunter of Laskay were the assistants and the gifts were found in a "wishing well". The program comprised a reading by Mrs. L. Boys; recitation by Wilfred Hodge of Maple; reading by Mrs. Harris of

Maple, and vocal solo by Florence Gordon of King.

Among the gifts presented to the lady of honour was a floor lamp from Laskay Dramatic Club in which Jean was a competent artist of note.

Eversley Presbyterian Church has an active W.A. and good support from its congregation and community. Within the last few months the roof has been painted, windows carefully frosted and painted and eave troughs extensively repaired. Other manse fixings have been attended to, and of course the unused shed disposed of. The grounds and cemetery are looking exceptionally well cared for thanks to the effort and interest of Jas. Tawse and Mr. and Mrs. Phillip Bridgeman. Doubtless the improvement is of interest to all dwellers in the Eversley community, as a grand old church, of such solid antique beauty—108 years old—is sometimes to be cherished. Our beloved Canada is growing older and looks back with pride on its pioneer institutions, among these our churches stand out.

Letters From Boys On Active Service

644757, W. R. Russell,
H.Q. 205 Group,
R.A.F., M.E.F.,
August 8th, 1942.

Dear Mr. Scott:—
Just a few lines to extend my sincere thanks to you, your staff and pupils for the two parcels which arrived yesterday. They were very much appreciated as our work these days is very long and tedious and a snack during our time off seems to hit the spot.

By the letters in the parcels I am going to have a hard job recognizing the Hill when I see it again. I have been away a long time, nearly four years now, and I will be glad when I can get out of this country with its intense heat, sand storms and flies. There was one time when I never saw any civilization for eighteen months, but I am a little bit better situated at the present so I really can't moan.

I will have to say cheerio as duty calls once more.

Yours sincerely,
Roy Russell.

WE'RE GOING TO NEED SO MANY THINGS WHEN THE WAR ENDS ... things that are hard to get now

Every day, almost, we find that something else is getting scarce. So often, we are told "they're not making it any more". Factories are making guns instead of ploughs, tanks instead of tractors, planes and shells instead of stoves and beds. We'll have to replace so many things when the war ends ... things we can't buy now.

MONEY INVESTED IN VICTORY BONDS

will provide the cash to buy them

TWO WAYS TO BUY VICTORY BONDS NOW

—with Cash

... in one lump sum, with money we have saved. There is no safer investment ... no better way to protect our savings.

Or—we can buy bonds and pay for them through our banks in monthly instalments. As the instalments come due the bank will charge them to our accounts.

—with Produce

Farm folk can pay for Victory Bonds in another, convenient way—by using the "PRODUCE FOR VICTORY" TICKET. By simply signing a "Victory Ticket" you can authorize those who buy produce from you to send all or part of the proceeds to the War Finance Committee to buy Victory Bonds for you. (Ask your local War Finance worker for details.)

WHAT A VICTORY BOND IS

Look at a dollar bill. A dollar bill is like a bond. It's a promise to pay to the man who has it. You get bills when you sell things and pay them out when you buy things. A Victory Bond is "a bill" intended to be saved. When you keep a \$100.00 Victory Bond for a year you receive an additional \$3.00. (3% interest). Buy all the Victory Bonds you can—lend money to Canada to help to win the war. Save your bonds to have money for things you'll need when the war ends.
