VILLAGE OF RICHMOND HILL

Treasurer's Sale of Lands in Arrears of Taxes

By virtue of a Warrant issued by the Reeve of the Village of Richmond Hill dated the 18th day of July 1942 and to me directed, commanding me to proceed with the collection of arrears of taxes, together with the fees and expenses, I hereby give notice that the list of lands liable to be sold has been prepared, and is being published in the "Ontario Gazette" under the dates of September 5th, October 3rd and November 7th, 1942, and that, unless the said arrears of taxes and costs are sooner paid, I shall, on the 18th day of December 1942 proceed to sell the said lands to discharge the said arrears of taxes and the charges thereon.

The sale will be held on the above date at the hour of ten o'clock in the forenoon in the Municipal Hall in the Village of Richmond Hill. Copies of said List may be had at my office.

RUSSELL LYNETT, Village Treasurer.

Dated at Richmond Hill August 3, 1942.

Township of Vaughan Tax Sale Notice

Copies of the list of lands for sale for arrears of taxes may be had in the office of the Treasurer, J. M. McDonald, Maple, Ontario. The list of lands for sale for arrears of taxes in the Township of Vaughan was published in the Ontario Gazette on the first day of August 1942.

Notice is hereby given that unless the arrears of taxes and costs are sooner paid, the Treasurer will proceed to sell the land on the day and at the place mentioned in such list published in the Ontario Gazette. The date of the sale named in the said list is the fifth day of November 1942 at ten o'clock a.m. The sale will take place at the Township Office, Maple, Ontario.

HEAVY LOSS IN POTATO CROP DUE TO LATE BLIGHT

Average Yield of Late Crop Will Not Exceed 50 Per Cent Normal — Fall Pastures Good — General Report on Crop Conditions Throughout Ontario

Wet weather which was general throughout Ontario during the greater part of September proved helpful for the growth of pastures, turnips and mangolds but delayed the maturing of other late crops, interfered with the seeding of fall wheat and retarded the harvesting of dry beans, soybeans, corn for silo, potatoes and buckwheat. At the first of October pastures were reported in excellent condition in practically all sections of Old Ontario and were in much better condition in Eastern Ontario than a month earlier when drought effects were quite apparent. Turnips and particularly mangolds grew well during the month and most fields promise good yields notwithstanding the lateness of planting and slow early growth this season. The yield of potatoes has been reduced severely by leaf hopper damage, frost injury and late blight.

Frost on September 6th caused the loss of an estimated 6,000,000 pounds of flue-cured tobacco, and heavy killing frosts which were general throughout the province on Sept. 28 affected in varying degree such crops as buckwheat, soybeans, tomatoes, corn, potatoes and other tender garden crops. Tomatoes and some late fields of buckwheat suffered heavy damage and late varieties of soybeans were injured to an as yet undetermined degree.

The threshing of spring grains is still proceeding in most counties and has been slow due to the wet weather in September and the shortage of labor. Spring grain that was seeded and threshed early is generally of excellent quality but in some of the later seeded fields and fields where the grain was left standing for stock threshing the sample is discoloured and somewhat poorer. Sugar beets have developed well

this season and the average yield is now placed at 10.5 tons per acre.

Potatoes—(Late Crop): Harvesting of the late crop in Ontario is well under way. The yields and quality vary in different districts. On lighter types of soil planting generally was done early and some districts have good yields with quality good, while on heavier types of soil planting was delayed on account of wet weather and such areas have poor crops.

In the southern counties of south-eastern Ontario where heavy rains occurred and plants were not well protected with Bordeaux heavy losses resulted from late blight. In the central and northern districts comparatively dry weather prevailed during the growing period and little late blight developed. Some heavy yields are reported in this section where leaf hopper and blight have caused heavy damage and yields are below normal. Frosts in September killed many fields throughout the Province and in many cases the late planted fields had not developed normal sized tubers.

The average yield of late potatoes will not exceed 50 per cent of a normal crop but a high percentage of the crop is of good quality.

The early crop, which was above average in yield and of good quality, was quickly absorbed as there was no carryover of old potatoes from the 1941 crop. The demand for the intermediate crop was also heavy and a ready market at fair prices prevailed. Waste should be avoided in preparing potatoes for the table in order that present stock may serve until the 1943 crop comes to market. Prices to growers are 25 to 30 per cent higher than at October 1, 1941.

There are substantial supplies of Certified Katahdins and Chippewas in Ontario and growers requiring good seed should make purchases immediately, otherwise much of this stock will be sold for table stock. There is little doubt that there will be a strong demand for certified seed next spring and supplies will be limited at that time.

BUTTONVILLE

Signaller Murray Walton, stationed at Sussex, N.B. is home for a few days on regimental leave. Pte. J. Hood, stationed at Brantford was also home for the week-end.

On Sunday, October 18th, Brown's Corners United Church had a very successful one hundredth anniversary service. Dr. Bates, returned missionary from Japan was unable to attend but sent in his place Dr. Russell, a returned missionary from India to take charge of the services. For the evening the joint choirs of Unionville and Brown's Corners furnished the music. Mrs. A. Stephenson, Mrs. R. Rae and Mr. E. Bruce were soloists.

We are sorry to report the death of Mr. Louis Kelly of Brown's Corners in his 69th year. The funeral services were from Wright and Taylor's undertaking parlors to Brown's Corners church on Monday afternoon of this week. Interment was in the church cemetery.

Buttonville Institute held its October meeting at the home of Mrs. McGimpsey on the 15th of the month. After the usual opening of the "Ode" and the Lord's Prayer Mrs. Walton, the leader for the project for the year, "Clothing Renovation", gave her report on the lectures she attended and announced that her first class in the Hall would be held on Thursday, October 22nd at 2 p.m. Non-members of the Institute are welcome. Those who wish to take this very useful project are requested to come to the Hall bringing with them two four inch squares of check gingham and also a piece of woollen goods which will fray.

Mrs. Maynard was the guest speaker. Her topic was one of great interest to all at the present time "War Time Prices and Trade Board". She pointed out to the group the necessity of seeing to it that we do not pay more for an article than we did in October 1941.

During the meeting Mrs. Dickson and Miss Martin entertained with music. Miss D. Stephenson moved the vote of thanks to those who had entertained.

On October 28th the W.M.S. are having a quilting bee in the church basement.

On Monday night, October 26th, a Community Party in the Hall for the purpose of raising funds for Overseas boxes will be held.

Our next meeting of the Red Cross Work Group will take place on Nov. 10th and our annual election of officers and report of the past year's business will be given.

A ship's passenger discovered he'd left his toothbrush in the washroom and hastened back to recover it, only to find another man using it.

"Pardon me, but that's my toothbrush you're using," he said. "Oh, I'm so sorry," exclaimed the other man apologetically. "I thought it belonged to the boat."

PUBLIC NOTICE

COURT OF REVISION

VILLAGE OF RICHMOND HILL

The Court of Revision for the Village of Richmond Hill will hold its First Sitting for the current year on MONDAY, NOVEMBER 2, 1942, for the purpose of hearing complaints and appeals against the assessment of the said village.

The Court will sit in the Council Chamber on the above date at 7.30 o'clock p.m., and all whom it may concern are requested to govern themselves accordingly.

RUSSELL LYNETT, Clerk.
Richmond Hill, October 15th, 1942.
