

# COME ON RICHMOND HILL

Richmond Hill's objective in the Fourth Victory Loan is \$100,000... an objective that is a challenge to every citizen.

Our boys overseas, facing death for us, never fall down on any challenge that is presented to them. WE MUST NOT SHIRK OUR DUTY AT HOME. If we fail to do our utmost, if we fail to buy all the bonds we possibly can, we are breaking faith with the brave boys who are giving their lives over there.

Back up our brave soldiers, sailors and airmen by investing in the safest security in the world today.

The drive soon will be ended. If you have not subscribed for as many bonds as you really can, please get in touch with your salesman or your bank right now.

Come on, Richmond Hill, they did it in Tunisia, we can do it here.

### GRAY COACH LINES

## "SEEMS I CAN'T SAVE ANYTHING.."

WE MET on Main Street. Jim had his usual ready smile, even when he got telling me how hard up he was.

"Seems funny," he said, "I'm earning more these days, but I just can't seem to keep it.

"Taxes, Victory bonds and all those other things coming off my pay."

He paused, then went on slowly.

"At least it seems as though I can't save anything. Actually, of course, those war bonds are my savings. I'm glad I've salted away a few of them. And you can count me in on the Fourth Victory Loan too!"
