Fine Horse Show Now Assured For The Annual Fair

Despite Late Season Entries
Numerous In All Classes

Richmond Hill's 94th annual Spring Fair will be held next Monday, May 24th. Although Victoria Day is no longer a national holiday, due to wartime restrictions, it has been declared a Civic Holiday in Toronto, Richmond Hill and most communities throughout this district, and the usual large crowd is expected to attend the annual Fair. Late seeding may interfere with the showing of some horses, but despite this handicap President R. L. Stiver and the directors have assurance that the showing of horses will be larger than last year. The entries in the saddle and hurdle events already are in excess of 1942.

The officers and directors have been busy for many weeks planning the day's program and all that is now needed for a record fair is a fine day. Such days have been rare this month but the prospects are bright for good weather on the 24th.

The attractions include a midway which definitely will be bigger and better than ever. A sheep shearing contest, children's hobby show and the Kansas Farmer whose songs and stories always please the crowd. At night the attraction is a monster Fair Night Hoe Wire with Billy Hole and his Live Wire Orchestra providing the music. In the arena at night too will be Bingo and other games, with half the evening's proceeds going to the British War Victims' Fund.

FIRE CAUSED AS ROCKET LANDS ON ROOF OF BUILDING

Rockets Banned in Village by Local Order

Boys playing with fireworks almost caused a serious fire in Richmond Hill this week. A rocket fell on the roof of the back shed at The Liberal Office and started a fire, which had not been noticed by our good neighbour Bill Neal soon would have reached serious proportions. A rocket also broke a window in the United Church, but fortunately no fire was started. These incidents and many complaints of citizens who have been bothered by boys with firecrackers and all kinds of fireworks has led to a stern warning against their abuse being issued this week by the local authorities. The sending up of rockets in the village is strictly forbidden and anyone who makes a nuisance with any kind of fireworks will be liable for prosecution.

Bill Neal happened to drive in his yard last Friday evening about 10 p.m. and saw the roof of the shed at the back of The Liberal Office in flames. He immediately sounded the alarm and called the fire brigade. Fortunately the flames were soon in check and no serious damage was done, but if the fire had not been noticed just when it was it would have been a serious conflagration. Life and property are too precious to be endangered by thoughtless persons who carelessly send up rockets and put off fire-crackers. It is hoped that the stern warning issued by local authorities will put a stop to this kind of nonsense for all time.

VICTORY GARDENS

At the regular meeting of the Richmond Hill Horticultural Society held at the home of Mr. and Mrs. Carl James the Victory Garden contest came in for considerable discussion. Owing to the unusual lateness of the season it was decided to make the deadline for entries July 1st and the judging to be done during July, August and September. The judges, Mr. Paul Angle and Mr. Carl James will look the gardens over once during each of these months.

On the motion of Mr. R. D. Little seconded by Miss Edythe Stewart it was decided that there be no limit to the size of the gardens other than that nothing smaller than 400 square feet would be considered and that there should be at least 8 varieties of vegetables.

Entries may be phoned in to the secretary, C. E. Little at phone 267 or 174.

SALE WELL ATTENDED

A large crowd attended the auction sale of cattle and hogs at None-kiln, the Vaughan Township farm of Group Capt. John Aird. Good prices were realized and bidders were ready and quick. J. Carl Saigeon of Maple officiated as auctioneer and the 51 head of cattle and 13 pigs were sold in two hours.

North York Was Over Objective In Victory Loan

Most municipalities in the County went over the objective. Richmond Hill total was \$102,300 which was \$2,300 over the objective. Other district totals were: Vaughan \$285,000 with an objective of \$270,000; Markham Twp. \$305,600 with an objective of \$270,000; Woodbridge \$143,300 with an objective of \$90,000; Stouffville \$148,200 with an objective of \$90,000; Markham Village \$67,900 with an objective of \$85,000.

RATION BOARD MET

The local Ration Board held a meeting at Markham Village Wednesday afternoon. We understand the 11,000 persons in this district have been given an allowance of 11 pounds of sugar each, for canning purposes this season. Requests varied from two and a half to 600 pounds per person. The 11 pound allowance may seem small, but the simple fact is, that's all there is, and it has been equally divided.
