## OBITUARY

### LATE BARWELL BENNETT

The death occurred after a short illness of Barwell Lee Bennett, a highly esteemed citizen at his late residence, 7 Centre St. West, Richmond Hill on Friday, June 11, 1943. The late Mr. Bennett was in his 73rd year. His wife Isabella Scutt predeceased him in 1918. Previous to coming to Richmond Hill he farmed in the Stouffville district. He had been a popular member of the Bowling Club and the Curling Club and was highly esteemed by a wide circle of friends. The funeral service was held from Wright & Taylor's Funeral Home, Monday afternoon, and interment followed in Stouffville cemetery.

### LATE WALTER ROLLING LAID TO REST AT KING CEMETERY

The funeral of the late Walter Rolling, former Principal of Kinghorn School took place at his home in King on Thursday, June 10th, and was interred at the local cemetery. The gathering was large, representative of all walks of life attended showing the high esteem in which the deceased was held.

The funeral service was conducted by Rev. C. H. Bowman of Maple and Rev. T. L. Williams of Uxbridge, former pastor of the deceased, and Mr. Roy Boak, lay pastor of Eversley Presbyterian Church of which Mr. Rolling was for many years secretary-treasurer.

The message of Scripture, the text, the message and the solo were previously arranged by the deceased. The 24th chapter of Matthew was read by Rev. T. L. Williams. The text chosen was the 44th verse, "Therefore be ye also ready: for in such an hour as ye think not the Son of Man cometh."

Rev. C. H. Bowman included in his remarks the message left by the deceased which was that memorable passage from the works of W. C. Bryant: "So live that when thy summons comes to join the innumerable caravan which moves to that mysterious realm, where each shall take his chamber in the silent halls of death. Thou go not like the quarry slave at night scoured to his dungeon, but sustained and soothed by an unfaltering trust, approach thy grave like one who wrans the drapery of his couch about him and lies down to pleasant dreams."

Mrs. Bovair of Newmarket sang with deep feeling and expression, "Some day the Silver chord will break." Mr. Roy Boak pronounced the Benediction.

It was an impressive service, for the deceased was a familiar figure in educational and social circles in the Province. And his kindly influence will live on in numerous lives he has helped to mould. His life consisted largely in cultivating the minds and shaping the lives of the men and women of tomorrow.

Walter Rolling will be remembered not only in the cultured circles, in which the mellow light of wisdom shines, but by hundreds of scholars who through forty years of his principalship have made success in the various trades and professions, many of whom are now serving with the colours in distant lands.

To have been principal of a country school for four decades of years teaching and training the children and grandchildren of his former pupils with undiminished success, until old mortality wrapped about him the purple garb of resignation, is a triumph hardly surpassed in the annals of the teaching profession.

No good man's life perishes in the earth but lives on in the hearts and minds wherein he carved his name. He will be remembered not only as a teacher of youth but as a paragon of Canadian citizenship. His life and manner exemplified the ethics and ideals of the Greatest Teacher this earth has ever known. He was a

friend of little children. A man among men, envied by his enemies, loved and respected by his friends, whose life was like a poem of immortal melody, fashioned and inspired by the Master of Men.

Honorary pallbearers were Duncan Ross, King; Elmer Davis, Kingston; Walter Kightly, King; Harvey Follott, King; Dr. W. Baldwin, Brooklin; Wm. Rolling, Barrie; S. H. Rutledge, Orangeville; Roy Hill, Toronto.

Active pallbearers were Ernest Hollinshead, King; Arthur Wellesley, King; Aubrey Davis, Newmarket; R. E. Smith, Newmarket; Nathan Redmon, Toronto; Cameron Walkington, King.

The numerous floral tributes that banked the spacious room, showed the high esteem that the deceased was held, and were carried by the following flower bearers: Earl Scott, King; Jesse Richards, King; Victor Cull, King; Wilbert Burns, King; Earl Campbell, King; Hugh Ross, King.

## Salvage Committee Plan For A Weekly Garbage Collection Collects Sixty Tons Realizes Over \$700

Since the Richmond Hill Salvage Committee was organized a little more than a year ago, there has been 121,671 pounds, over 60 tons of salvage collected and disposed of by the organization. This 60 ton of salvage has been sold in the best possible market and the total receipts to date are \$749.90. Administration expenses are listed at six cents, and the expenses in connection with the salvage work have been practically nothing, all services having been given gratuitously.

Donations to war work by the Salvage Committee to date total \$700, and have been distributed as follows: Canadian Red Cross Society, \$400; Navy League, \$50; Chinese Relief, \$50; Russian Relief, \$25; Salvation Army, \$25; Merchant Marine, \$100; Greek War Relief, \$50.

The splendid record of the Richmond Hill Salvage Committee is chiefly due to the tireless energy and enthusiasm of the chairman Mr. E. D. Cunningham. It is true there are many members on the Salvage Committee, but we are sure they all would agree with us in the statement that the great burden of the work has fallen on the willing shoulders of the chairman. The work of a salvage committee is not always easy, not always very pleasant. There must have been many discouragements but through it all chairman "E. D." keeps plugging away and we have never heard him grumble. He's doing a war job, an important one, and he's doing it well and cheerfully. In the record of Richmond Hill war effort, save a well deserved niche for "E. D." Cunningham, chairman of the Salvage Committee.

No matter how good a chairman may be, he needs assistance, and helpers are needed now. If you have spare time, any time, volunteer to help in this work of the Salvage Committee. Your efforts not only help worthy war charities, but as well return to industry materials vital to our war effort.

About four hundred children attended the movie show in the arena last Friday evening sponsored by the Salvage Committee and as their admission fees brought in about a ton of metal, 500 pounds of rags, several hundred pounds of fats and rubber.

As some are still unfamiliar with the arranged dates for salvage collection a list of dates when collections will be made in Richmond Hill follows: June 21, July 12 and 26, August 9 and 23, September 13 and 27, October 11 and 25, November 8 and 22, December 13.

It will be noted that salvage will be collected weather permitting on the day immediately preceding garbage collections.

## Plan For A Weekly Garbage Collection

Members of Richmond Hill council met in special session Tuesday evening and considered at length the proposal to establish a municipal garbage collection service in the village. The council has called for tenders for a weekly collection and it is hoped to inaugurate the service as quickly as possible.

The method of payment for the proposed service has not definitely been decided. In the discussion Tuesday evening Reeve Greene and Councillors Little and Paris spoke in favor of a collection service operated and paid for by the municipality with every householder having the privilege of using it without any special assessment.

Councillors Hill and Bales favored a system whereby those who used the service would pay for it. There are a great many people who dispose of their own household garbage and they should not be asked to pay for the special service which some require, was their contention.

When tenders are received and the amount of the expense determined there will be further debate on the question of the method of payment.

## NEIGHBOURS DO SEEDING FOR INJURED FARMER

When Mr. A. Hislop of Headford was taken to the hospital as a result of injuries received when he was working on his farm, his neighbours clubbed together and finished his seeding. As many as six tractors were working on the Hislop farm at one time.

The advice you get for nothing is usually worth just that.

Wrixon, Rector of the church.

## SELYAN—MICHELL

## VICTORIA SQUARE

These are they whose hearts were riven  
Sore with woe and anguish tired,  
Who in prayer full oft have striven  
With the God they glorified;  
Now, their painful conflict o'er  
God has bid them weep no more.  
The sympathy of the community goes out to Mr. John Snider whose mother passed away a few days ago. Though an invalid for 17 years Mrs. Snider will be greatly missed among her family and friends.  
Earth to earth and dust to dust  
Calmly now the words we say,  
Left behind we wait in trust  
For the resurrection day.

Mr. and Mrs. Rolph Boynton and Vera, Mr. and Mrs. Rolph Perkins and Coral, Mr. and Mrs. Floyd Perkins, Joyce and Lois, Mr. and Mrs. Donald Pickering, Kenneth and Neil, Mr. and Mrs. Gordon Mortson, Miss C. Heise and Miss M. Sanderson all journeyed to Toronto on Wednesday evening to visit with Mr. Norman Perkins, parents and sister. Norman has spent 2 years in Trinidad and was returning to Niagara on the Lake Camp on Thursday. Mr. Floyd Perkins presented Norman with a Waterman's pen and pencil set on behalf of those present.

Forty-seven from here attended the Junior Farmers' picnic held at Muselman's Lake on Friday. While our ball team did not bring home the honors, they certainly were worthy of mention when the score was 12-11 in favour of Unionville. The members of the team are as follows: Norma Empringham, Bertie Forster, Joy Mortson, Shirley Sanderson, Allan Chadwick, Bruce Kerswill, Geo. Rumney, Jack Rumney, John McCague, Earl Empringham. There were also quite a number of War Savings Stamps brought home by those who entered the races, stunts, etc. A happy time was reported by all those present.

A number of the community gathered at Gordon Mortson's store on Tuesday evening to spend the donations presented by the last two groups (Mr. Lorne Mortson and Mr. Walter Smith). The donations amounted to \$16.00 after one treat around the crowd. It was decided to spend the rest to send cigarettes to boys overseas who are members of the King's forces.

Next Sunday, June 20th is anniversary Sunday for our Sunday School. There will be two services. In the afternoon at 2.30 Rev. Cragg of Toronto will be guest speaker. There will be special music provided by Misses Marion Boston and Bertie Forster. In the evening Rev. Cragg will again be the speaker with the musical message given by Gunner Knudsen. Those who were in attendance at the Sunday school convention at Unionville in January will remember Rev. Cragg and Gunner Knudsen and will want to hear them both again. Plan now to come and bring your friends.

Mr. and Mrs. Ernest Tupling of Honeywood, Ont., were week-end guests of Mr. and Mrs. Samuel Robb and family.

Some of the members of our congregation attended church at Carrville on Sunday evening.
