## GENERAL NEWS AND VIEWS

Red Cross Hallow'en Frolic, Richmond Hill Arena Friday, Oct. 22nd.

The annual King and Vaughan Plowing Match will be held this fall at the farm of Manny Feder in King Twp., north of Temperanceville, on Wednesday, October 20th.

"Jimmy, stand up and face your seat."  
"Gee, teacher, I ain't no contortionist."

And now Muscle-in-e who was muscled-out-e has muscled-in-again-e.

A hen laid an orange and the little chicken said "look what marmalade."

They fly through the air

Now we know why they call coal "black diamonds".

There was a terrible explosion in Farmer Jones' barnyard. He'd fed his flock some "Lay or Bust" mixture, and one was a rooster.

There is a registration of 160 students at St. Andrew's College, Aurora this fall term. The middle and upper school classes are filled.

Mrs. O. M. Heacock, Kettleby, has dahlias measuring nine feet in height.

L. Stephens of Aurora reports Hubbard squash weighing as high as 42 lbs.

King Twp. pays a bounty of \$5.00 to anyone killing a fox.

J. H. Walwork, Ballantrae, this year has 40 acres of potatoes and his yield is estimated at 250 bags to the acre.

Ration book distribution is about over completely. It was the largest single printing order ever placed in Canada. Proper precautions had to be taken in connection with proper dyes, designs, on account of possible counterfeiting, etc....each month an average of 5000 Canadians lose their ration books....48 million coupons are handled each week by merchants, wholesalers and banks.

There is one thought I often think,  
And wager it is true:  
The things some take most pleasure in  
Are those they should not do.

Sailor—"You've heard of Naples, the famous Italian port, haven't you?"  
Tailor—"No! How much is it a bottle?"

A somewhat tipsy gentleman boarded a two-story bus in Chicago and sat down near the driver. He talked and talked until the driver tactfully suggested that he go up to the top deck to enjoy the fresh air. The drunk amiably clambered up-stairs. In a few minutes he was back.

"What's the matter?" asked the driver. "Didn't you like it up there?"  
"Yep, nice view, nice air," answered the drunk. "But it ain't safe—no driver!"

Said the girl to the hat,  
You're a cute little dear—  
You go on ahead  
And I'll bring up the rear.

To gambol in a sylvan rill  
Went Jill, September morn,  
She doffed her dainty togs until  
She shocked a field of corn.

This poem was written by a soldier on Bataan, later killed by shell-fire. A burial detail found these words on the wrapper of a cigarette pack in his pocket:

"And if our lines should sag and break  
Because of things you failed to make;  
That extra tank, that shop, that plane,  
For which we waited all in vain—  
Will you then come to take the blame?"  
For we, not you, must pay the cost  
Of battles you—not we—have lost."

Make new friends, but keep the old,  
The new are silver, the old are gold.  
New-made friends like new-made wine,

With age may mellow and refine.  
But friendships that have stood the test  
Of time and change are surely best.  
Brows may wrinkle, hair turn grey,  
But friendship never can decay.

For 'mid old friends, so kind and true,  
We all once more our youth renew.  
But alas, old friends must surely die,  
And new friends must their place supply

Then cherish friendship in your breast,  
The new is gold but the old is best.  
Make new friends, but keep the old,  
The new are silver, but the old are gold.

Picked up here and there: Canadian soldiers at Kiska wore the bucket-type United States army helmets.

The new National Coal Conservation Committee has representing the small consumer, a woman, Mrs. W. E. West, Director of Women's Voluntary Services, whose job it will be to pass on to Canadian women findings of the committee on such things as how best to prepare the home for cold weather, furnace firing to get best results, etc....In war industry women are now performing 70% of the operations in manufacture of machine guns, comprise more than 80% of those employed in instrument factories, are over 27% of the 86,000 aircraft workers....15,000 tons of wheat go out to Greece every month as a gift of the Canadian people.
