Both contributions were enjoyed very much.

Miss Rumble and her pupils would like to express their appreciation to the families of this community who contributed so generously when the call came from the Government for scrap iron in aid of the war effort. They not only contributed, but in cases where necessary helped the pupils to wreck and load the heavy pieces. For their efforts the school realized \$40.00 and came highest in the district. This will be contributed to some organization of the war effort.
