Reeve F. A. Lundy of Newmarket Is Warden For 1944

Reeve Ross McMillan of North Gwillimbury and Deputy Reeve H. Griggs, Commissioners

The January session of York County Council commenced Tuesday and the main item of business on the opening day was the election of Warden. Reeve F. A. Lundy of Newmarket, dean of the county council in years of membership, was the unanimous choice. Others nominated were Reeve Boynton Weldrick of Vaughan Township, Reeve Gardiner of Forest Hill Village, Reeve Thomas MacMurchy of King and Reeve Hooper of Markham. All nominated withdrew in favor of Reeve Lundy but intimated they would be seeking the honors at some future date.

After his election, Warden Lundy was escorted to the warden's chair by Reeve George Mitchell, North York Township, and Reeve John Sibbald, Georgina Township, his nominators, and took the oath of office, administered by Judge James Parker. He was presented with a bouquet of flowers by his daughter, Miss Audrey Lundy, on behalf of the county office staff, of which she is a member. Warden Lundy then presented the flowers to Mrs. Lundy.

Seven reeves were elected to the striking committee, which will bring in recommendations at a later day in the session for the various standing committees for 1945. Those elected to the striking committee included: Reeve Thomas MacMurchy, King Township; John Sibbald, Georgina Township; George Mitchell, North York Township; John Warren, East York Township; William Neal, Richmond Hill; F. A. C. Butler, Etobicoke Township, and Kenneth L. Thompson, Weston.

At Wednesday's session Reeve Ross McMillan of North Gwillimbury and Deputy Reeve Hugh Griggs of Mimico were elected County Commissioners.

North York Boys' Work Board Seeks \$10,000 For Camp

The North York Boys' Work Board is conducting a drive to raise \$10,000 to procure and equip a camp site on Lake Simcoe for Boys and Girls' camps, and solicits the support of citizens and organizations throughout the County. Camp Ahshunyoong was organized in 1931 for the purpose of providing camp privileges for boys and girls of North York. During the past 14 years these privileges have been enjoyed by over 2000 boys and girls ranging in age from 9 to 15 years, including many from Richmond Hill and district.

The lease on the present camp site at Sibbald's Point has expired and the Board faces the problem of securing a new location. An ideal site has been procured and the cost of this five or six acres of land together with new buildings, water supply and equipment will cost in the neighbourhood of \$10,000.

The Board feels that a permanent camp site will make a worthwhile memorial and a real contribution to boys and girls work in the county. The treasurer of the special Camp Fund is H. E. Lambert, Newmarket and donations may be sent to him.

OBITUARY

LATE GEORGE COOPER

A highly esteemed resident of the Willowdale district for the past 65 years, George Cooper passed away at Toronto Western Hospital early Saturday morning, January 13th, in his 90th year. Born in Aberdeenshire, Scotland, the late Mr. Cooper came to York County in 1881, and purchased the farm at 480 Finch's Ave. West, in North York Township, where he farmed the remainder of his life. Despite his advanced years he enjoyed excellent health and was up and active until he took ill the Tuesday before his passing.

A successful farmer, he pioneered in the building up of a purebred herd of Holstein cattle, and was one of the oldest members of the Holstein Breeders Association. He was widely known as a breeder and exhibitor of fine Holsteins.

A man of sterling character and charming personality Mr. Cooper was an upright citizen, loved and respected by all who knew him. He was an active member of the Thornhill Presbyterian Church where he was for many years senior elder and clerk of session. A staunch Liberal in politics he took a keen interest in the affairs of his community and country.

He is survived by four sons, John, Douglas, Nelson and Stanley, and two daughters, Georgina and Ida Anne, all of Willowdale. His wife predeceased him about three years ago.

The funeral service held at the family residence Tuesday afternoon was largely attended by friends and relatives, and was conducted by Rev. S. W. Hirtle, minister of Thornhill Presbyterian Church assisted by Rev. Alex McLean of Willowdale. Interment took place in Mount Pleasant Cemetery.

Junior O.H.A. Drops Two Games—Play Markham Here Friday Night

Richmond Hill's Junior O.H.A. team after two initial wins in the schedule dropped two games this week, losing to Port Credit here last Friday night by a score of 10-6, and getting the short end of a 4-3 score at Newmarket Monday night. They play Markham Greenshirts in the local arena tomorrow (Friday) evening and a thrilling game is assured the fans. The games have been drawing large crowds and a record attendance is expected tomorrow night to see the locals clash with the highly rated Markham squad.

The O.H.A. executive is meeting this week-end and is expected to have something to say about clubs using members of the armed forces. The ruling is that O.H.A. teams cannot use members of the armed forces, but it is claimed Newmarket and Markham have been using such players.

In last Friday's game Port Credit took a commanding lead of 3-1 in the opening period, the Hill's lone scorer being Hassard, who by the way is turning in stellar performances for the local team and is one of the main pillars of strength. He's played consistently good hockey every game and is always a valuable man on the ice. Richmond Hill got three in the second to the visitors' two to end the period 5-4 and it looked as if the locals might repeat their win against the Lakeshore crew by coming from behind. However the last period found some of the locals somewhat tired and off color and Port Credit ran in four goals to the home team's 2. Rowntree and Sullivan were the scorers in the second period and Hassard and Mundell in the last. Normie Stunden in goal for the Hill had a busy night and his cool and capable performance in the face of many busy moments brought him the praise and admiration of the fans.

At Newmarket Monday night it was anybody's game but the Capitals just got that extra goal which meant victory.

Newmarket took the lead in the first period with two goals to Richmond Hill's none but in the second period the Hill came to life and scored two to Newmarket's one on goals from Cosgrove and Hassard. Richmond Hill had two goals disallowed in this period. The last period some real hockey was displayed and Clement tied the score for the Hill early in the period on a shot from the blue line which had Palmateer beaten all the way. Newmarket's winning goal came with only a minute and thirty seconds left to play. In this game Herbie Rose played an outstanding game and deserves real credit for his splendid work on defence.

Incidentally in this game Newmarket were using eight players from the Army Camp against instructions from the O.H.A. executive. Indications are that there will be a close race for group honors. Richmond Hill, Markham and Newmarket have each won two games and while Port Credit has only one win, on their last performance here they show promise of being real contenders.

The league standing at present is as follows:

	P	W	L	GF	GA	Pts
Richmond Hill	4	2	2	24	24	4
Markham	3	2	1	20	14	4
Newmarket	4	2	2	18	15	4
Port Credit	3	1	2	22	23	2

The Richmond Hill Minor Midgets are still undefeated winning last Thursday evening at Wexford defeating Wildcats by the score of 6-4.

The Minor Bantams went down to defeat at the hands of North Toronto Kiwanis by the score of 1-0 at Varsity on Saturday afternoon but the kids came back to form at the local arena on Tuesday evening defeating Young Eagles by the score of 5-0.

The Minor Midgets play at Ice-landia tonight at 9:10.

Richmond Hill Leading In District League

Richmond Hill is still leading the District League, but all other teams are showing a bit more strength. There is sure to be some real playing before the playoffs. Combines showed a new forward line which consisted of all new comers to Richmond Hill. Mickey Barry, a right winger, reminded us of the Carnegie brothers. This line will be heard from in the near future. A very good move was made by Woodbridge team when they pulled Bob Massey out of retirement to coach the team. Results from Thursday's game after 2 real periods of hockey with the score 3 to 3 at the beginning of the 3rd period Combines weakened a little and Richmond Hill drove in 3 fast goals winning the game by the score 6-3. Maple defeated Woodbridge by the score of 7 to 4.

Tonight's games will be Maple vs. Richmond Hill, Combines vs. Woodbridge.

Results of games up to the present are as follows:

	W	L	Pts
Richmond Hill	3	0	6
Maple	2	1	4
Combines	1	2	2
Woodbridge	0	3	0

VICTORIA SQUARE

Many friends called on Mr. L. G. Stoutenburgh on Sunday to comfort him in his sorrow of losing an ever faithful and loving wife. Though Mrs. Stoutenburgh has been ill for some time, the fact that when one opens the door and finds her chair vacant is going to be hard for Mr. Stoutenburgh.
