HIGH SCHOOL TRUSTEE RETIRING

C. H. Sanderson, Richmond Hill High School Trustee for the past 17 years and a past chairman of the Board whose term expired this year intimated to the council that he wishes to retire. Council members paid tribute to the long years of efficient service given the Board by Mr. Sanderson. His successor has not yet been named. There was some discussion of the advisability of naming a woman to the post.

Farm Forum Endorses Twp. School Board

The Edgeley - Concord - Sherwood Farm Forum group met in the palatial home of Mr. and Mrs. Albert Jackson on Monday evening with the record attendance of 42 neighbours, young and old, who entered wholeheartedly into the discussion of the topic, "Making Rural Schools Effective". After listening to the broadcast four groups were formed for discussion. The findings of each group were listed and read to the entire group for final discussion. It was the unanimous decision that better schools, better equipment and better trained teachers for rural areas were a necessity in our modern set-up. How to pay for it? Well, how else but by taxation. It seemed the prevailing opinion that the Provincial Government should bear a greater part of this. In regard to a larger unit of administration, the groups all agreed that this was long overdue and instructed the secretary to inform the Inspector that this group was solidly behind his suggestion to the Vaughan Township Council, and encouraged all to attend the meeting of the ratepayers when called.

Regarding the question of the rural teacher and leadership in the community a word of caution was sounded and not to overburden the teacher and thus destroy his or her efficiency in the class room. The secretary, Mrs. Bert Witty, announced that the next Forum meeting will be held next Monday evening at the home of Mr. and Mrs. Paul Snider.

Mrs. Albert Jackson, assisted by friends, served refreshments and a social hour was spent.

The meeting was graced with the presence of several from the Elia area and we hope sufficient interest was aroused to revive a group in that area.

It was interesting to listen to Mr. C. Baker of Edmonton, Alberta tell of conditions in Holland when he left just before the outbreak of war. He is on a mission east to buy cattle for his farm in Edmonton.

The Enrolment Ceremony of the Girl Guides will take place in the Gymnasium of the High School Wednesday, February 7th at 8 p.m. A very interesting program is being prepared by the Guides. Some of these items are: Presentation of the Colours, Enrolment Ceremony, and skits by the Guides, presenting Guide Activities.

Among the visiting Guiders expected for this event are Mrs. Hewitt, District Secretary for Toronto and Mrs. Dann, District Commissioner for York County.

The ladies of the local association will serve refreshments and a collection will be taken to provide funds for equipment.

An invitation is extended to parents, friends and all interested in this youth organization.

The Trefoil in the cut above is the badge of the Girl Guides, and as every Guide knows represents the Trinity. This idea is carried out in the three-fingered salute and the three-fold promise.

D. M. CHAMNEY RE-ELECTED TRUSTEE CHAIRMAN

Trustee D. M. Chamney was re-elected chairman of the Richmond Hill Public School Board of Trustees at the annual meeting held last Thursday evening.

F. L. Lowrie, R.O., Eyesight Specialist, who is at Austin's Drug Store each Wednesday afternoon, will not be in town next Wednesday but will be at Austin's Wednesday afternoon, January 31st from 1.30 to 4 o'clock to examine eyes for glasses, etc.
