Thornhill District News

Weather permitting, Thornhill
Public School will hold a Field Day
on Friday afternoon, September 28,
between the hours of 1.30 to 4 o'clock.
There will be the usual events
with prizes for young and old, and
all parents are cordially invited to attend.

Mr. Ross Blackburn has purchased
the building known as The Maltby
Way and will be moving into it from
the Grill within the next couple of
weeks.

Last Friday afternoon a brush de-
monstration was held by Mrs. R.
Broderick at the home of Mrs. K.
Mackintosh in order to raise funds
for our local Cubs and Scouts, and
the guests were mothers of these
boys. All in all, a total of approxi-
mately \$10 was realized in commis-
sions, donations, etc.

Mrs. Blackburn, proprietor of La-
Grove Hairdressing has broadened
her business to include a line of
handicrafts and gifts suitable for all
occasions—birthdays, weddings, an-
niversaries, etc. Her store window
and showcase present handsome dis-
plays of a wide variety of articles,
and she will be glad to help her cus-
tomers with suitable selections or
suggestions. If you have a gift
problem, you can solve it here. With
Christmas in the not too distant fu-
ture, this should be good news.

Thornhill W.A. are holding an
open session in the Sunday School
room of Thornhill United Church on
Wednesday afternoon, October 3rd at
3 o'clock. The guest speaker will
be Mrs. L. Valentine, who is on the
Home Service Staff of the Robin
Hood Company. Her subject will be
"Short Cuts to the Kitchen".

Mrs. Valentine has given out-
standing and informative talks to
groups from Windsor to Ottawa, and
has been invited back again and
again. Her subject is of interest to
every homemaker, for the ideas are
practical as well as valuable, and a
small book of recipes will be distri-
buted.

At the close of the meeting, af-
ternoon tea will be served and a sil-
ver collection taken.

This meeting is for all the ladies
of the Village and we know you will
not want to miss hearing Mrs. Valen-
tine, so remember the date, Wed-
nesday, October 3rd.

On Thursday evening last the
Fortnighters again resumed their ac-
tivities by meeting at the home of
the Misses Ella and Hazel Welsh.
The greater part of the evening was
spent in discussing plans for a
bazaar which they plan to hold in
the Presbyterian Sunday School
room on Saturday, Nov. 17th. There
was a good attendance and many
worthwhile suggestions were made.
Sergt. Charles Swan arrived at
the Exhibition grounds on Saturday
night last, after having spent five
years and nine months overseas. He
is home on a thirty-day leave.

Lieut. Kenneth A. Cameron with
the Engineers, is instructing at Ver-
non, B.C. He had volunteered for
duty in the Pacific, but now expects
to be home this fall.

Wing Commander John Sumner
arrived at Dorval on Saturday, Sept.
15, and is now home on a thirty-day
leave, at the expiration of which he
expects his discharge. Naturally, he
is anxious to get back in his own
business. He spent three years over-
seas, and is looking very fit. John
says that England is in for a hard
time this winter. All they received
in the line of meat each week was
two small pieces, about the size of
a hen's egg, and we complain about
meat rationing!

UNRRA is making an appeal for
wearable, clean, used clothing at this
time. The drive is to take place be-
tween the dates of October 1 to 20.
Mrs. Saunders Findlay has offered a
room in her home on Centre Street
in Thornhill, as a central collection
agency for Thornhill district.

Almost everyone has clothing,
blankets and quilts which they are
unable to use, and the need is very
urgent, for it is estimated that many
thousands will die from freezing in
Europe this winter. Footwear and
bedding particularly are needed. All
are urged to take anything they can
spare to Mrs. Findlay's home on
Wednesday of each week until the
drive has been completed. She and
her capable committee of four, in-
cluding Mrs. Brillinger, Mrs. Night-
ingale, Miss M. Seager and Mrs.
Pattenden will be on hand to receive
donations.

To start the collection, a group of
ladies on Bayview, known as the
Bayview Ladies' Guild, are donating
a lot of beautiful clothing. This
group started with three members,
and has now grown to 17 members,
about seven of whom live on Steele's
Ave., one in Agincourt and the re-
mainder are local. They worked for
Russia for over three years and have
been sending parcels steadily. As a
result of this aid to Russia, the ladies
of this group were invited to a
reception at which they were intro-
duced to the famous singer, Paul
Robeson, and Mrs. Frater also rep-
resented them at an important lun-
cheon at the Royal York. During the
last year their things have been sent
through the I.O.D.E. to Europe.

At each meeting, a five cent per
member collection is taken, if it can
be spared, and these ladies meet at
each other's home every Wednesday
afternoon. So far, they have always
been able to send small donations to
the different appeals which are made
during the season. Last year they
contributed \$20 in all. However this
organization was formed for the pur-
pose of working together. Money was
not the principal object, and the
collection for Russia which they held
in the Village last year testifies to
the gratifying results obtained, for
Thornhill did just as well in this
emergency as many a large town.

Two ladies over eighty years of
age deserve recognition for the won-
derful work they have done in this
group. One is Mrs. Pringle's moth-
er, Mrs. Ellis and the other, Mrs.
Harry Price's mother-in-law.

DEPARTMENT OF HEALTH TWP. OF NORTH YORK

HOME ACCIDENTS

Do you know that a 2/5 rise
in the death rate from home
accidents among boys and girls
1 to 4 years of age in the 3
years 1942-44 over the 3 pre-
war years 1939-41 is startling
news, according to recent
American statistics. Most fre-
quent causes of 2,500 home ac-
cident fatalities in 1942 were
burns or scalds accounting for
over 50% of the home fatali-
ties, ingestion of poison com-
pounds showed 14 and falls
10%. These warrant a host of
preventive measures; putting
kitchen equipment in proper
condition, keeping matches out
of reach, cleaning and orga-
nizing the family medicine
chest, and keeping insecticides,
cleaning fluids and other poi-
sons under lock and key. Anch-
oring rugs or loose stair steps,
and guarding low windows.

WON'T YOU PLEASE DO
WHAT YOU CAN TO PRO-
TECT YOUR OWN?
CARL E. HILL, M.D., M.O.H.

If a group as small as this can
contribute so much to the comfort
of unfortunate European nations,
then surely we can get behind this
drive and make it a complete suc-
cess. The time is limited — only
from October 1 to 20, so let us get
busy and beat a path to Mrs. Find-
lay's door with our gifts.

Thornhill Women's Institute held
its regular monthly meeting at the
home of Mrs. John Sumner, John
St., on Thursday, Sept. 20th. The
attendance was very good and two
new members were welcomed. The
president's mother was also present
as a guest.

Owing to the official resignation
of Mrs. Wilcox as Secretary, the
executive committee presented the
names of nominees and called for
nominations, with the result that
Mrs. R. Broderick was elected as Re-
cording Secretary, Mrs. K. Mackin-
tosh as Corresponding Secretary and
Mrs. Lindsay as Telephone Convenor.

Roll call was "An article for the
sale" and it was surprising the num-
ber of lovely and useful articles re-
ceived. Some of our members must
have had a busy summer. Our an-
nual sale, to be held in the early
part of December, has all the ear-
marks of being bigger and better
than ever, and the members are cer-
tainly showing a great deal of en-
thusiasm even at this early date.
Mrs. C. Jaeger was appointed as Sale
Convenor for this year.

Mrs. George Magvys was appoint-
ed fourth director for the season.
Several letters were read, includ-
ing a letter of farewell from Miss
Mary Clarke, former Superintendent
of Women's Institutes throughout
the province. The new superintend-
ent is Miss Anna Lewis. A letter
was received from Mr. S. Lambert
on behalf of the boys of Christie St.
Hospital thanking us for our dona-
tion. It was decided that a contribu-
tion of \$5 in nickels be sent each
month to the boys in the Amputa-
tion ward, to be used for telephone
calls.

A motion was made to donate \$10
each to our local Scouts and Cubs.
Mrs. Holmes presented approxi-
mately \$5 to the Institute. This was
realized at a brush demonstration
held at her home recently and is to
be used in whatever way the mem-
bers decide.

Mrs. Swabey announced that the
group of girls now under the direc-
tion of Miss Gill and Watson, be or-
ganized into a Junior W.I.

The subject for discussion was to
have been "War Work", but the vic-
tory in Europe and Japan changed
this. Women's Institutes will play
an important part in the post war
world, for there are many problems
to be faced. For a start, it was de-
cided to send a parcel of clothing to
an English lady who is urgently in
need. Mrs. Nightingale then sug-
gested that Mrs. Atkinson be contact-
ed regarding her request for ladies to
knit children's clothing.

LANGSTAFF

The Garden Ave. Property Owners
Association will start the fall season
with an old time social evening in
the form of a box social and old
fashioned games. This event takes
place next Saturday evening, Sept.
29th at the home of Mr. T. White,
Garden Ave. Ladies bring your
boxes. Gentlemen take notice, there
is a fine if you buy your wife's box.
The first regular meeting of the
season will be held at the same
place Wednesday evening, October 3
at 8 o'clock. Committees will pre-
sent reports and wide open discus-
sion on matters of importance will
take place at this regular meeting.
We hope for a good turn out to both
events.

Be prepared for the National
Clothing Collection which will com-
mence Monday, October 1st and con-
tinue until October 20th.

"Of course not, silly, it's rhubarb."
