Dave Glass Returns

Completing almost six years with the R.C.E. overseas, Dave Glass returned on Monday looking well and extremely happy. His English wife will come to Canada at a later date. His sister, Mrs. A. E. Kelley and family, as well as members of the Glass family met him in Toronto. Dave notices quite a change in King folks and his nieces he scarcely recognized. They were small girls when he left. Welcome home, Dave.

Earl Scott and family of Kinghorn have removed to the Wm. Mitchell farm which he has bought.

The formation of a Junior W.A. in All Saints Anglican Church has a good executive with Mrs. Alvin McNair as leader; Mary Jane Walker, president; Lois McBride, vice-president; Joan Reid, treasurer, and June Hollinshead, secretary. Miss Marjorie's name is also added to the leadership.

On October 10 a special meeting for this group will be held with Mrs. Hollman, diocesan worker to speak.

King Organized for National Clothing Drive

Mrs. Alvin McNair and Mrs. Clarke Archibald have been appointed by King W.I. to convene the Campaign for Clothing Collection for European areas. They announce that all articles may be left in the Anglican Church basement, which is open at all times. Used clean clothing is acceptable as sewing groups are ready to make over garments. Church organizations have been asked to take up the plan and turn in as much as possible. It remains for each individual to visualize the great need of putting warm clothes on the backs of so many who suffer the extreme results of war in their land. Winter approaching, with health already undermined from starvation and improperly nourishing food, the anguish of lost homes and families all afford as fine a field for welfare work as could ever arise within our experience.

Mr. and Mrs. Norman Ferguson, Watson and Ethel attended the burial of Mrs. Ferguson's brother-in-law, George Bruce, Forrest, Man. at The Stone Church Cemetery, Beaverton, last week. Mrs. Ferguson's brother, Wm. Muir, Brandon, Man., accompanied the body to Beaverton.

We understand that Ronnie O'Dell has arrived from overseas. His friends here will be glad to see him.

Taking an extensive holiday, Miss Marjorie McMurchy was tendered a presentation by the choir and congregation of Laskay United Church last Thursday at the Sunday School rooms, when a purse of money was given her in appreciation of 16 years as organist of the church. Messrs. P. Forrester and H. E. Ross made the presentation.

Miss Kate McMurchy, Thornbury, was present for the McMurchy-Ross wedding on Sept. 29th.

King W.I. birthday will be celebrated in banquet manner on Tuesday, Oct. 9th in the United Church basement. Miss Ethel Chapman, noted writer and lecturer, will be guest speaker. The annual event is anticipated with much pleasure.

Extremely painful injuries were sustained by Mr. Thos. Brydon, west King and brother of Dr. Brydon, when the fuse he was lighting for dynamite blasting of stumps caused an early explosion. One hand was torn to pieces, an eye blinded and injuries to head and chest. He is being treated in Toronto General Hospital.

The tires of a Plymouth sedan owned by Rev. Harry Wilson, King, were saved when fire demolished the car on Sunday morning while parked near the shed of Kettleby Baptist Church while Mr. Wilson was preaching. Mrs. Black, organist, noticed the flames and gave the alarm. Efforts to beat out the blaze were fruitless and no immediate water was on hand. Aurora fire equipment was summoned but the vehicle was well advanced to the state of ruin already. Tires will be convenient providing Mr. Wilson can secure a car to put them on. Commodities of this type are hard to get these days. One of the congregation drove Mr. Wilson home to King and he had no preaching service at Pottageville church in the afternoon, being Thanksgiving rally for the Sunday School there. In the evening he performed three baptisms in King, Miss Donna Wilson, his daughter; Sarah Barradell, Kettleby, and Roy Rumble, son of Albert Rumble, Maple.

Mrs. H. Wilson addressed Eversley W.M.S. at the home of Mrs. R. Gematly last week, her subject being "Doors Closed and Open". Tracing some of the earliest history of the christian gospel both in Asia and Europe the speaker led up to present day advance showing the opportunities at home and abroad of opening doors and preventing those already opened from being closed. Conviction of our beliefs and the desire to live and spread that belief is a door each can reach. Mrs. Ross and Miss J. Gellatly sang duets.

McMurchy-Ross
A pretty wedding was held in Laskay United Church on Saturday afternoon, Sept. 29th, with Rev. M. R. Jenkinson officiating. Jean Sophronia Ross, daughter of Mr. and Mrs. Herbert E. Ross became the bride of Duncan Marshall McMurchy, son of the late Mr. and Mrs. Duncan McMurchy, all of King.

The church was adorned with choice gladioli and the wedding music was played by Miss Marjorie McMurchy with Miss Helen Hunter singing "Through the Years" while

the register was being signed. Given in marriage by her father, the bride wore a full length gown of white flowered organza with fingertip veil arranged from orange blossoms. Her flowers were an old fashioned nosegay of white gladioli petals and red roses. She wore the groom's gift, a double strand of pearls. Her attendant, Mrs. Mervyn Gould, wore a pink taffeta gown, with long torso and matching shoulder length veil and flowered halo. She carried a nosegay of pink roses and blue cornflower.

The groomsmen were Mervyn Gould and the ushers Bert Ross and Aubrey Marwood.

For the reception at the home of the bride her mother wore navy with white accents, navy accessories and hat and a corsage of pink roses. Assisting, the groom's sister, Miss Marjorie McMurchy, wore a green crepe dress and brown hat and accessories. Her flowers were mixed blooms in autumn shades.

For travelling the bride changed to a lime green suit, brown hat and matching accessories, a brown coat and corsage of French marigolds.

After a honeymoon to points east they will live on the groom's farm.

A large shower was held in Laskay hall during the previous week for the bride and many lovely gifts were received. Miss Betty McCallum and Mrs. Jesse Richards attended the gifts and received.

We offer congratulations and best

A GOOD FARMER IS A GOOD PLANNER

It's the man who looks ahead who gets ahead.

GOOD management . . . essential to successful farming, as to any business enterprise . . . is largely a matter of timely marketing and careful spending . . . waiting for the time when it is most favourable to buy.

We all want things now . . . things we have not been able to get for the past several years. Some of these things are necessities . . . some are things that will contribute to our comforts and pleasures.

Eventually, these things will be more plentiful. By waiting a little longer we will help to keep prices of things we need at lower levels and we will buy at better advantage when we do buy.

Meantime we can invest our savings in the safest securities obtainable . . . Victory Bonds. More Victory Bonds will be offered this Fall. They pay 3% interest . . . double bank interest . . . and they are "liquid capital".

If we need cash in an emergency any bank will buy Victory Bonds at any time. And any bank will loan money on Victory Bonds.

The Ninth Victory Loan will be our last opportunity to buy Victory Bonds for a whole year, so buy double this time—the same rate of savings as in previous loans will pay for twice as many bonds over the 12 month period.

FARMERS CAN BUY VICTORY BONDS ON CONVENIENT DEFERRED PAYMENTS THROUGH ANY BANK

. . . just sign a short form letter which Victory Loan Salesmen carry (banks have copies) ordering the bank to buy Victory Bonds for you. Pay 5% when ordering and the balance at any time during the next 12 months. The interest the bonds earn pays the interest on the bank loan.
