Thornhill District News

Last week Mrs. Saunders Findlay of Centre received through the mail, direct from Holland, a parcel containing 100 tulip bulbs. They were sent by a soldier friend. Mrs. Findlay reported they were of the mixed variety and very healthy looking bulbs, having landed in perfect condition.

Lark-Tutt
 A lovely wedding was solemnized in Trinity Anglican Church, Thornhill, on Saturday afternoon, September 29th, when Hazel, daughter of Mr. and Mrs. R. J. Tutt of Thornhill, became the bride of James Lowell Lark of Woodbridge. Rev. S. A. R. Wood officiated.

The church had been decorated previously for the Harvest Thanksgiving service, and pink gladioli were added to the already beautiful setting. The bride, who was given in marriage by her father, wore the traditional white gown with shoulder length veil, and carried a bouquet of white baby mums, asters and pink gladioli. The bride's sister, Miss Mabel Tutt, was bridesmaid, and she wore a frock of pink wool and carried a bouquet of pink gladioli. Mr. Roy Smithers of Oshawa was best man, and the bride's two brothers, Pte. Ernie and Buster, acted as ushers. During the signing of the register, Mrs. Wm. Cox sang "Smiling Through the Years".

At a reception held later at the home of the bride, Mrs. Tutt received wearing powder blue crepe with a corsage of baby mums and roses. The groom's mother assisted, attired also in blue with a corsage of pale mauve mums.

Later the happy couple left for a wedding trip to Flint, Mich.

Harvest Thanksgiving services were held at Trinity Anglican Church last Thursday evening. The church was beautifully decorated with flowers, fruit and vegetables, and special music was provided by the junior and senior choirs. The guest speaker, Mr. Stone, is the newly appointed rector of the Anglican Church in Newmarket. The festival was carried over to Sunday morning, and there was a magnificent congregation to hear a repetition of the music. Trooper George Tandy, son of Mr. and Mrs. Tandy of Morgan Ave., returned from overseas about a month ago. George married an English girl, who came out ahead of him last Spring. They are now living in Toronto.

The sudden passing of Arthur Hulbert on Thursday last came as a shock, although it was known that he had been in poor health recently. Mr. Hulbert came from England to Canada in 1922, and had been professional at the Thornhill Golf and Country Club for 17 years. He was 41 years of age.

The funeral was from Trull Funeral Parlors to Mount Pleasant Cem-

etry last Saturday afternoon, and the large number who attended and the beautiful floral tributes, bore mute testimony to the esteem in which Arthur Hulbert was held.

After 11 years of service, the United Church people said goodbye to their organist and choir leader, Floyd Davies, on Sunday morning. Floyd will take up his duties at Willowdale, (where he expects to reside), next week.

The 93rd anniversary of the United Church will be observed Oct. 21st.

The Rally Day service of the United Church Sunday School was held in conjunction with the church service on Sunday morning last, and was well attended. Among those taking part were John and Ann Sanderson, Doris and Heien Hunter, Evelyn Byer and a chorus of intermediate girls, led by Ruth Hicks.

The members of Thornhill and Carrville United Churches will share in the world-wide communion service next Sunday. Carrville service will be held in the afternoon, and in the evening there will be a Harvest Thanksgiving service in Thornhill.

Mrs. George Sparrow and her two children left Thornhill last week-end to return to Mrs. Sparrow's home town of Stayner, where she will be taking up residence. She had been living here for about four and a half years, and had made many friends, and the best wishes of these friends and neighbors for her future, went with Mrs. Sparrow.

DEPARTMENT OF HEALTH TWP. OF NORTH YORK

NATIONAL IMMUNIZATION WEEK

SEPT. 30 — OCT. 6

This week has been designated National Immunization Week, sponsored by the Health League of Canada in co-operation with health departments. The observance is designed to draw attention to the fact that the incidence of diphtheria, whooping cough and scarlet fever is far too high in Canada—there were 758 fatalities from the three diseases in 1944. These deaths occurred from diseases which are preventable—preventable if proper immunization methods are used. Parents of unprotected children should consult their physician or their health department at once.

Every Canadian child can be and should be given protection against diphtheria, whooping cough, scarlet fever and small-pox. Parents of unprotected children should see their doctor immediately. This is Canada's third annual National Immunization Week, sponsored by the Health League of Canada in co-operation with health departments.

The Liberal is displaying a corn stalk which stands 10 feet 3 inches. This, we believe, is a record as corn hasn't had much chance this year. The stalk was grown on the Leitchcroft Farm on the 3rd Con. of Markham.
