

Girl Guide Notes

The Richmond Hill Girl Guide company has resumed its meetings on Wednesday evenings at 6.30 in the high school. The board has again granted the use of the gymnasium to the Guides. Captain Winnifred Haworth and Lieut. Rose Masters are planning an entertaining and instructive programme for the coming winter. One of the events is a nature study hike on the last week-end in October. The commissioner hopes to go with the Guides. It is doubtful, however, that this hike will reproduce the special features of the spring hike. Come along, Guides. Autumn woodland trails should offer as much enjoyment as cooking supper on a sandy road. In the meantime there is that Second Class Badge to win. After you have it, you can develop your pet hobbies in working for proficiency badges. That can be real fun. The Local Association will be delighted to form a Badge Committee and to help you secure instruction or assistance in your badge work.

Edna W. Izzard,
District Commissioner.
