returned from vacation spent in
Pennsylvania.

Mr. Ernest Lofkrantz, 5th conces-
sion, was injured a short time ago
in an automobile collision near his
home.

There is still work to be done for
King Township Red Cross Branch.
While war has ceased the Red Cross
asks for knitting and sewing as the
service is not by any means over
with. Units are asked to renew their
former effort and continue with the
work. Schomberg Victory Club is
setting a fine record and is earnestly
filling its contracts for the
Branch.

Mr. Wm. Cutting, Kettleby, was
severely injured at Aurora tannery
last week when his arm was drawn
into a machine in operation. The
hand will be saved doubtless but
three fingers except the small one
are gone. He is a patient at York
County hospital.

Mr. and Mrs. Fred Curtis, Mr. and
Mrs. Norman Ferguson were Sunday
visitors of Mr. Dan Ferguson at
Wick.

Before leaving King for their home
at Temperanceville, Mr. and Mrs.

cent burial of her aunt, the late Mrs.

tion.

Laskay W.M.S. anniversary was
well attended on Sunday. Rev. Gordon
Lapp of Keswick spoke on the
building of the temple of Christian
faith before all else; the building of
Christian education and the estab-
lishment of God in the community.
Rev. S. Cooper, Sherwood, gave a
strong missionary sermon in the eve-
ning stressing the importance of
missions abroad as well as those at

improving slowly from a sudden ill-
ness. Her condition shows definite
signs of marked improvement.

Norman Etheridge, R.C.A.F., re-
turned from overseas this week to
his home at Laskay.

The Outward Look was the sub-
ject of an address by Miss Vera Hun-
ter to Teston United Church ladies.
She spoke of the rapid trend of im-
provement along many lines but the
essential is the clearing away of
those things of rubble that hinder a
good start and a clear beginning.

Eversley W.A. bazaar is on Dec-
ember 1st.

All Saints Bazaar is on Dec. 8th.

Clothing Collection Satisfactory

A truck load of good clothing was
collected at King for shipment to
needy Europe and Asia. Deserving
much credit are the canvassers, Mrs.
Alvin McNair, Mrs. Clarke Archi-
bald and Miss M. Jarvis who report
all goods sent were clean, mended
if needed and quite wearable. Some
idea of the quantity and nature of
the boxes may be had from citing a
few of the articles: 15 men's and
65 women's heavy winter coats half
of them with fur; 2 cartons of chil-
dren's cotton underwear and night
things; 2 cartons of children's wool-
len undies and baby things; 2 boxes
adult underwear, mostly new; 72 pairs
boots; 30 skirts; 49 sweaters; 102
silk dresses; 22 cotton dresses and
many other types of wearables. More
than 32 large cartons were sent out
and more is on hand to send this
week. It is a case of so many need-
ing so much and so many to answer
the need. And who of us will ever
miss the little given even though the
giving was bountiful. It will be re-
paid in kind.

THE WARTIME PRICES AND TRADE BOARD
FARMERS' BULLETIN
FARM MACHINERY OFF RATION LIST
All rationing controls have been removed from sales of farm machinery, and
restrictions on the production or importation of such machinery have been lifted.
Price controls remain. Generally, maximum price for farm implements is the price
at which such items sold during the basic period, August 15-September 11, 1941.
Quoted prices do not include cost of delivery to the purchaser.
Under Consumers' Credit Order No. 225, section 10, terms of sale for farm mach-
inery are: 1/3 of quoted price paid in cash; the balance of the credit price to be paid
within two years of the date of the contract in stated amounts at specified dates. Any
allowance for a trade-in is to be deducted from the unpaid balance.
Despite the lifting of production restrictions, it is expected that the shortage of
components such as malleable castings and sheet steel will limit the maximum output
of farm implements during the year July 1, 1945, to June 30, 1946, to a 24% increase
(on tonnage basis) over the output in the preceding 12 months.
Farmers' Poultry Prices
Farmers selling all types of poultry,
except turkeys, direct to consumers are
permitted a 25% markup over the whole-
sale ceiling prices established for the zone
in which they are located. Turkey producers
are allowed a 20% markup over the
wholesale level.
Potato Storage Allowance
(Order A-1560 now in effect)
A storage allowance of 5c per 75-lb. bag
of potatoes and 7c per 100-lb. bag is
allowed on November 1. Another 5c per
75-lb. bag and 6c per 100-lb. bag may be
added on December 1, and another 5c per
75-lb. bag and 7c per 100-lb. bag on
January 1, 1946. There will be no storage
adjustment for February but monthly in-
creases will be resumed on March 1.
FARMERS' RATION COUPONS
Coupons covering farmer sales or farm household consumption of meat and butter, and
sales of preserves must be forwarded to Local Ration Boards in primary producers' envelopes
(RB-61). Reports for November should reach the Local Ration Boards not later than December 10.
Following are the valid coupon dates for November:
MEAT BUTTER SUGAR PRESERVES
November 1..... M 9 128 .. ..
" 8..... M 10 .. ..
" 15..... M 11 129 66, 67 P 20, 21
" 22..... M 12 130 .. ..
" 29..... M 13 131 .. ..
Farmers are required to send in "M" coupons to the Local Ration Board for meat they
consume, and meat they sell to farmer neighbours at the rate of 4 lbs. per coupon. Farmers
who slaughter meat need not turn in at the end of the month more than half the valid meat
coupons in the ration books of their household. Farmers who purchase meat from other farmers
must surrender to the selling farmer one meat coupon for every 4 lbs. of meat purchased, even
if this means surrendering coupons not yet valid.
FARM SLAUGHTERERS
Farmers who slaughter for their own household consumption or for the consumption of
their farmer neighbours, are not required to hold a slaughter permit. Any excess of farm
slaughtered meat over the farmer's or his neighbour's needs may be sold only to the holder
of a regular slaughter permit in quantities not less than a quarter of Beef or a side of Pork.
Sheep, lamb or calves slaughtered by the farmer for his own or his neighbours' use may not be
sold into the meat trade.
Licensed slaughterer's quotas for cattle have been temporarily suspended and until
further notice a licensed slaughterer may slaughter all the cattle needed for his requirements.
Rationing is your assurance of a fair share.
is a protection against waste... shortages... inflation.
That is why farmers are asked to continue to collect and turn in coupons to their Local
Ration Boards—once a month—in the RB-61 envelope.
For further information apply to the nearest office of the Wartime Prices and Trade Board.
