the 8th con. to Mr. Hugh Sheardown.  
They are living at present in an

mother of Mrs. Proctor. After ar-  
riving here it was not long before

We hope the Proctors will enjoy the

**Esteemed Resident Passes**

Mrs. Lucy Cairns, in her 88th year  
passed away on November 15th after  
a brief illness and was laid to rest  
in the family plot in King Cemetery  
on Saturday, November 17th with  
Rev. M. Jenkinson officiating.

Surviving are two children, James  
of King and Lena at home. There  
are two grandchildren. Her son  
William died some years ago and Mr.  
Cairns was deceased three years ago.  
A grandson, Douglas Cairns, was  
drowned two years ago.

Born near Temperanceville as  
Lucy Andrews, Mrs. Cairns lived in  
the district all her life, and was be-  
loved by all who knew her. Handi-  
capped by deafness she surmounted  
all difficulties and with keen intel-  
lect triumphed to enjoy a peaceful  
and full life. The warm welcome  
given by Mrs. Cairns and Lena in  
their home was an inspiration to  
their many friends and an example  
of patience and cheerfulness. She  
and her daughter found constant  
pleasure in each other's company and  
the loss is very keen.

Mrs. Cairns was a life long mem-  
ber of the United Church, and the  
Women's Missionary Society which  
bodies she laboured most faithfully  
for. Her war service was perform-  
ed through years of knitting socks.  
Her family will cherish her mem-  
ory and friends extend sympathy.  
Mr. and Mrs. E. Thorpe and Wick

spent the week-end with their daugh-  
ter, Mrs. Bob Riddell. Donnie Rid-  
dell returned home with them.

Visiting King W.I. last week,  
Schomberg Branch gave a fine pro-  
gram. Presiding over this section  
was Mrs. H. Hamilton. A sing song  
accompanied by Mrs. T. Proctor op-  
ened the program. Current events  
were given by Mrs. V. Marchant;  
reading by Mrs. J. Lister; dramatic  
reading by Mrs. G. Sholtz; and an  
address by Mrs. C. W. Marchant on  
Agriculture and Industry. Compar-  
ing with earlier years, she pointed  
out that it was then an established  
fact that agriculture and industry  
were the most widely separated in-  
dustries of the Dominion. Outlining  
the progress of advancement, from  
the time when people were either  
farmers or industrialists, knowing  
little about each other, we reach the  
stage of specialized occupation. The  
farmer now knows what he does and  
why he does it. The whole world is  
awakened to the importance of this  
occupation. With industry it co-op-  
erates and to the greatest benefit to  
the Dominion.

Mrs. Elwood Dale conducted an  
excellent contest and lunch was  
served at the social hour.

King W.I. appointed a committee,  
during the business session, to in-  
vestigate the possibility of forming a  
"Younger Than Teen-age Club",  
namely, Mrs. R. Walker, Mrs. D.  
Rawlings, Mrs. G. Billings, Mrs. C.  
Archibald, Mrs. A. Rumble, Mrs. A.  
McNair and Miss M. Jarvis. Letters  
from several service men were ap-  
preciated.

St. Andrew's Bazaar held in Las-  
kay Hall realized \$135 or more for  
the Presbyterian Church.

King Township Teachers' Associa-  
tion attended a sumptuous turkey  
dinner given by Snowball United  
Church November 15th, followed by  
a separate meeting when president  
S. Brown was chairman. Mr. Elton  
Armstrong welcomed the Associa-  
tion on its first meeting, on behalf  
of the Council. Miss Helen De La  
Porte, assistant in Auxiliary Classes  
for the Province, addressed the  
gathering offering many ways of  
helping the hard of hearing and poor  
of sight child. The meeting will  
doubtless be elsewhere reported.

All Saints W.A. look forward to  
sponsoring their annual bazaar in  
the Anglican basement on Decem-  
ber 8th.

Mr. Geo. Kaiser, Temperanceville,  
was visited by a thief on Saturday  
evening last, at his home and his  
money demanded. He is reported to  
have lost from 7 to 10 dollars. Con-  
stable Fleury investigated. It was a  
poor time to hunt out the seller af-  
ter heavy investment in the loan,  
if a general Saturday night was in  
progress on November 17th.

The Bill Fuller sale at Laskay will  
be held on Saturday, November 24th  
at 12:30 noon, sharp. An extensive  
list of quality goods will be auction-  
ed by McEwen.

The Laskay Hunt Club got 8 deer,  
even with early return of two of its  
12 members.

Rev. G. McKay, Woodbridge, will  
officiate at Communion in churches  
of the Presbyterian charge on De-  
cember 2nd.

A Junior Institute was organized  
at Nobleton by Mrs. C. W. Marchant  
of Schomberg, with Agnes Hill,  
president; Reta Burnfield, vice-pres-  
ident; Marion Cain, secretary; Glad-  
win Pringle, treasurer.

**Price Control And  
Rationing Information**

Typical questions consumers have  
asked the Wartime Prices and Trade  
Board this week are answered by the  
Central Ontario Consumer Branch  
Committee.

Q. In rural areas do WPTB rental  
regulations apply? Is the length of  
notice to vacate the same in the  
country as for the city tenants? I  
am a tenant of the house only and  
do not rent the farm. Recently the  
owner sold the farm complete and  
wants us to vacate so the new owner  
can take over.

A. Properties solely used for agri-  
cultural purposes do not come un-  
der WPTB rental regulations. But  
other housing accommodation does.  
In your case, as you rent the house  
separately from the complete farm,  
you would come under the general  
freezing order and therefore cannot  
be given notice to vacate.

Q. I bought a two pound card-  
board carton of honey and the dealer  
took two coupons. Was he right?

A. Not unless what you bought  
was honey butter which has a cou-  
pon value of one pound. Cut comb  
honey and extracted honey each  
come two pounds per coupon.
