**Kiwanis Club Host
To Junior Farmers**

The Downtown Kiwanis Club, Toronto, were hosts at the Royal York Hotel on Wednesday, November 21 to 60 boys of York County who completed the projects in Calf, Swine and Grain Clubs. Also in attendance were the contestants in the Public Speaking Contest, the club leaders and the President of the York County Junior Farmers Association, Charles Haines, Newmarket. The occasion was "Agriculture" Day, a day set aside for the Kiwanis Club's programme when it honours Agriculture and compensates the juniors from York for work well done.

After the luncheon the Kiwanis Scholarship winners were presented with scholarship certificates and \$10 awards. The winners this year were Emery Miller, Newmarket; John Kennedy, Agincourt; Harold Lapp, Markham; Jim McCowan, Milliken; Allan Orr, Maple; Duncan Watson, Woodbridge; Glen Atkinson, Schomberg; Doug Marchant, Schomberg; Mr. Jesse Bryson, Woodbridge and Miss Orphie Orr, Maple, the high boy and girl in the Junior Farmers Public Speaking Contest were presented with \$5.00 worth of books.

As Short Courses at the O.A.C. have been cancelled for this winter, the money value of the scholarships will be used for an educational tour for the winners to Eastern Ontario. During the afternoon the boys were conducted on a sight-seeing trip through the Terminal Warehouse.

**Hog Producers Slow
In Registering**

Failure of hundreds of hog producers to register for the vote being taken by the Ontario Hog Producers' Association is liable to jeopardize the opportunity being offered these farmers to set up a marketing organization. W. M. Cockburn, Agricultural Representative for York who has been appointed Registrar and Deputy Returning Officer points out that all hog producers should register whether they are in favour of or opposed to the scheme, so he can mail ballots to every producer. It is doubtful whether any action will be taken by the Farm Products Control Board unless a good percentage of hog raisers register.

Registration has been extended to November 30th. Farmers with one or more pigs should either register in person or write to the Agricultural Representative, Newmarket, giving address, township, concession and lot. For the convenience of the farmers and to speed up registration the York County Federation of Agriculture has sent registration cards to every rural box holder. These must be mailed to the Agricultural Office at Newmarket with a post mark not later than November 30.

**Price Control And
Rationing Information**

Typical questions consumers have asked the Wartime Prices and Trade Board this week are answered by the Central Ontario Consumer Branch Committee.

Q. I am a farmer, do I have to collect coupons when I sell meat to my farmer neighbour?

A. Yes. Farmers who slaughter livestock must collect meat coupons for ALL the meat they sell. If meat is sold to other farmers, the rate is one M coupon for every 4 lbs. of meat even if it is necessary to collect coupons not yet declared valid. These coupons must be forwarded to the Local Ration Board at the end of each month in RB-61 envelope provided for that purpose.

Q. I am in the armed forces, I expect to have an extension of leave granted, where do I go to get my ration coupons?

A. Whenever "extended leave" is granted, a second ration card to cover such leave will be forwarded automatically by your unit to the address where you are staying, along with the notice regarding such extension.

Q. If I kill a deer this fall, do I have to give coupons for the meat?

A. No. Deer is one of the types of meat which is not on the meat ration chart, therefore no coupons need be collected for this meat at any time.

I have been discharged from the armed forces. How will I get a ration book?

A. The Army Demobilization Unit will give you an application form RB-64D when you are discharged. This should be completed in detail and taken or sent to your Local Ration Board. A ration book will be issued to you immediately.

Q. I would like to report a racket in some stores where clerks are tearing out more coupons than enough to cover a purchase. I have had coupons lifted three times now.

A. It's up to you as a shopper to check coupons removed at the time you are buying rationed goods. Don't leave it all to the busy clerk who may make the odd mistake. Know what coupons are valid and how much they buy. Storekeepers are doing their level best to make rationing work smoothly. It's up to consumers to do their part too.

Q. Would you please tell me the ceiling price on Spy apples? And do these prices hold for the farmer selling apples on the Hamilton market?

A. Retail ceiling price for No. 1 grade spies, closely packed is \$3.46 bushel, \$3.28 for loose packed. Top price for 6 qt. basket is 82c. and by the pound, 9c. These same retail ceilings would also apply on a farmers' market.

**Dr. Reeds To Address
Victoria Square J.F.**

The Victoria Square Junior Farmers and Junior Institute will hold their December meeting at the Victoria Square Community Hall Tuesday, December 4th at 8.30 p.m.

Dr. C. R. Reeds, veterinarian technician for the Maple Cattle Breeders' Association will address the Jr. Farmers. Dr. Reeds has had a vast experience with artificial insemination work in Waterloo County and has been very instrumental in the success of the Maple Association with which he has been associated since its beginning last spring.

Rev. Mr. McKay, United Church, Victoria Square, will be addressing the Junior Institute girls. A demonstration on "How to Wrap Christmas Presents" will be given also.

A joint meeting of the girls and boys will be held and a programme and refreshments have been arranged.

The Junior Farmers are hoping for a good turnout for this meeting by all juniors in the district and by any others who are interested.

**Potato Show At
Newmarket Dec. 7th**

The 500 Bushel Potato Club of York County is holding its annual potato Show and Banquet at Newmarket, Friday, December 7th. The Banquet is being held in St. Andrew's Presbyterian Sunday School room at 7 p.m., when the guest speaker will be Alex McKinney, Jr., of Brampton, past president of the Ontario Federation of Agriculture. Tickets must be obtained for the banquet from the committee in charge in advance.

The afternoon programme will be held in St. Paul's Parish Hall consisting of a Potato Show, educational motion pictures by the National Film Board and a report on the results obtained during the past summer in Western Ontario with a number of new sprays and dusts by Dr. G. H. Berkley, of the Plant Diseases Laboratory, St. Catharines and Prof. R. W. Thompson, of the Department of Entomology and Zoology, O.A.C., Guelph. This year the potato show will be divided into two parts, a class for half a bushel of Canada Fancy and a class for half a bushel of Canada No. 1 Large. In all \$250 worth of prizes will be awarded in four divisions.

The committee in charge consisting of Douglas Campbell, Mt. Albert; Cliff Wallwork, Ballantrae; W. T. Cook, Maple; Jack Petrie, Sharon; Frank Marritt, Keswick; W. M. Cockburn, Newmarket extends a cordial invitation to all potato growers to attend afternoon and evening.

bring back those

EMPTIES

!

The busy holiday season is
almost here — bringing with it
additional demand.

**CARTONS and BOTTLES
ARE SCARCE**

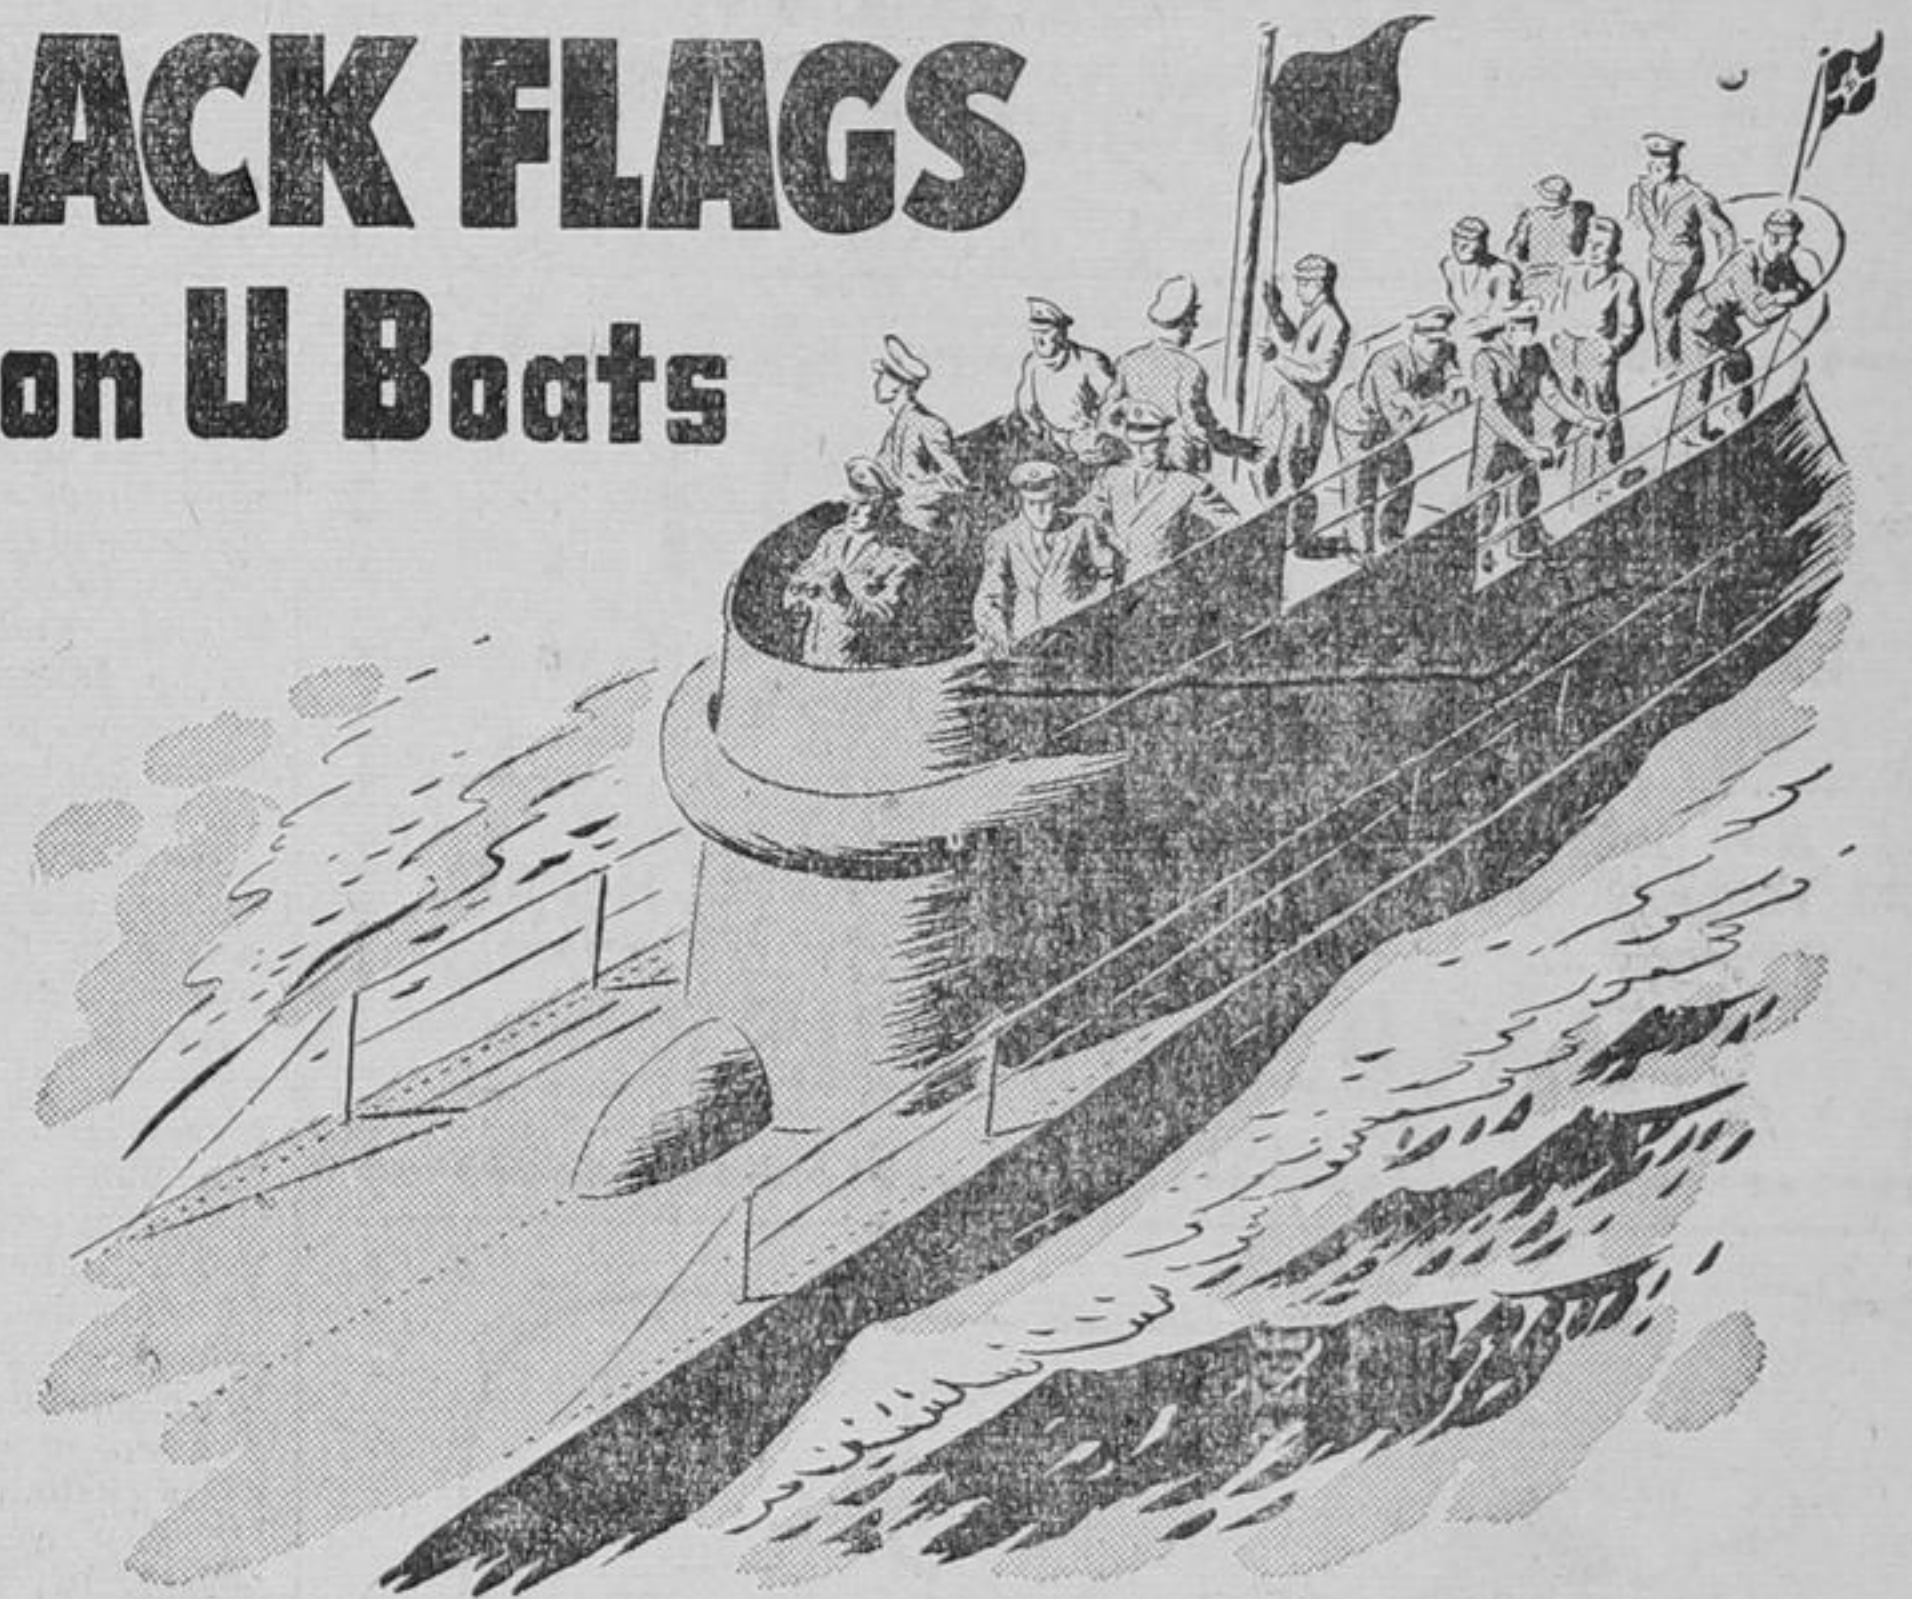

They will be urgently needed
to enable us to maintain a
steady flow of supplies to the
consumer.

Please return empties now. If
you can't bring them in 'phone
or write your nearest Brewers'
Retail Store.

THANK YOU

THE BREWING INDUSTRY (Ontario)

**BLACK FLAGS
on U Boats**

When Nazi U-boat commanders hoisted black flags of surrender, it was a "go ahead" signal to the three out of every eight Canadians who normally depend for their livelihood on export trade.

For five years the flow of foreign trade has been largely a government responsibility. But now, to help create peacetime jobs, Canadian enterprise must do its full share in finding customers abroad. This means doing business all over the world, in strange and distant cities, in a hundred languages and currencies.

Canadian banks have a key role in this complicated but essential peacetime task. Every day their foreign branches and correspondents arrange credits, handle documents and perform other intricate operations to bring buyers and sellers together across the obstacles of distance, language and custom.

This banking service is of primary importance to business and to every Canadian worker as Canada turns to the task of re-creating trade abroad to provide jobs at home.
