

To the Electors of Vaughan Township

I wish to thank the electors of Vaughan Township for an acclamation to council for the year 1946.

I will strive to serve to the best of my ability.

Marshall McMurchy

To the Electors of Vaughan Township

I extend thanks for the honour of election as councillor for 1946 by acclamation. The interest of the ratepayers will always be my aim and I will try to serve to the best of my ability.

BERT PHELPS

To the Electors of Vaughan Township

I wish to extend my sincere thanks to the ratepayers of the Township of Vaughan for my acclamation as a councillor for the year 1946.

PLANNING for EXPANSION OF RURAL TELEPHONE SERVICE

To keep step with farm progress and to extend service to more farm families, the telephone industry is working on important new devices and methods.

Plans are already under way for resuming the rural telephone expansion program suspended in 1940, when equipment and material became urgently needed for the armed forces. Surveys are being made to determine the needs and to provide the facts for carrying out plans to expand farm telephone service.

The goal is to bring the telephone to the greatest possible number of farm families.

St. Mary's Anglican 73rd Anniversary

(Continued from Page 1)
Society of the Diocese of Toronto to The Richmond Hill Congregation June 1862". This book will be on display at the Anniversary Services on Sunday.

Donated The Site
The land upon which the present church was erected was given by the late John R. Arnold of "The Hermitage", site of the home of Mr. R. D. Little, and is dated January 20th, 1871. Other small lots of land were added by Mr. Arnold in 1879, and by his executors in 1926. It is said that the wife of the late John R. Arnold was asked to name the new church, and she called it "St. Mary's". The present church was built in 1872, opened and dedicated on Sunday, December 8th, second Sunday in Advent, 1872, and consecrated free of debt on Sunday, October 3rd, 19th Sunday after Trinity, 1880. St. Mary's Church became a separate parish on July 1st, 1921.

The beautiful building is a good example of the early decorative English style of architecture. The church built on high ground at the southern approach of the village was ideally situated, and its tall tapering spire pointing life's travellers heavenward, may be seen for miles around. There are few church buildings built on this typically English style to be found in this country. In Toronto, the most outstanding example of this type is St. James Cathedral. It is probable that the architect of the Cathedral suggested the plan for St. Mary's Church. We do know that it was the architect of the Cathedral who drew the final plans for the enlargement of the vestry which was completed during the early part of this year.

Congregation Links
During the eighty or more years of its existence, the congregation has been linked first with Thornhill and later with Maple and King. It became a separate parish in 1921. The following clergy have served the parish, Rev. R. Shanklin who was in charge when the church was built, and who refused to accept any stipend while the church was in debt; Rev. W. W. Bates, Rev. J. Gibson, Rev. T. R. Haughton, Rev. T. W. Buckley, Rev. H. F. Battersby (later Canon), Rev. L. C. Secrett, and Rev. W. F. Wrixon, (Rural Dean) present Rector.

The beautiful memorial and other gifts to be seen in the church, are a link with the past history of the church, and a reminder of the loyalty of leading members. These include windows, altar and reredos, lectern, vases, communion vessels, choir pews, font, bell and other gifts. A bronze tablet on the north wall commemorates 20 years service freely given to the church by the first organist, Miss Christina Campbell.

During the past few years the congregation has moved forward, increasing its membership and making many improvements to the building. These improvements include new windows, new roof, new heating system, vestry and parish hall enlarged with the addition of a new kitchen, and two additional lots given by friends of the church, one to be reserved for a rectory and the other for a parish hall.

Anniversary Services
On Sunday next, December 2, the congregation will return thanks to Almighty God for over 80 years of worship and witness, 73 of which have been in connection with the present St. Mary's Church. All former friends and members as well as the public are invited to join with the congregation in these celebrations. There will be two services, 11 a.m. and 7.30 p.m. and the guest preachers will be the Right Rev. A. L. Fleming, D.D., Bishop of The Arctic, sometimes known as "The Flying Bishop", and the Most Rev. D. T. Owen, D.D., D.C.L., Archbishop of Toronto and Primate of Canada.

The church officers are appealing for a special Thank Offering towards the complete renovation of the steeple of the church, the cost of which will be about \$500. It is necessary that this work be started as soon as possible.

St. Mary's has had a great past, made possible by the loyalty of those who carried on, devoted men and women, sometimes few in number, but with vision enough to see a future for the parish. Their vision is about to be realized, for Richmond Hill is about to experience a boom in building and development, which must mean a boom for St. Mary's Anglican Church. We owe a debt to the early members of this and other churches. The chief value of the past should be to spur us on to a greater witness for God in this lovely "Toronto's highest and healthiest suburb."

Next Sunday is the day, 11 a.m. and 7.30 p.m. All invited.

Reeve and Deputy-Election in Vaughan

(Continued from Page 1)
ing for support in this election said he was no "sore head" and "if I lose I will not leave the township."

The county grant of \$150,000 for hospitalization may continue for some time, said Deputy-Reeve John Hostrawser and of 26 municipalities represented at County Council all were in favour of the grant.

"Weeds are very bad in the township and should be taken care of, but we couldn't get the labor," said Mr. Hostrawser. He declared that no matter who is in council next year taxes must be raised.

Early Election
Jas. Robson, candidate for reeve, said he was pleased with the idea of an early election this year, which means that everyone will have a chance to get out to vote as no road should be clogged with snow.

"Sidewalks on Yonge Street have been before council for the past 15 years and it is too bad that one taxpayer should be able to hold this work up," he declared, "but the work should be accomplished next year. Strong pressure was brought before the council to have the 3rd concession graded this year but nothing was done as this is a bad stretch of road both in winter and summer and more consideration will have to be given to the work. The government, he said, has bought considerable land in this section and will want the road in first class shape.

The residents of Pine Grove have petitioned Council for water supply, which will be supplied from Woodbridge. He explained adding that no small hamlet should be without water.

"The public purse is just what the taxpayers put in it, and if the council is going to spend more they must give more," said J. Albert Dick, candidate for the deputy-reeveship. "Our grader is in for repairs which will cost in the neighborhood of \$2,000 and if these strikes continue dear knows when we will get it. Last year's council accomplished less than ever and I for one was not satisfied with the past year's work."

Children Killed
Stewart A. Rumble, a member of last year's council, but who will be leaving the township and was not nominated, spoke briefly of the year's work.

Herbert A. Phelps, who received an acclamation, said: "Too many children are being killed on Yonge St. and there is only one remedy, that is, to have sidewalks not only for short stretches but the full length of the township. The walk below Richmond Hill will most likely be done this year as Markham is in favor of it. Also the Provincial government, but one taxpayer is the hold-up. An offer was made this man but he refused it, and when we came back with a further offer to buy ten feet of his property and give him a new hedge his price had jumped and he was asking an outrageous figure. The matter is now going before an arbitration board. Taxes will have to be raised. We promised the boys jobs when they came back and they are not getting them. Something must be done."

Carl Shaw, another new member, said he had no criticism of last year's council as the members were all serious minded men, but he felt that more money could be spent on the Kleinburg hill as there is room for only one car at a time.

Mr. Marshall McMurchy, also a member of the new council, was not present at the nomination meeting.

WHAT PRICE TURKEY?
With Santa Claus on the radio and parading down the streets, it is obvious to one and all that Christmas will rapidly be with us. People begin thinking in terms of big Christmas meals, key to which in most homes is a big luscious turkey.

So there will be no confusion about how much should be paid for that Christmas turkey, here are the maximum wholesale and retail prices as listed by Wartime Prices and Trade Board—

Maximum wholesale prices for young hens and toms (which is what most Christmas turkeys are) delivered to the buyer's place of business are: Special Grade, 38 1/2 cents per lb.; A. Grade, 37 1/2 cents; B. Grade, 35 1/2 cents; C. Grade, 32 1/2 cents. These prices are for loose-packed birds. For old hens, the price is 5 cents less per lb.; for old toms, 4 cents less. If box-packed, the wholesaler may add 1/4 of a cent per lb. to his price. These are the top prices stores will pay wholesalers.

The maximum price the housewife will pay for her turkey will be either 46 cents for Special Grade; 45 cents for A Grade; 43 cents for B Grade or 39 cents for C Grade. These prices are for loose-packed. If she buys a box-packed turkey, the ceiling price would be either 47 for the Special; 46 for B; 43 for C or 39 for C Grade. These prices are for young hens and toms, which are the majority of birds offered for sale.

You've Tried the Rest, NOW try the Best.
