**High School Notes**

The 1945-46 basketball season got off to a flying start as far as Richmond Hill High School were concerned when during the past week they took two decisive games from St. Andrew's College teams. Both were exhibition games and the first of the season for each team. Last Wednesday at Aurora the green and white defeated St. Andrew's Firsts 40-36 in a hard fought battle as close as the score indicated. Running up a 34-16 score early in the third period the Hill boys tired badly and St. Andrew's with a great scoring spurge just failed to tie up the game in the closing minutes. Neal, Moore and Collard stood out for Richmond Hill with Norm Alexander being a standout on defence. Errington, Malcolmson and Smith were best for St. Andrew's.

The second game was played Monday last in the local gym against St. Andrew's Seconds. The Saints were no match for the green and white as they piled up a 63-28 score. The game was never in doubt as the locals added basket after basket while a bewildered St. Andrew's team looked on. Clement, Collard and Stewart sparked the Hill team to victory while Edmunds, Martin and Horne saved St. Andrew's from a worse drubbing.
