**National Employment Service
 benefits THE WHOLE community**

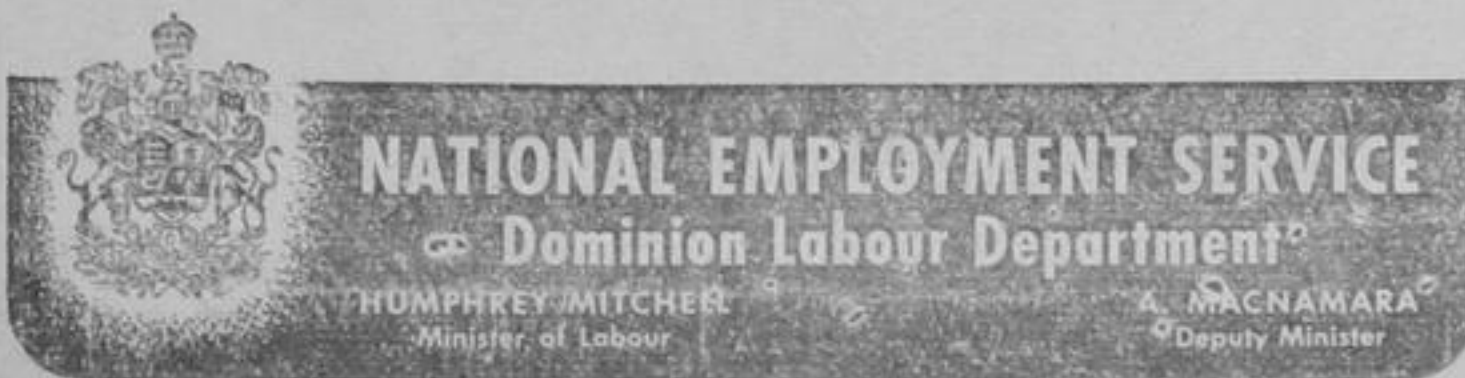

Regular employment and pay envelopes make for carefree families—for prosperous communities—for "good times" for employer and employee alike. The National Employment Service, with offices in more than 200 cities and towns across Canada, serves the needs of both employers and employees—and the local N. E. S. office takes its place in importance to the community among the time honoured community institutions—the Post Office, the Court House, the City Hall.....

Without National Employment Service, the worker is left to his own initiative to find a job to support himself and his family. The employer may be unable to reach workers he requires. National Employment Service is the clearing house through which employer and employee are brought together, so that both may have their free choice of the entire employment market.

**National Employment Service has
 5 main functions:**

- 1—Organization of the whole employment market, and bringing together employers and employees;
- 2—Collection of information on employment problems for the use of Government, Management and Labour;
- 3—Administration of Reinstatement in Civil Employment Act;
- 4—Dealing with Unemployment Insurance Benefits;
- 5—Dealing with Out-of-Work Benefits for Ex-Service Personnel.

Make full use of the Local Office of National Employment Service. It is there to serve your needs, and those of the entire Community.

Thornhill District News

The final meeting of the Red Cross will be held in Lawrence Memorial Hall on Tuesday, March 12th at 3 p.m. All interested are invited to attend, and those having knitting or wool are requested to bring it in.

This will be good news for those who have been waiting for wool. Mrs. Blackburn of LaGrove Gifts and Handicrafts reports that she received a shipment of wool last week and is now in a position to supply her customers. In addition, she is now carrying a line of ribbons for all purposes, both narrow and wider widths.

This is the final reminder of the World Day of Prayer, to be held in Thornhill Presbyterian Church Friday, March 8th at 3 p.m. This is YOUR meeting and YOU are invited to attend. Each of the local churches and Langstaff Baptist will be taking part, and there will be special music.

Mrs. Frank Findlay of Centre St. has been confined to bed for the past two weeks, but her friends will be glad to hear she is improving now and may be allowed up this week-end. Mrs. Findlay's daughter, Velma, of Unionville, has been nursing her mother.

Mr. John Greer of Centre St. is in Toronto East General Hospital where he is under observation.

In spite of the stormy day, quite a number of members of the Junior W.A. of Trinity Anglican Church met on Tuesday afternoon, February 26th. They are busy working on a quilt and are gradually getting their Spring bale together.

Trinity Anglican Choir has begun work on special music for Good Friday and Easter Sunday. We can confidently expect the same high quality that we have always experienced in their Christmas music. Mr. Howard, the organist and choir master, needs more men. Those interested will be made very welcome at choir practice any Friday evening.

The Anglican Advance Appeal is already showing results in increasing church attendance. It is the confident hope of the church that the movement will give increased vitality and spiritual power, as the church prepares to play her part in mending a broken world.

At a meeting of the Parish Council of Trinity Anglican Church held on Monday night last, the need was expressed for a sidewalk running along Yonge St. from one end of the district to the other. The church and Sunday School attendance of all our churches is adversely affected by traffic conditions, and the danger to pedestrians. It was hoped that all denominations would add the weight of church needs to see if something cannot be done to improve the situation.

Mr. Gordon Walker who was injured when struck by a car on Saturday, February 23rd, is improving gradually and the special nurses assigned to his case have been removed. Gordon has both legs in casts and will be in Christie Street hospital until around May 1st.

The United Church Young People are planning a special week-end for March 16th and 17th. A feature of the occasion will be the Sunday morning service of March 17th in which Capt. Eldridge Currie, a former pastor, will be guest preacher.

Lt. Tom Duncan of Sault Ste. Marie spent the week-end with his father and mother at the United Church parsonage.

Mrs. W. Wesley Sr. has been presented with a life membership in the United Church Women's Missionary Society. The membership comes from her fellow members of the Thornhill Auxiliary.

On Sunday morning last, Mr. N. L. Morton and Mr. Herbert Banting were ordained to the eldership in Thornhill United Church.

The W.A. and W.M.S. of Thornhill United Church will hold their regular monthly meeting at the home of Mrs. Johns, Yonge St., on Thursday afternoon, March 7th.

What Thornhill needs is a good shoe repair man. Mr. Bignall filled this position at one time but he left Thornhill some time ago. Here is an opportunity for a returned veteran. A course could be taken at the Rehab. Centre and an important need in the community filled.

Trinity Church Men's Club was reorganized on Monday evening, February 25th, after several years of inactivity. The men met in the men's room of Lawrence Memorial Hall and had an exciting game of carpet bowls. Thornhill defeated Langstaff by a fair margin, due partly to Billy Howard and his lucky bowl with a chip out of it. Many of the old members were present and found that hand and eye had not entirely lost their cunning. After the game, a short meeting was held when it was decided to postpone the election of officers till more members could be present.

The second meeting of the Men's Club was held on Monday evening last at 8 o'clock. It is hoped that the election of officers will take place next Monday night, and all members and prospective members are asked to attend.

The W.A. of Trinity Anglican Church met last Thursday afternoon at the home of Mrs. Thompson, Langstaff, with a large number of the members present. Both the president, Mrs. Tassie, and the 1st vice-president, Mrs. Frater, were ill, and in their absence Mrs. Ball presided. Plans were made to adopt some person in England, and to send a parcel of food each month. It was also agreed that the W.A. should sponsor a Handicraft Exhibition to take place in Lawrence Memorial Hall on June 8th. Everyone enjoyed the refreshments kindly provided by the hostess. The next meeting will be held on March 14th at the home of Mrs. Copp.

Sunday last was observed by Trinity Anglican Church as a day of continuous prayer in connection with the Anglican Advance Appeal. In twenty minute periods, one or more persons were in the church without a break from 7.40 a.m. until after the evening service. The evening ser-

vice was attended by a large congregation including many members of the Thornhill Year-up Club.

The pulpit of Trinity Anglican Church will be occupied by two guest preachers next Sunday. At the morning service the Rev. F. V. Abbott of Schomberg will speak, while in the evening the Rev. G. A. Stone of Newmarket will be the preacher. There will be an evening service each Sunday from now until Easter.

A southbound radial car left the tracks at Steele's Ave. on Sunday afternoon and plowed its way across Yonge St. Although it caused some excitement, no damage was reported, and a bus service between Steele's Ave. and Thornhill augmented the service from Toronto to Richmond Hill.

Mr. and Mrs. P. Bone and Mr. and Mrs. Bert Heslop are out of town for a few days in order to attend the Ontario Horticultural Association Convention being held at Niagara Falls. Mrs. Bone and Mrs. Heslop were appointed delegates to this convention which is to be held on the 7th and 8th, Thursday and Friday. Mr. Bone has a part in the program. A professor from Cornell University is to be guest speaker.

Prematurely springlike weather last week-end caused some discomfort to pedestrians and motorists alike when waters covered a section of No. 7 highway in Thornhill to a depth of a foot in some places.

Thornhill Amateur Athletic Association is sponsoring a St. Patrick's Euchre and Dance in Lawrence Memorial Hall on Thursday, March 14. The Year-up Club is decorating the Hall and putting on the entertainment. A contest for ticket-selling between the Year-up Club and the Amateur Association is being staged, and on the night of the dance, the losing team must push peanuts with their noses the length of the hall. Besides the 1946 Stewart-Warner radio being given for a lucky draw, there will be prizes for dances, and refreshments, and another record-breaking attendance is expected.

A miscellaneous shower was held at the home of Miss Kay Hemingway last Thursday evening in honor of Miss Marg. Longley, formerly of Thornhill. The wedding is to take place early in March.

Handicraft Show in the Offing

As everyone is interested in handicrafts these days it seems high time that we had another exhibition to discover what the many talented members of our community have been doing lately. The Women's Auxiliary of Trinity Church is therefore planning to hold a Handicraft Fair. The date has been tentatively set for Saturday, June 8th. That is three months away—plenty of time in which to get together some of the very best examples of your paintings, photography, weaving, wood carvings, cabinet making, hooked rugs, quilts, knitting, needle work, or what have you. Besides the work on view there will be some very interesting demonstrations in weaving, wood carving, etc. Music and refreshments will round out what it is hoped will be a very happy and memorable affair.
