Maple.

Len Jennings is home, discharged from the R.C.A.F.

The Knit-Wit Club met on Friday evening at the home of Mrs. Cal Miller to present Mrs. Roy Clegg, a recent bride, with a pair of beautiful crystal boudoir lamps with pale blue silk shades. Of the 15 members of the club 12 were present.

We are glad to learn that Mr. Charles Hadlow is improving in health after suffering a slight stroke some weeks ago.

The Women's World's Day of Prayer was held in Maple United Church auditorium on Friday, March 8th, the first Friday in Lent. Mrs. H. Bryan explained the meaning of the program very clearly which added a great deal to the enjoyment and understanding of the prayer service. Mrs. Wm. McCullough sang "Open Mine Eyes" and Mrs. Austin Robinson sang "Sweet Peace, the Gift of God's Love". The entire service was very beautiful and all those who attended went away with the feeling that they were glad to have been there.

Maple United Church Y.P.U. joined with Victoria Square and Brown's Corners in a joint meeting with Richmond Hill Young People in the Sunday School room in Richmond Hill United Church on Monday of this week. They had a very enjoyable evening of games and contests. These "get-togethers" are a good thing and should be encouraged.

Mrs. Robert Jones is visiting her son Arthur and family in Toronto this week.

METAL FEEDERS

Always keep feed clean

Purina Flock FOUNTAIN
Seamless, easy to clean, removable guard, all metal.

ELIMINATE the feed hazard in chick raising

It isn't enough to know the analysis of a feed—you must know how that analysis is made up. You must know how many pounds of the expensive ingredients like powdered milk, meat meal and cereal grass are in the feed.

And you get this information, right down to the pound, of every ingredient in CAFETERIA Chick Starter.

We can't invite you to compare the ingredients of CAFETERIA Chick Starter with other chick starters for no other feed gives you full formula information.

We invite you to visit your nearest MONARCH and CAFETERIA feed dealer to check over the complete list of ingredients in CAFETERIA CHICK STARTER.

CUSTOMERS' Suggestion CORNER

For Rural Telephone Service

One Customer Writes:
"Devise some means so that if neighbours must listen in, they can at least repeat correctly what they heard."

BEHIND this half-joking suggestion is one of the most serious of all causes of dissatisfaction on the part of rural telephone subscribers... the "listening-in" habit.

If you find someone already on the line, please make it your rule always to hang up immediately. Your neighbours will appreciate it... and are more likely to grant you privacy when you have occasion to call.
