ELIMINATE the feed hazard in chick raising

It isn't enough to know the analysis of a feed—you must know how that analysis is made up. You must know how many pounds of the expensive ingredients like powdered milk, meat meal and cereal grass are in the feed.

And you get this information, right down to the pound, of every ingredient in CAFETERIA Chick Starter.

We can't invite you to compare the ingredients of CAFETERIA Chick Starter with other chick starters for no other feed gives you full formula information.

We invite you to visit your nearest MONARCH and CAFETERIA feed dealer to check over the complete list of ingredients in CAFETERIA CHICK STARTER.
