King City District News

Week of Prayer for Churches at King
 During Holy Week, April 15 to 19, inclusive, observance of a Week of Prayer will be held in churches at King commencing at 8 p.m. Rev. H. Wilson, Rev. E. W. G. Worrall, Rev. M. R. Jenkinson and Mr. Roy Boak will officiate. The following program is outlined, with significance extended to all in the surrounding district to attend.
 Monday, April 15—Anglican Church, The choir of Christ Church, Deer Park, Toronto, will present St. Augustine's Sacred Cantata, "The Crucifixion," with Mr. John Lovick, conductor and organist.
 Tuesday, April 16—United Church, The Policemen's Christian Association of Toronto.
 Wednesday, April 17—Presbyterian Church, Eversley. A Veterans' Christian group.
 Thursday, April 18—Baptist Church, The Music Class of Temple Baptist Church, Toronto.
 Friday, April 19, Good Friday — In the Anglican Church, 1.30 to 3.00 p.m. "The Hour of the Cross." The United Church, 8 p.m. — The Gideons.
 On Thursday afternoon, April 18, afternoon tea and a sale of aprons will be held at the home of Mrs. J. Morris, King, under the auspices of the United Church W.A.
 A Christian Endeavour group has been formed in the community of Oak Ridge, embracing all young people. Mr. Charles Minty, Toronto district leader, addressed a gathering explaining the aims and purpose of the Endeavour as a Christian movement and the idea met with favour with both young people and parents. Returning to his parish after serving overseas for four years, Rev. E. W. G. Worrall, the rector, found no activity for the young of the district. Under his inspiration the Endeavour will carry on. Miss Elizabeth Hughey was selected as president; Carl Beynon, vice-president; Anna Cardie, secretary; Peter Sermo, treasurer. Mr. Minty and Toronto groups gave an exemplary program on Monday evening.
 The Easter message for Laskay W.M.S. was given by Rev. M. R. Jenkinson on April 3rd at the home of Mrs. Leslie Glass, Mrs. Jesse Richards presiding. Devotionals were taken by Miss W. Boys, Miss Helen

Hunter and Mrs. Leonard-Glass, On May 1st the society plan to entertain King and Teston groups when it is expected Mrs. Roger Self, prominent W.M.S. official, will speak. Mrs. Effie Bath contributed a reading to the program.
 Eversley W.A. met at the home of Mrs. Fred Curtis last week and Miss Lillian Shuttleworth gave an appropriate Easter reading. Mrs. Curtis will entertain Eversley W.M.S. at the Easter Thankoffering meeting on April 17. A speaker may be secured for the meeting.
 Mr. Bert Woods has removed to the 4th concession to the farm owned by Earl Lloyd of Snowball.
 The date set for discussion of a public library here, as Tuesday, April 16th, conflicts with the hour of prayer service in the United Church during the Week of Prayer. This arrangement being unintentional, those in charge wish to announce that the hour for the library meeting has been set forward to 9 p.m. April 16th in place of 8 p.m., the time set for the church service. The change is expected to allow for both events. Will districts notified, please note the change and endeavour to hear Major Angus Mowat, Inspector of Public Libraries explain the advantages and uses of a public library system. Meeting will be held in King Memorial Hall.
 Congratulations to Mr. and Mrs. W. G. Follitt, Toronto, on the birth of their son on April 3, mother and baby doing well. Mrs. Elizabeth Follitt, Eversley, is now a proud grandmother.

Brown-Hunter Nuptials
 Wearing the wedding veil which was worn by her great grandmother, her grandmother and her mother, and a 90 year old heirloom gold coin locket, Edna Gladys Hunter, daughter of Mr. and Mrs. Arthur Hunter, King, became the bride of Lester Watson Brown, son of Mr. and Mrs. James Brown of King, at the bride's home on Saturday, April 6th. Rev. Harry Wilson officiating. The wedding music was played by the bride's sister, Eunice Hunter.
 An evergreen arch and colored foliage plants, formed the setting for the ceremony. Given away by her father, the youthful bride chose a floor length gown of white silk jersey fashioned on torso lines, sweetheart neckline, pannel bodice and shirred skirt. The train length lace edged net veil was held in place by flowers and folded to shoulder length. Her flowers were a nosegay of red roses.
 The attendant was Elsie Annett of Alliston, attired in blue sheer gown flower headress, and carrying a nosegay of pink carnations. The groom was supported by his brother Fred.
 For the reception the bride's mother was dressed in turquoise two-piece dress, with corsage of pink roses. The groom's mother chose mauve and a corsage of rosebuds.
 The bride changed to a travelling costume of brown wool gabardine suit, brown sequin hat and veil, brown accessories and mixed corsage. After a trip to Buffalo and other points, the couple will reside here.
 Present at the wedding were the bride's grandparents, Mr. and Mrs. Robert Hunter of Port Perry who celebrated their 51st wedding anniversary on March 6th.
 Winter euchres brought returns to Laskay Women's Institute, with a clearance of \$48 after six prizes for each euchre and other expenses were met.
 Eighteen tables played at the King W.I. euchre held on April 5th. Proceeds went to library furnishings. Twenty-four neatly constructed tables were in use, made by King Athletic Association, the material donated by Mr. E. M. Legge. Miss Norma Legge gave two pieces of kitchen equipment, acceptably received.

Mrs. Walter Monkman at Rest
 The death of Mrs. Walter Monkman, Sr., came suddenly at her residence on Monday afternoon, April 8. Suffering from arthritis for many years and latterly from failing eyesight, Mrs. Monkman bore her affliction bravely, maintaining cheerfulness and continued interest in others. She was a member of St. Andrew's Presbyterian Church, Strange, also the W.M.S. She attended Eversley W.M.S. when her health permitted and often found pleasure in selecting the hymns for the meetings. Mrs. Monkman was formerly Ellen Thompson, daughter of the late William Thompson, 2nd concession of King. She was one of a family of 12 children of whom three now survive, John, Oak Ridge; George of Aurora and Charles of Weston.
 Fifty years ago she married Mr. Walter Monkman and they settled at Strange, until retirement a few years ago. Surviving are her husband, and two children, Jessie at home and Walter, on the farm. Mr. Roy Boak conducted the funeral service held from the residence Thursday, April 11, interment in King Cemetery. Expressions of condolence are extended to the bereaved family in the loss of a wife and mother, whose patience was enduring.
 The younger boys and girls of King meet in Memorial Hall each Saturday evening to enjoy supervised entertainment and refreshments.

UNIONVILLE

Horticultural Society
 "April showers bring mayflowers," So we have been told.
 "May flowers will be needed For the Spring Flower Show."
 Here we go for another evening of fun and entertainment. Those who attended the first meeting know how enjoyable the evening was and this one will be just as much fun. We are having another contest, so bring along a pencil and come prepared for a good time. We have a very interesting speaker from the North Toronto society, Mr. Van Cleemput. His subject will be General Gardening. There will be slides well worth seeing. We feel you will not want to miss this meeting. Our Spring Flower Show is to be discussed by the president, Mr. James. He would like to meet all our members. The premiums are to be given at the May show, also the judging of the posters which are being designed by the boys of the senior room of the Public School. Any members who paid in 1943 are still paid up members for 1946, so if you have misplaced your card we still have your number. Keep in mind the date, Monday evening, April 15, 8 o'clock sharp at the Township Hall. Don't forget your garden problems. Come and bring a friend.
 Rev. Oswald and Mrs. Dyke and son are to be in our community for the next three months. Oswald is attending college during that time before taking up further ministerial duties. We are pleased to have them back with us again.
 Welcome home to R. W. Perkin and John Thompson both of whom arrived on Sunday evening. This is John's first homecoming after several years overseas with the RCAF. Reg. was home last summer for a leave before taking up duties with the Occupation RCAF.
 We are pleased to report that Mr. S. Snowball has sufficiently recovered from his recent painful accident to return to his former duties. He was working on a large boiler at Jupp Construction Yards, Toronto, when the boiler exploded burning his face and arms severely. He was fortunate to be wearing glasses at the moment which saved him from being blinded by the impact.
 The Library Board are pleased to acknowledge the gift of a sum of money from the Lions Club of the community. This sum is to be used for the purchase of juvenile books.
 We welcome the newcomers to our village and district. Mr. and Mrs. Duffield and family of Toronto moved into their home last week, recently purchased from Mr. B. Gayman. A new barber has taken over the business from Mr. Howard Findlay. Mr. Barrett began his duties two weeks ago.
 Mr. and Mrs. T. Marshall, former residents of Unionville and now of Chardon, Ohio, were visitors at the home of her brother, Mr. A. L. Brown and family last week.
 Mr. W. McGillivray of Scotland was a visitor at the home of Mr. and Mrs. J. Russell this week.

A TOUCH OF HUMOR
 Women's faults are many,
 Men have only two;
 Everything they say
 And everything they do.

Urgent Call For Boys And Girls For Early Camps

The first of the Farm Service camps to be operated this year by the Ontario Farm Service Force will be opened April 12 and 15, and a call has been issued by Alex MacLaren, Director of the Farm Service Force, for boys and girls to fill up these camps as soon as they are opened. Camps for girls are to be opened at Beamsville, Winona and Vineland, while there will be boys camps in operation by April 15 at Burlington, Harrow and Leamington. The boys and girls are needed at once for greenhouse work, and transplanting of early vegetables.
 Owing to the fact that high school boys and girls cannot be released from school for farm service until May 23 this year, it will be necessary to fill up these early camps from other sources, and any and girls who can be made available from April 12 on are urgently requested to register at once, as Mr. MacLaren is anxious to have the camps opened with a full quota of workers in the areas where they are greatly needed. The camps will be operated under the supervision of the Y.W.C.A., which will also be responsible for the feeding of the boys and girls. Good rates of pay will be paid by the farmers, and with help so scarce this year, the boys and girls who go to camp should be able to earn and save substantial amounts of money.
 Mr. MacLaren also reports a tremendous demand for help for individual farmers and boys and young men who are desirous of being placed on farms for the whole season are also asked to register.
 Volunteers for this essential farm service work are asked to register with the Ontario Farm Service Force, 112 College Street, Toronto, either by mail or by personal call, or to telephone to Mr. MacLaren at Adelaide 6931.

A profit is honored in any man's country.

In the majority of cases
CANCER
 CAN BE CURED

The newest precision tube x-ray machine for treating cancer costs \$100,000.

1000 Canadians die of cancer every month. Cancer specialists are convinced that the majority of these lives could be saved if proper treatment were given in the early stages of the disease.
 That is the aim of the campaign against cancer now being organized in Ontario—to cut down this costly loss of life now being exacted by cancer.
 It is proposed to establish cancer clinics at suitable centres throughout the province where all who suspect they may have cancer may be examined, and receive the proper treatment if necessary.
 Plans are also under way to pay a portion of the cost of treatment of cancer, as well as travelling expenses, for those needing financial help.
 The third objective of the campaign is an energetic program of cancer research in Ontario with the aim of discovering a specific cure for cancer, or for some means of preventing the disease.
 Cancer research carried on to date has been entirely inadequate. It is estimated that less than \$100,000 is being spent in the whole of Canada on cancer and related subjects.
 Cancer can be conquered. If science is able to organize sufficient forces against the scourge of cancer, the solution will sooner or later be found.
 Your contribution is needed—to cut down the death rate from cancer now—to carry on the search for a method of ridding the world of this dread disease.
 This appeal is for an objective of \$2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

GIVE TO CONQUER CANCER
ONTARIO CANCER FOUNDATION
 This organized drive against cancer is a joint effort of The Ontario Cancer Treatment and Research Foundation and The Canadian Cancer Society.
