### County Jr. Farmers At Prov. Convention

The Ontario Junior Farmers' Association Annual Meeting was held at the Ontario Agricultural College, Guelph, on Thursday and Friday, April 25th and 26th. The York County delegation of approximately 30 juniors represented the local clubs of Sharon, Unionville, Vandorf, Vellore, Virginia and Victoria Square as well as the county association. The total attendance was over 500 and delegates were present from New York and Michigan States and Quebec.

The highlight of the Thursday morning session was an address on "Supplementary Agricultural Education" by Mr. Norman Lindsay, supervisor of Rural Adult Education. He stressed the fact that greater use should be made of rural schools for this type of education.

Miss Ethel Chapman, Women's Editor, Farmer's Magazine, spoke on "Home Improvement" and pointed out how farm surroundings can be made more attractive in many ways.

Mr. James Moore, a former assistant agricultural representative in York County, now representative in Brant County, gave a talk on "Present Problems in Local Junior Farmer Organizations".

A banquet was held in the evening when Mr. Nobel Clark of the University of Wisconsin was guest speaker. A short play, "The Trial Scene from the Merchant of Venice" was given by the Wentworth County club. A very enjoyable dance completed the evening's entertainment.

On Friday morning while the girls were addressed by Dr. J. H. S. Truscott of the O.A.C. Horticultural Department on "Clothes and Foods", the boys were given the opportunity of seeing a parade of College Livestock which Prof. A. D. Rationz, stated was used for judging as well as seed stock in the province. Mr. Fred Campbell, Agricultural Representative for Ontario County presented the "Farm Management Project" as it is being carried on in Ontario.

During the convention Howard Laidlaw of Norval, Junior Farmer delegate to the World Youth Conference at London, England, last year, gave his report.

The election of officers was held Friday afternoon with the following results: President, Warren Emmott, Brantford; Vice-President, Wesley Down, Hilton; Secretary-Treasurer, A. H. Martin, Department of Agriculture, Toronto. Of the 15 directors Ross Beattie, Stayner was re-elected for Simcoe and York.

### THREE GREAT RECORDS IN CANADIAN HOLSTEIN HERD ONE A NORTH AMERICAN CHAMPIONSHIP RECORD

The making of a record of 1,000 lbs. butterfat is considered to be a great feat and at least 99% of the dairymen in Canada have never in their lifetime owned an animal capable of doing this. When three such records are reported from one herd in the same month, the feat becomes very outstanding and when one of the animals concerned makes a North American record it is indeed worthy of note.

The Glenafton herd of J. J. E. McCague, Alliston, Ontario, is the home of the trio of purebred Holsteins that have just performed this "hat trick". Montvic Colleen Abbecker has set a new Canadian record over all breeds and a North American record for the Holstein breed for butterfat production in the Senior three-year-old class of the yearly division on three-times-a-day milking with her production of 1,059 lbs. butterfat from 22,182 lbs. milk, average test, 4.77 percent butterfat. She broke a record that has stood since 1924 when Springbank Snow Countess, owned by T. R. Dent, Woodstock, set the previous Canadian record of 979 lbs. fat. It is interesting to note that "Colleen" combines with her three nearest maternal dams for the four-generation average yearly production of 918 lbs. butterfat.

The other two animals of the Glenafton herd that have just completed 1,000 lb. records are Hilda Countess De Kol, with a mature production of 1,008 lbs. fat from 24,871 lbs. milk in 365 days, and Abbecker Dutchland Monogram with 1,002 lbs. fat from 24,147 lbs. milk as a senior four-year-old in 365 days on three-times-a-day milking. "Monogram's" record is third largest for fat of any yet completed in this class in Canada. "Hilda" has been graded "Excellent", the highest classification in Selective Registration and was second prize Aged Cow at the 1944 Oakville Regional Championship Show, and was nominated for All-Canadian.
