

## THEFT OF MILK BOTTLES TO MEAN GRIEF FOR BOYS

Residents have been complaining that milk tickets, money and bottles have been disappearing recently from their door steps.

Constable Bert Mabley to whom the complaints are made states that he has a fair idea of the youths who are thus not only making themselves a nuisance but also breaking the Criminal Code and rendering themselves liable to arrest and appearance in the county juvenile court with reform-school or probationary disposition of their case following.

Only recently a young man in a community not far from Richmond Hill was sentenced to six months for milk bottle thefts. As a first offender, he failed to make good when put on probation and when caught later, charged with the same offence, exemplary punishment was administered.

The authorities of Richmond Hill hope that a warning will end the thefts here, but they point out that they cannot condone any further offences.

## Fire Destroys Barn On Sullivan Farm

Fire of unknown origin completely destroyed the barn on the farm occupied by Mr. Frank Sullivan and family on Thursday evening last.

Starting in the hay mow the fire made its way through the building before it was noticed, and the barn was a mass of flames before help could be summoned. The Richmond Hill volunteer fire brigade were quickly on the scene and it was only through their splendid work that the milk house and equipment was saved. The upper part of the barn was a complete ruin but the fire was checked before it could eat its way into the stalls and lower section of the barn.

The Aurora fire brigade also answered the call and gave excellent assistance with their modern and up-to-date equipment.

On Monday afternoon, fanned by the high winds, the fire broke out again and the Richmond Hill brigade were called to the scene.

## Vaughan Council Asked To Change Building Restrictions, May License Tourist Cabins and Trailer Homes

Mr. Barnes of the York Building Co. and Mr. Chas. Smith of Thornhill appeared before Vaughan Township Council at its regular meeting on Tuesday afternoon asking council if they would amend their building by-law so that the pre-fabricated houses may be built in the township.

At the present time this type of house does not come up to the regulations required under the Building By-law for the section in which these houses are to be erected. The regulation calls for a house of solid construction, and before they can go ahead with these homes the by-law must be changed.

Vaughan Council will consult their solicitors to see what action must be taken before going further.

The licensing of tourists cabins and tourist homes in the township was

another question which came before council for consideration. At the present time no control is had over this subject and the council members are in favor of governing this form of residents in the township. A by-law is being prepared and what the fee will be is not known.

In the future the township schools' treasurers books will be audited by the auditor appointed by the township council, instead of two auditors for each school section.

More trees will be planted on the county roads in the township. This was revealed at the meeting but just what kind of trees and how many will have to be decided. The money for this planting was left to the York County Roads Association by the late Thomas Foster, former mayor of Toronto, a great lover of outdoor life.

## Richmond Hill High School Promotions For 1946

The following students, in alphabetical order in their respective forms, have passed successfully the tests required for promotion to the next higher grade. Those named in the A lists have passed in all the subjects of their courses and are promoted unconditionally; those in the B lists have failed in one subject (indicated in brackets after each name) which must either be repeated in the lower grade or abandoned.

IX A to X

A—Janet Abram, Arthur Bone, Doreen Boyington, Bruce Chamney, Jean Cooper, Doreen Downey, Jocelyn Easton, Lorne Evans, Harold Forster, Barbara Ground, Jean Hobbs, Albert Jones, Bruce Jones, Agnes Kinnee, Ruth Love, John Lanthier, Bruce Laver, Norman Middleton, Austin Patterson.

B—Robert Bruce, art; Grace Guppy, math; Clarence Kovak, math; James Rice, math; Bernard Waters, Art and Music.

IX B to X

A—Jean Crossley, Aileen Easton, Kathleen Little, Betty McGrath, Donald McQuay, Robt. Mellor, Gloria Parisi, Wm. Sanderson, Edna Sanderson, Joyce Sherman, Catherine Smith, Lois Snider, Silvio Steffan, Isobel Stephenson, Willis Stephenson, John Thibert, Donald Wilson, Jas. Woods, John Wynn.

B—Sylvia Maddeaux, Art and Music; Barbara Reardon, Art and Music; Ralph Smith, French.

X to XI

A—Rita Dickey, Joan Franklin, Joy Grove, Dorothy Hood, Jno. Johnson, Blanche McArthur, Geo. Miller, Joan Murphy, Shirley Mylks, Anna Orr, Roy Taylor, Ethel Thomas.

B—Kathleen Barber, Eng.; Gordon Cooper, Fr.; Jeanette Jackson, Mus.; Muriel Mallory, Mus.; Doug. Moore, Br. Hist.; Lois Palmer, Mus.; Murray Wallen, Eng.; Verna Stewart, Eng.

B—Norman Davis, Typ.; James Kerst, Stenog.

XIC GRADUATES  
Margaret Goulding, Donald Mellor, XI to XII

A—John Atkinson, George Bailey, Doris Bowyer, June Butt, Elizabeth Flood, Vera Hetezky, Sally Hogg, Marion Hood, Audrey King, Jane Little, Violet Mihorean, Josephine Moore, Margaret Mortson, Belford Panke, Helen Patterson, Margaret Reid, Margaret Scott, Patricia Watson.

B—Kenneth Hirtz, Alg.; Marion MacKillop, Fr.

XII to XIII

A—Nancy Austin, Ray Charles, Mac Clement, Mary Green, Robert Hirtle, Donald Little, Marian Little, Ian McAllister, Helen Topper.

B—Peter Bawden, Chem.; Robert Brethen, Alg.; Heather McAllister, Lat.; Lorne Musson, one language.

## County Orange Lodges To Parade Here Sunday, July 7

The Worshipful Master and officers of the County of West York Loyal Orange Lodge No. C45 will hold their annual church parade in Richmond Hill on Sunday, July 7th. This is the first time the County of West York Orange Lodge has ever held its annual church parade in this village. There will be Orangemen from all the Lodges in the counties of West York, North York, East York and South Peel. No banners will be carried in this parade but regalia of primary, district and County Lodges will be worn.

The parade will form up on Hunt Avenue in the northern part of the village and parade south on Yonge St. to the United Church, led by the County Lodge of West York at 2:30 p.m. Bands will be in attendance and a piper and drummer will provide the music for the local Orangemen and Orange women. Church service will be at 3 p.m. and a good strong Protestant service will be preached by the Rev. C. B. Brethen for the brethren. Turn out and see this parade as it will be well worth while. The parade is being held here for the purpose of bolstering the local lodge which is making rapid progress on the comeback trail.

A good turnout of citizens to see this parade will be greatly appreciated by local Orangemen and Orange ladies.

All Orangemen are invited to parade with the brethren. Veterans that are Orangemen are invited to wear service ribbons.

The lesson will be read by 84-year-old Right Worshipful Brother Fred Bowering, honorary member of the Grand Lodge of Ontario West and at present County Chaplain of West York.

## Mulock Trophy Won By Toronto Bowlers

The Mulock Trophy, being played this year for the fourteenth consecutive year, was won by the strong Withrow rink of Toronto skipped by Jas. Dougheny. This was the first time Mr. Dougheny had won this, and it was also his first trip to the local green in a good many years. He congratulated the local club on their excellent greens. His score was 57 plus four for three wins.

A local rink took away second prize with a score of 50. The rink was composed of R. W. Hall, T. B. Lamb, Dr. R. K. Young and Gar. Yerex skip. High for two wins went to Archie Stringer of Balmly Beach, and the single win to W. Walton of Agincourt.

Sixteen rinks participated in the day's affair from Newmarket, Uxbridge, Whitby, Stouffville, Agincourt, Toronto.

The Women's Institute of the village provided the lunch which was very much appreciated by the bowlers.

## Mrs. Lucy Crockett Dies Orange Home's Ex-Matron

Mrs. Lucy Crockett, first matron of the Loyal True Blue and Orange home here and a woman beloved by the former children of the home and by Richmond Hill residents who had come to know her, died this week at the home of her nephew, R. H. Wannell at Morrisburg. She was the widow of the late Harry Crockett and sister of William Wannell of Cape Town, South Africa. The late Mrs. Crockett was associated with the administration of the Orange home at Picton.

"She was a woman of very lovable characteristics," said a Richmond Hill friend, "and she endeared herself to her little charges without exception. They will not forget her nor her policy of making their interests and their future paramount to all other considerations."

The funeral takes place Thursday from Wright & Taylor's Funeral Home to St. Mary's Anglican Church with interment in Richmond Hill cemetery. The ladies of L.O.B.A. No. 894 will have charge of the service at the grave.

The pallbearers were Mr. Wm. Elliott, Mr. Wilson of the Orange Home staff and Fred Bunce, Jellicoe, and Albert Payne, former members of the Orange Home.

Children of the Home who were

under Mrs. Crockett attended the funeral service.

The service was conducted by Rev. W. F. Wrixon.

## Country Homes For Children Wanted

An urgent appeal is being made by the Protestant Children's Homes at 28 Selby Street, Toronto for foster homes for boys from eight to fifteen years.

Homes are required for boys for a period of a few months and in some cases a few years. The foster parents are paid \$20.00 a month plus Family Allowance. Clothing, medical, dental care and pocket money are supplied by the agency. The boys come from homes where because of illness or desertion there is no one to care for them.

Anyone who can provide a home for the boys is asked to get in touch with Protestant Children's Homes at 28 Selby Street, RA. 5121.

Homes are accepted within the radius of 35 miles of Toronto.

## 'Hill Lacrosse Team Drop From League

The Richmond Hill Lacrosse boys in the senior race will not play tonight. At last night's game at Maple only four players turned up and this was a bad disappointment to the management. This means that Richmond Hill will drop from competition in the North York Lacrosse League.

To start the league off Richmond Hill defeated Combines, and at that time looked as if they might have a real good team. Players gradually dwindled away or else forgot there was a game and last night's game was the climax. It is not through the lack of financial support that the players wouldn't turn out as the local team is one of the best off with the money.

It seems too bad that Richmond Hill has to drop from this for the village was always noted for lacrosse in former years. If the boys didn't want to play they should have entered the league.

The management would like the sweaters returned as there is need for these for other teams.

## Orange Home Folk Hear Fine Program

On the evening of Friday, June 21, a small group of very talented entertainers visited the Orange Home in Richmond Hill, and there put on a very remarkable show, which was sponsored by the Western Star, L.T. B. 396, and who were accompanied by the Beaver Lodge No. 490.

The program of entertainment was as follows: Irene Peel, ukelele, electric bulbs, soloist; "Flying Washingtons", acrobatic roller skating; Wm. Peel, pianist; Sandra and Ross Clement, tap dancing; Walter Findley, magician; Irene and Walter, instrumental duet.

The program was varied and entertaining, and was enjoyed by everybody. Following the programme, refreshments were served, while the visitors were conducted to one of the class rooms to view an art display that had been put up by the children.

All in all, this was thought to be one of the nicest entertainments and finest evenings that we have had in a long while.

The "Ambitious City", L.O.B.A. of Hamilton, also entertained the children and brought a wonderful box of toys and clothing, and treated the children to ice cream and cake on the lawn. These treats are always looked forward to by the children, who appreciate the interest that outsiders take in them.

## "Not Birds Eye Centre" Passing Motorists Warned

Many residents of the village who had occasion to cross Yonge St. over the holiday week-end complained that motorists appear to be paying little if any attention to the speed permitted them from one boundary of the village to another.

"Some of them seem to think Richmond Hill bylaws are of about the same importance as those of Birds Eye Centre," observed a Yonge St. merchant. "I saw many near accidents ascribable entirely to the speed at which the cars went through the village."

"Provincial police cannot be everywhere at once, and what could they do, anyhow, with a whole string of cars, one following the other at speeds in excess of the law? They could halt and oblige them to go slower, but the village itself could do that if we had a signal in charge of an officer, such as we had at Fair Day. Such a signal would cost only a few dollars. Why can't we have one at once for week-end traffic? Why wait until we can get an electric signal system, and in the meantime leave us with a hazard to human life?"

same importance as those of Birds Eye Centre," observed a Yonge St. merchant. "I saw many near accidents ascribable entirely to the speed at which the cars went through the village."

Why can't we have one at once for week-end traffic? Why wait until we can get an electric signal system, and in the meantime leave us with a hazard to human life?"

## Anglicans Hold Farewell Party For Charles Family

Immediately following the services on Sunday last the congregation gathered in the Parish Hall at St. Mary's Anglican Church, Richmond Hill, to say farewell to the Charles family who expect to move to Woodstock, Ontario in the near future. The gathering was called to order by the Rector, Rev. W. F. Wrixon, who spoke feelingly of the loss the congregation would sustain in the removal of the Charles family. Mr. Wrixon spoke of the long association of the family with the church and the several organizations of the offices of Lay Delegate to the Synod, Rector's Warden and Chairman of the Anglican Advance Appeal, and Mrs. Charles having been active in connection with the choir, A.Y.P.A. and the W.A. Mr. Wrixon spoke of Ray Charles connection with the choir, being one of the first boys to join the choir after Mr. Wrixon's coming to the parish. Mr. Wrixon said that Richmond Hill's great loss would be Woodstock's great gain, especially in the church to which they were going. The Rector then called upon Mr. Boyd, the People's Warden, who, in a few well chosen words made a presentation to Mr. and Mrs. Charles of a beautiful set

of mahogany tables, being brought in by Mr. Charles Bancroft, the Rector's Warden. Following this presentation by the congregation, Miss June Butt made a delightful little speech and presented Ray Charles with a lovely Hymn and Prayer Book from the choir. Mr. Charles, greatly touched, expressed the thanks and appreciation of the family for the reception and gifts, and spoke of the gain and pleasure he had received in his association and service with St. Mary's Church. A delightful lunch, served in the cool of the Parish Hall brought the proceedings to a close. Mrs. P. C. Hill, Mrs. W. F. Wrixon and Mrs. D. Boyd were the committee in charge of refreshments, and Mrs. H. A. Nicholls and Miss N. Russell poured tea.

## PEA FACTORY COMMENCES ACTIVITIES

The pea processing factory at the end of Centre St. East commenced this week on its job of threshing. Already several loads of peas have been delivered. During the early spring additional space had been added to the plant.

## New Parish Won't Affect Richmond Hill Catholics

To members of the Richmond Hill Lions Club, it seems no more than a month or so since the privilege was accorded them of hearing an address by Rev. Frederick McGinn, pastor of St. Mary's Roman Catholic church. Those who heard him on that occasion agreed that he is one of the most scholarly and clever speakers to hold a pulpit in this district, although one of the most retiring and diffident except in his church work.

Members of his church say also he is one of the most forceful speakers they have ever heard, that he always has a worth while idea to impart and that he always presents it cleverly and effectively.

Apart, however, from theological and instructional discourses, Father McGinn had occasion last Sunday to announce to his congregation that a new parish is being formed at Au-

rona under the direction of Rev. Neal McKinnon, well known in several Toronto parishes. Father McGinn said there had been some speculation as to where the dividing line would be drawn between this new parish and the parish in Richmond Hill.

"The boundary line will be decided," he said, "by myself and Father McKinnon, and then, adapting a Churchillian remark that has helped make the British statesman famous, Father McGinn added:—

"I have no intention of presiding over the dismemberment of our parish."

The assurance thus given the members of St. Mary Immaculate parish who live north of the village that they would not have to break the ties that have bound them for years to the little red brick church on Yonge St. was most satisfying.

## Let Fruit Stay In Tins Richmond Hill Folks Told

A subject of interest to every Richmond Hill housewife is discussed in a recent bulletin issued by the Canadian Department of Agriculture entitled "Canned fruits and vegetables for variety in everyday meals."

The bulletin says that, contrary to popular belief, canned fruit may be allowed to stay in the cans in which they come without danger to health. It is perfectly safe to let the fruit or vegetables remain right in the tin container.

The bulletin says that, contrary to popular belief, canned fruit may be allowed to stay in the cans in which they come without danger to health. It is perfectly safe to let the fruit or vegetables remain right in the tin container.

Thousands of housewives are firm in the faith that canned foods ought to be emptied as soon as the can is opened, or at least before the remainder of the food goes into the refrigerator — one of the persistent

food fallacies.

"Cans and foods are sterilized in the (canning) processing. But the dish into which the food might be emptied is far from sterile. In other words, it may have on it bacteria that causes food spoilage. Whether in the original can or in another container the principal precautions for keeping food safe—keep it cool and keep it covered."

## REV. J. H. KIDD, WOODBRIDGE, GUEST MINISTER AT ST. MARY'S CHURCH

The Rev. J. H. Kidd of Woodbridge, Ontario has been secured as Holiday Supply at St. Mary's Anglican Church, Richmond Hill, during July. Mr. Kidd has been prominent in Church and Masonic circles. He was Rural Dean on two occasions in different parts of the Diocese, and was Grand Chaplain of the Masonic Order. Mr. Kidd will be available for emergency calls, his telephone number being 106 Woodbridge. The Rev. Rural Dean and Mrs. Wrixon have gone to Indianapolis Beach for a well earned rest.

## Lock Doors And Windows Police Urge Villagers

Police officials are again calling the attention of the residents of Richmond Hill and surrounding communities to the necessity of vigilance against burglars and other criminals.

"It stands to reason," one of them told The Liberal this week, "that the choicest hunting ground of the criminal is the spot that is unguarded or poorly guarded. Night patrolmen cannot be maintained by small communities, and even if we could have them they would be no more a guarantee against criminal activity than they are in Toronto and other large cities."

"The most any resident of either city or village can do is to make robbery so difficult for a criminal that he will not undertake it, but will try to find 'easier pickings'. We know that bolts and locks, and even electric alarms are not 100 per cent perfect as insurance against crime, but if we make use of these things to the utmost we are helping make the crook's job that much harder."

Officials point out that Richmond Hill has been singularly free of crime, notwithstanding the increased criminal activity evident in surrounding large centres. The attempted burglary of a service station some days ago was the one outstanding instance of crime reported in some time.

"But we should always keep our fingers crossed and be ready to 'tone wood'," pointed out an official. "We can't afford to boast about our immunity from crime. One never knows what may happen in the underworld."
